**School Accountability Report Card**  
**Reported Using Data from the 2020 - 2021 School Year**  
Published During 2021 - 2022

**For: Samuel Kennedy Elementary**

**Address:** 7037 Briggs Dr, Sacramento, CA 95828  
**Principal:** Sandra Brown

**Phone:** 916-383-3311  
**Grade Span:** K-6

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>
- For additional information about the school, parents and community members should contact the school principal or the district office.

**DataQuest**

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

**California School Dashboard**

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

**Internet Access**

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

### School Description and Mission Statement (School Year 2021 - 2022)

<p>At Samuel Kennedy Elementary, everyone matters!</p> <p>We believe that all students can and will achieve at high levels! Students, parents, teachers, and staff work together to create a school community where every child learns and every child is loved. Our school is a welcoming place where students are challenged to succeed every year, from pre-kindergarten through sixth grade and beyond with their individual goals set on a strong foundation toward college and career readiness.</p> <p>Our academic program supports the Common Core State Standards, and teachers work together daily to provide targeted instruction at each child's level. High quality instruction is a top priority. Students benefit from clear behavior expectations throughout the school and frequent opportunities to be recognized for good citizenship, strong attendance, and academic achievement.</p> <p>Samuel Kennedy strives to educate the whole child, involving our students in Student Leadership, AVID, STEAM, intramurals, VAPA, PBIS programs, and our phenomenal ASES Cougar Academy.</p> <p>We actively seek family participation in all aspects of your child's education. Our office staff and parent liaisons are able to assist families in English and Spanish, and additional translation is available through the district. We also use the Talking Points app to help communicate with our families.</p> <p>Together we are moving Kennedy forward, ensuring that our students receive an excellent education that opens doors to success in school and in life and where every child has his or her feet solidly set on the path to a college or career of their choice.</p> <p>Sandra K. Brown, Principal Antonia Slagle, Vice Principal Chad Rede, Academic Program Coordinator</p>

## A. Conditions of Learning

### State Priority: Basic

The SARC provides the following information relevant to the Basic State Priority (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

#### Teacher Preparation and Placement (School Year 2019 - 2020)

Authorization/Assignment	School Number	School Percent	District Number	District Percent	State Number	State Percent

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned to based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

#### Teachers Without Credentials and Misassignments (considered "ineffective" under ESSA) (School Year 2019 - 2020)

### School Facility Conditions and Planned Improvements (School Year 2021 - 2022)

Kennedy Elementary School was built in 1964. This school has 40 classrooms, a multipurpose room, a computer lab, library, and an administration building. We also have a beautiful garden where our students plant vegetables and flowers throughout the year. We have approximately 100 staff members on our campus and we enroll over 1000 students every year.

The LEA takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the LEA uses a facility survey instrument developed by the State of California Office of Public School Construction. The results of this survey are available at the district office. Included is information from the facility survey instrument on the condition of the school and the efforts made to ensure that students are provided with a clean, safe, and functional learning environment. Our school received an "Exemplary" status based on the State's definitions for each of the eight categories evaluated, which is the highest rating possible.

The district's maintenance and grounds departments work in concert with the school site custodial team to ensure that school buildings, classrooms, and grounds are maintained at levels to provide a safe and functional environment for all students. The district utilizes the latest electronic work order system enabling site administration and custodians to communicate maintenance needs, urgent repairs, or necessary projects. Emergency repair needs are resolved by either the school custodian or district maintenance staff. The school's custodians work as a team and with the principal to develop a daily cleaning process and schedule. Each morning the custodian inspects the school prior to students and staff entering school grounds. Restrooms are inspected throughout the day to ensure that they are adequately stocked, safe, and sanitary. The Board of Education has adopted cleaning standards for all schools in the district. A summary of these standards is available at our main office.

The State Deferred Maintenance Program (DMP) was established in 1980 to aid districts in major maintenance projects. Beginning with the 2013-2014 fiscal year and the inception of the Local Control Funding Formula (LCFF) the State has intended for Deferred Maintenance needs and expenses to be included in the District's LCFF allotment. The district continues to fund routine projects previously considered as part of the State's former DMP at levels required by the State and continues to use local resources.

This past year we completed multiple modernization projects. Each classroom received new interactive whiteboards using our Power of One funds. Projectors were mounted in each ceiling and teachers can now quickly access online resources at the touch of a finger. We installed our kindergarten shade structure and will soon be installing a second shade structure on the playground. We will also be installing a new water bottle filling station near the multipurpose room. At this time, we are working on adding additional benches, plants, trees, and flowerbeds throughout the campus. Our site gardening team is also working with our ASES program to complete additional projects throughout the campus. During the summer of 2022, our classrooms are scheduled to receive new carpeting, new paint, and new light fixtures.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the Pupil Achievement State Priority (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

- **SARC Reporting in the 2020 - 2021 School Year Only**

Where the most viable option, LEAs were required to administer the statewide summative assessments for ELA and mathematics. Where a statewide summative assessment was not the most viable option for the LEA (or for one or more grade-level[s] within the LEA) due to the pandemic, LEAs were allowed to report results from a different assessment that met the criteria established by the State Board of Education (SBE) on March 16, 2021. The assessments were required to be:

- Aligned with CA CCSS for ELA and mathematics;
- Available to students in grades 3 through 8, and grade 11; and
- Uniformly administered across a grade, grade span, school, or district to all eligible students.

