

California Department of Education School Accountability Report Card

Reported Using Data from the 2022 - 2023 School Year
Published During 2023 - 2024

For: Isabelle Jackson Elementary

Address: 8351 Cutler Wy, Sacramento, CA 95828
Principal: Scott Hadley

Phone: 916-689-2115
Grade Span: K-6

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>
- For additional information about the school, parents and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description and Mission Statement (School Year 2023 - 2024)

Dear Isabelle Jackson Elementary Community,

It is with great pleasure that I extend a warm welcome to all members of the Isabelle Jackson Elementary family – a community dedicated to fostering lifelong learners. As we embark on another exciting academic year, I am thrilled to share the collective commitment we have toward providing a nurturing and enriching educational experience for each child.

At Isabelle Jackson Elementary, our primary goal is to equip our students with the essential skills needed for success in both their academic endeavors and future leadership roles. We take pride in our dynamic learning environment, where students are encouraged to thrive and grow. With a focus on preparing our students for the challenges of higher education and the professional world, we are dedicated to ensuring that they emerge as confident, capable, and well-rounded individuals.

Our mission revolves around creating a safe, effective, and supportive atmosphere where students can acquire not only academic knowledge but also crucial social skills essential for life beyond the classroom. The success of our mission is evident in the unique strengths of our school, including our extended day enrichment and academic supports programs, the ExL (ASES), GATE, band, sports, and support for our English Learners.

We take pride in the student leadership cultivated at Isabelle Jackson Elementary, where our students, known as Jags, emerge as leaders in various capacities. Additionally, our high degree of parent involvement is a testament to the strong partnership between our school and families. The contributions of our dedicated guardians, who join and support our PTA, volunteer in classrooms, participate in planning activities, and attend Parent Education workshops, are deeply appreciated by both staff and students.

We invite you to join us as partners in the pursuit of your child's learning and success. Together, we can create an environment where each student can reach their full potential.

Looking forward to a rewarding and successful school year.

Warm regards,
Scott Hadley, Principal
Isabelle Jackson Elementary

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the Basic State Priority (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

Teacher Preparation and Placement (School Year 2020 - 2021)

School Facility Conditions and Planned Improvements (School Year 2023 - 2024)

Our school has 33 classrooms, a multipurpose room, a library, computer classroom, and administration building. The main campus was built in 1987. Additions were constructed in 1989. We then added two additional portable classrooms in 2011 to allow for growth. Multiple gates and fences were constructed and/or retrofitted in 2012 to further increase the safety of our campus. In the 21-22 school year we completed our school-wide interior and exterior refurbishments. In the summer of 2023 Jackson got all new blacktop for playgrounds and parking areas.

The LEA takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the LEA uses a facility survey instrument developed by the State of California Office of Public School Construction. The results of this survey are available at the district office. Included is information from the facility survey instrument on the condition of the school and the efforts made to ensure that students are provided with a clean, safe, and functional learning environment. Our school received an "Exemplary" status based on the State's definitions for each of the eight categories evaluated, which is the highest rating possible.

The district's maintenance, grounds, and custodial teams collaborate to uphold a high standard of maintenance for school buildings, classrooms, and grounds, ensuring a safe and functional environment for all students. Utilizing an electronic work order system, site administration and custodians efficiently communicate maintenance needs and urgent repairs. Immediate attention is given to emergency repairs by either the school custodian or district maintenance staff. The custodial team establishes a daily cleaning process and schedule, conducting inspections each morning to guarantee cleanliness and safety before students and staff arrive. The Board of Education has set district-wide cleaning standards, available at the school and district offices.

The State Deferred Maintenance Program (DMP) was established in 1980 to aid districts in major maintenance projects. Beginning with the 2013-2014 fiscal year and the inception of the Local Control Funding Formula (LCFF) the State has intended for Deferred Maintenance needs and expenses to be included in the District's LCFF allotment. The district continues to fund routine projects previously considered as part of the State's former DMP at levels required by the State and continues to use local resources.

At the end of the 23-24 school year, Isabelle Jackson will be getting a complete replacement of all blacktop surfaces and a concrete stage for the quad area. In 22-23, our classrooms and offices received new carpet, tile, and paint, and the exterior was painted, and cosmetic repairs completed. We have recently had a variety of deferred maintenance projects completed, from plumbing and lighting upgrades, to drainage and painting. In addition, in the 2019-20 school year we received new roofing and HVAC systems on all buildings.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the Pupil Achievement State Priority (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessment [CAA] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAA. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAA for ELA** in grades three through eight and grade eleven.
 2. **Smarter Balanced Summative Assessments and CAA for mathematics** in grades three through eight and grade eleven.
 3. **California Science Test (CAST) and CAA for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).
- **College and Career Ready:** The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Note: To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessments and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAA divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

[Opportunities for Parental Involvement \(School Year 2023 - 2024\)](#)

Ways to be actively involved in your child's education at Isabelle Jackson Elementary! Volunteer in classrooms, attend parent conferences, Back to School Night, Open House, and ELAC meetings. Join the School Site Council (SSC) to contribute to site decision-making. Exciting news: launching in '23-24 is the Isabelle Jackson PTA! Be part of this new chapter—your support is crucial. Contact the school secretary at 916-689-2115 for more information.

State Priority: School Climate

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan (School Year 2023 - 2024)

We believe that nothing should get in the way of the academic achievement of our students. Our district is committed to providing a safe and secure environment for learning. Our staff reviewed and updated our School Safety Plan in July 2023. An "Emergency Handbook", outlining a plan of action for emergencies such as earthquakes, fires, floods, and chemical spills, is kept in the school office. In addition, every classroom has an Emergency Procedures folder for the teacher's use. Monthly emergency drills are conducted, and the County conducts periodic school safety inspections. Visitors are required to check in and enter the premises through the office, and adult supervision is provided before and after school. The district's Safety Department also works closely with our school site to provide a safe, secure environment for all students.

Types of Services Funded (Fiscal Year 2023 - 2024)

At Isabelle Jackson Elementary we have highly qualified staff to assist students with special learning needs. Our Intervention services not only support special education students, but also general education students who need additional assistance to meet the standards. Gifted and Talented students participate in an after school accelerated instruction program. Students who need extra tutoring, enrichment or homework help can also participate in our ExL extended day program provided by The Center.

Professional Development

Our school and district offer a variety of professional learning opportunities for teachers, instructional aides, and non-instructional support staff. Our site also utilizes an "Early Out Wednesday" model where teachers meet weekly to review student work, make determinations about students' strengths and weaknesses, and develop subsequent instruction to meet students' needs. New teachers who have been teaching fewer than two years are supported by the district's Teacher Induction program. They meet weekly with an experienced mentor to discuss their successes and challenges and new ideas for their classrooms. Finally, the district offers a variety of classes for support staff. Paras, secretaries, office assistants, and custodians may take classes and attend trainings that relate to their work such as learning new computer skills and learning to work more efficiently and in ergonomically correct ways.
