

California Department of Education School Accountability Report Card

Reported Using Data from the 2023 - 2024 School Year
Published During 2024 - 2025

For: Samuel Jackman Middle School

Address: 7925 Kentwal Dr, Sacramento, CA 95823
Principal: Natasha Lewis-Jones

Phone: 916-393-2352
Grade Span: 7-8

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>
- For additional information about the school, parents and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

Admission Requirements for the University of California (UC)

Admission requirements for the UC follow guidelines set forth in the Master Plan, which requires that the top one-eighth of the state's high school graduates, as well as those transfer students who have successfully completed specified college course work, be eligible for admission to the UC. These requirements are designed to ensure that all eligible students are adequately prepared for University-level work. For general admissions requirements, please visit the UC Admissions Information website at <https://admission.universityofcalifornia.edu/>.

Admission Requirements for the California State University (CSU)

Eligibility for admission to the CSU is determined by three factors: (1) Specific high school courses, (2) Grades in specified courses and test scores, and (3) Graduation from high school. Some campuses have higher standards for particular majors or students who live outside the local campus area. Because of the number of students who apply, a few campuses have higher standards (supplementary admission criteria) for all applicants. Most CSU campuses have local admission guarantee policies for students who graduate or transfer from high schools and colleges that are historically served by a CSU campus in that region. For admission, application, and fee information, see the CSU website at <https://www2.calstate.edu>.

School Description and Mission Statement (School Year 2024 - 2025)

We are proud of our work at Samuel Jackman Middle School! Not only do we place a strong emphasis in our core subjects, but we also offer students opportunities to participate in AVID (Advancement Via Individual Determination), Pre-Engineering, Yearbook, Guitar, Band, Computer Technology, Student Leadership, Health Technology, Art, PBIS, and a robust after-school Expanded Learning program.

Samuel Jackman Middle School provides a nurturing school environment with a special emphasis placed on academic achievement. The school offers diversified curricular and extracurricular programs, which feature a wide variety of student activities designed to support the unique needs of middle school students. These opportunities promote high student engagement, critical thinking, social interaction, and a quality learning experience for ALL students.

The staff at Samuel Jackman Middle School meet on a weekly basis to continuously improve academic instruction at our school. This model includes the development and use of common assessments, common instructional pacing guides, focused re-teaching strategies as well as the analysis of student assessment data. We have very high expectations for students, and we have a staff that works hard to provide the necessary supports, which allow students to meet these high expectations.

The community of Samuel Jackman Middle School is proud of the school's accomplishments.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the Basic State Priority (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

School Facility Conditions and Planned Improvements (School Year 2024 - 2025)

Samuel Jackman was built in 1990. The school has 42 classrooms, including portables, multipurpose room, library, gymnasium, weight room, field area and track for PE, and an administration building.

The LEA takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the LEA uses a facility survey instrument developed by the State of California Office of Public School Construction. The results of this survey are available at the district office. Included is information from the facility survey instrument on the condition of the school and the efforts made to ensure that students are provided with a clean, safe, and functional learning environment. Our school received an "Exemplary" status based on the State's definitions for each of the eight categories evaluated, which is the highest rating possible.

The district's maintenance and grounds departments work in concert with the school site custodial team to ensure that school buildings, classrooms, and grounds are maintained at exceptional levels to provide a safe and functional environment for all students. The district utilizes the latest electronic work order system enabling site administration and custodians to communicate maintenance needs, urgent repairs, or necessary projects. Emergency repair needs are immediately resolved by either the school custodian or district maintenance staff. The school's custodians work as a team and with the principal to develop a daily cleaning process and schedule, which includes daily inspections prior to students/staff entering school grounds and restroom checks throughout the day.

The State Deferred Maintenance Program (DMP) was established in 1980 to aid districts in major maintenance projects. Beginning with the 2013-2014 fiscal year and the inception of the Local Control Funding Formula (LCFF) the State has intended for Deferred Maintenance needs and expenses to be included in the District's LCFF allotment. The district continues to fund routine projects previously considered as part of the State's former DMP at levels required by the State and continues to use local resources.

The district's governing board has a deferred maintenance program. Samuel Jackman had the gym roof replaced in the summer of 2017. New roofs for the non-portables, HVAC replacement and modernizing F wing bathrooms were completed during the summer of 2018. In the Fall of 2021, interactive whiteboards and updated projectors were installed in the classrooms. In the summer of 2022, Samuel Jackman had the carpet and tile floors in the classrooms and office spaces replaced. In addition, the buildings were repainted, and the lighting updated. During the 1st semester of the 2023-2024 school year, the Wi-Fi was replaced in all the classrooms. In the spring of 2025, the wireless coverage in Gyms, Aux Gyms, and MPR/Cafeteria spaces were improved, and the coverage was expanded to the PE Blacktop area.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the Pupil Achievement State Priority (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System includes assessments for English language arts/literacy [ELA], mathematics, and science for students in the general education population and the California Alternate Assessment [CAA]. Only eligible students may participate in the administration of the CAA. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] or California Next Generation Science Standards [CA NGSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAA for ELA** in grades three through eight and grade eleven.
 2. **Smarter Balanced Summative Assessments and CAA for mathematics** in grades three through eight and grade eleven.
 3. **California Science Test (CAST) and CAA for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).
- **College and Career Ready:** The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessments and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAA divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

[Opportunities for Parental Involvement \(School Year 2024 - 2025\)](#)

Samuel Jackman Middle School strongly encourages parents and guardians to become engaged in the school. There are a number of opportunities for parents and guardians to become involved in, such as Night at the Nest, Back to School Night and Open House. The school hosts Bring Your Parent to Lunch Days, Career Day, Math Night, Musical Performances, Madres Latinas, Black Excellence and a variety of other opportunities for parents. For additional information on becoming involved, call Mrs. Butler, School Secretary, at 916-393-2352 x30901.

School Safety Plan (School Year 2024 - 2025)

Safety is important to us at Samuel Jackman Middle School. We believe that nothing should interfere with the academic achievement of our students and it is crucial that our students always feel safe. Our district, including our Police Services Department, is committed to providing a safe, secure environment for learning. All visitors are required to sign in at the front office. Additionally, administration, campus supervisors, and teachers supervise students before, during, and after school. Our staff reviews and updates our School Safety Plan each year. An Emergency Handbook, outlining a plan of action for emergencies such as earthquakes, fires, and floods, is kept in the school office. Periodic safety inspections are conducted by the County of Sacramento. In addition, administrators and campus supervisors received Active Shooter Training.

Types of Services Funded (Fiscal Year 2023 - 2024)

At our school, we have highly qualified staff to assist students with special learning needs. Our Strategies department services special education students, as well as general education students who need extra support to meet the standards. Gifted and Talented students participate in accelerated instruction in Language Arts, Math, and History. Students who need more intervention or would like to participate in other extension opportunities can do so in our three-hour after school Extended Learning program or attend tutoring sessions provided by staff. We also offer content specific Multilingual (ML) support courses, including intensive intervention classes for our ML Newcomers. In addition, we offer Saturday Academies.

Professional Development

Our school and district offer a variety of professional learning opportunities for teachers, instructional aides, and non-instructional support staff. Teachers were provided opportunities to meet weekly via the school's Early Out Wednesday schedule. In addition, teachers and departments are provided planning days with their departments. These planning days involve the support of our instructional coaches. Our teachers also take part in a variety of district and grant provided professional development programs that increase student academic achievement in all content areas. Staff participates in Diversity, Equity, and Inclusion trainings. In addition, SCOE works with the Social Science, Science, and English Departments.