- **Options:** Note that the CAAs could only be administered in-person following health and safety requirements. If it was not viable for the LEA to administer the CAAs in person with health and safety guidelines in place, the LEA was directed to not administer the tests. There were no other assessment options available for the CAAs. Schools administered the Smarter Balanced Summative Assessments for ELA and mathematics, other assessments that meet the SBE criteria, or a combination of both, and they could only choose one of the following:

- Smarter Balanced ELA and mathematics summative assessments;
- Other assessments meeting the SBE criteria; or
- Combination of Smarter Balanced ELA and mathematics summative assessments and other assessments.

- **College and Career Ready:** The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Mathematics (grades 3-8 and 11)	N/A	N/A	N/A	N/A	N/A	N/A

Note: The 2019-2020 data cells with N/A values indicate that the 2019-2020 data are not available due to the COVID-19 pandemic and resulting summative test suspension. The Executive Order N-30-20 was issued which waived the assessment, accountability, and reporting requirements for the 2019-2020 school year.

Note: The 2020-2021 data cells have N/A values because these data are not comparable to other year data due to the COVID-19 pandemic during the 2020-2021 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020-2021 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020-2021 school year to other school years.

## State Priority: Other Pupil Outcomes

- Pupil outcomes in the subject area of physical education.

### California Physical Fitness Test Results (School Year 2020 - 2021)

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

#### [Opportunities for Parental Involvement \(School Year 2021 - 2022\)](#)

Parent involvement is essential to success in school. We encourage all parents to attend parent-teacher conferences, Back to School Night, Open House and our family events. Parents can join the School Site Council, the English Learner Advisory Committee, and the Parent Teacher Association. Parents are also warmly invited to volunteer in the classroom and chaperone on field trips. Free fingerprinting services are offered at our district's main office. For additional information, please contact our principal, Mrs. Brown, at 916-383-3311.

**State Priority: School Climate**

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

**Suspensions and Expulsions**

Note: Data collected during the 2020-21 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

**Suspensions and Expulsions for School Year 2019-2020 Only**

Expulsions	0.00%	0.03%	0.05%

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to other year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to other school years.

**School Safety Plan (School Year 2021 - 2022)**

Our staff reviews all school safety procedures at the beginning of each school year. Emergency Folders are updated each summer and signage is posted clearly in each room. A copy of the emergency procedures plan is kept in the school office and is available to the public for review. Emergency drills are held once a month. Fire drills, Lock Down Drills, and Duck and Cover Drills are explicitly taught and practiced with the students and staff. We provide staff supervision before and after school, and all visitors are required to sign-in. The district's Safety and Security Department works closely with our school site to complete an annual Comprehensive Safe School Plan addressing social safety issues such as behavior and bullying as well as physical safety. This plan was reviewed and approved by our staff on April 8, 2021.

Samuel Kennedy Elementary is one of the largest schools in the Elk Grove Unified School District. We have over 500 students who speak a second language, and our school community speaks 22 different languages. We have multiple programs that help us serve our English Language Learners. We provide daily ELD time where our students receive explicit instruction in English. We also have started a Newcomer program that services students who have been in the country for less than two years. Students who are not working at grade level and need a little help with their reading skills will spend time working with our certificated teaching staff in our Reading Room. Intersession and tutoring opportunities are also provided throughout the year. Students who are currently on IEPs are provided services in our Learning Center. Students on 504s are provided services in their home classrooms.

Professional Development

Our school and district offer a variety of learning opportunities for teachers, paraeducators, and non-instructional support staff. For 2021-2022, Kennedy teachers and administrators are receiving professional development on LETRS, AVID, effective PLCs, best practices for English Language Learners, and delivery of high quality instruction. Weekly teacher planning meetings focus on grade level Smart Goals, data-driven instruction, and addressing the academic and social needs of all students. Administrators and teachers work closely with our instructional coaches on improving instruction, improving fluency and comprehension, and implementing effective classroom management procedures. Monthly professional development trainings are held on the third Monday of every month. Teachers in 4-6 grades are also completing their AVID training so that full implementation of AVID will begin next year.

## Addendum

On July 14, 2021, the California State Board of Education (SBE) determined that the California Department of Education (CDE) will use the SARC Web Application as the mechanism to conduct a one-time data collection of the LEA-level aggregate test results of all school's local assessments administered during the 2020-2021 school year in order to meet the federal Every Student Succeeds Act (ESSA) reporting requirement for the Local Educational Agency Accountability Report Cards (LARCs).

Each local educational agency (LEA) is responsible for preparing and posting their annual LARC in accordance with the federal ESSA. As a courtesy, the CDE prepares and posts the LARCs on behalf of all LEAs.

Only for the 2020-2021 school year and the 2020-2021 LARCs, LEAs are required to report their aggregate local assessments test results at the LEA-level to the CDE by populating the tables below via the SARC Web Application. These data will be used to meet the LEAs' federal requirement for their LARCs. Note that it is the responsibility of the school and LEA to ensure that all student privacy and suppression rules are in place when reporting data in Tables 3 and 4 in the Addendum, as applicable.

The tables below are not part of the SBE approved 2020-2021 SARC template but rather are the mechanism by which these required data will be collected from LEAs.

For purposes of the LARC and the following tables, an LEA is defined as a school district, a county office of education, or a direct funded charter school.

Note: N/T values indicate that the schools in this LEA did not test students using the CAASPP for Mathematics.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.
