

California Department of Education School Accountability Report Card

Reported Using Data from the 2021 - 2022 School Year
Published During 2022 - 2023

For: Anna Kirchgater Elementary

Address: 8141 Stevenson Avenue, Sacramento, CA 95828
Principal: Cheryl Sanchez

Phone: 916-689-9150
Grade Span: K-6

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description and Mission Statement (School Year 2022 - 2023)

Anna Kirchgater Elementary
A Community of Lifelong Learners!

Our district's mission is to provide a learning community that challenges ALL students to realize their greatest potential. We would like to have every student learning in every classroom, in every subject, every day to prepare college-career-and life-ready graduates. At Anna Kirchgater Elementary, it is our goal to ensure this important undertaking.

Anna Kirchgater Elementary provides a unique and innovative educational experience for all children, from the safety of the campus, to the warmth of the learning environment, to the rigor and depth of our instructional programs. We are committed to a tradition of excellence in providing students with the academic and social skills they need to be successful in school.

Parent support and involvement continue to be important aspects of the success at Anna Kirchgater Elementary. We welcome parents as true partners in their child's learning experience. Parent support is given, recognized, and appreciated in many different ways. Some parents help plan programs and policies on our School Site Council. Others serve as classroom and library volunteers or helping to plan family activities. Parents also support student success by providing space, time and encouragement for daily homework and by sending a clear message that education and regular school attendance are important.

The safety of our students is our school's first priority and the discipline policy is an important part of this endeavor. We emphasize safe, respectful, and responsible behavior through our Positive Behavior Intervention and Support program. We encourage students to be good citizens and strong problem solvers. This, in turn, supports their ability to be flexible and dynamic in a diverse learning environment. It is these skills, along with a strong attention to our Common Core State Standards, that has earned Anna Kirchgater Elementary the reputation it has today.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the Basic State Priority (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

Teacher Preparation and Placement (School Year 2020 - 2021)

School Facility Conditions and Planned Improvements (School Year 2022 - 2023)

This school has 36 classrooms, a multipurpose room, a library, and an administration building. The main campus was built in 1957. A new multipurpose room was constructed in 1991. New classroom complexes were constructed in 2006. Two classrooms were modernized in 2011. A shade structure was added to the playground in 2020.

The LEA takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the LEA uses a facility survey instrument developed by the State of California Office of Public School Construction. The results of this survey are available at the district office. Included is information from the facility survey instrument on the condition of the school and the efforts made to ensure that students are provided with a clean, safe, and functional learning environment. Our school received an "Exemplary" status based on the State's definitions for each of the eight categories evaluated, which is the highest rating possible.

The district's maintenance and grounds departments work in concert with the school site custodial team to ensure that school buildings, classrooms, and grounds are maintained at exceptional levels to provide a safe and functional environment for all students. The district utilizes the latest electronic work order system enabling site administration and custodians to communicate maintenance needs, urgent repairs, or necessary projects. Emergency repair needs are immediately resolved by either the school custodian or district maintenance staff. The school's custodians work as a team and with the principal to develop a daily cleaning process and schedule. Each morning the custodian inspects the school prior to students and staff entering school grounds. Restrooms are inspected throughout the day to ensure that they are adequately stocked, safe, and sanitary. The Board of Education has adopted cleaning standards for all schools in the district.

The State Deferred Maintenance Program (DMP) was established in 1980 to aid districts in major maintenance projects. Beginning with the 2013-2014 fiscal year and the inception of the Local Control Funding Formula (LCFF) the State has intended for Deferred Maintenance needs and expenses to be included in the District's LCFF allotment. The district continues to fund routine projects previously considered as part of the State's former DMP at levels required by the State and continues to use local resources.

During the 2016-2017 school year, our playground equipment was updated with new bridges and poles. The roofs of our older wings were replaced in 2018 and 2019. Our school received a new shade structure on our playground during the summer of the 2019-2020 school year.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the Pupil Achievement State Priority (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
 2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
 3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).
- **College and Career Ready:** The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

CAASPP Test Results in English Language Arts/Literacy (ELA) and Mathematics for All Students Grades Three through Eight and Grade Eleven taking and completing a state-administered assessment Percentage of Students Meeting or Exceeding the State Standards

Subject	School 2020 - 2021	School 2021 - 2022	District 2020 - 2021	District 2021 - 2022	State 2020 - 2021	State 2021 - 2022
English Language Arts/Literacy (grades 3-8 and 11)	N/A	37	N/A	52	N/A	47
Mathematics (grades 3-8 and 11)	N/A	27	N/A	40	N/A	33

Note: Where it was the most viable option, in 2020-21, LEAs were required to administer the statewide summative assessment in ELA and mathematics and where a statewide summative assessment was not the most viable option for the LEA, LEAs were permitted to report results from a different assessment that meets the criteria established by the California State Board of Education on March 16, 2021. The 2020-21 data cells for the school, district, state have N/A values because these data are not comparable to 2021-22 data.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

[Opportunities for Parental Involvement \(School Year 2022 - 2023\)](#)

There are a variety of ways to be involved in your child's education. Our school has an active English Learner Advisory Committee (ELAC) and School Site Council (SSC). We have Back to School Night in the fall and Open House in the spring. Our school hold monthly Parent Picnics where parents enjoy coming onto our school campus to spend quality time with their children during lunch time. Parents can volunteer in classrooms and access our web-based software programs in math and reading in order to support their children at home. For more information, please contact Mrs. Sanchez, the school principal, at 916-689-9150.

State Priority: School Climate

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

Suspensions and Expulsions

(data collected between July through June, each full school year respectively)

Rate	School 2020 - 2021	School 2021 - 2022	District 2020 - 2021	District 2021 - 2022	State 2020 - 2021	State 2021 - 2022

Expulsions	0.0%	0.0%	0.0%	0.0%	0.0%	0.1%

Note: Data collected during the 2020-21 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

Suspensions and Expulsions for School Year 2019 - 2020 Only

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019 - 2020	District 2019 - 2020	State 2019 - 2020
Suspensions	0.62%	4.02%	2.45%
Expulsions	0.00%	0.03%	0.05%

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to other year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to other school years.

[School Safety Plan \(School Year 2022 - 2023\)](#)

We are committed to providing a safe and secure environment for learning before school , during the school day, and after school. Our staff reviewed and updated our School Safety Plan in December 2022. An Emergency Handbook, outlining a plan of action for emergencies such as earthquakes, fires, floods, and chemical spills, is kept in the school office and in each classroom. Random, periodic school safety inspections are conducted by the County of Sacramento. The district's Police Services Department works closely with our school site to provide a safe, secure environment for all students. We ensure close supervision of students from the time they arrive on campus until they return home from school. Our campus is fully gated and all visitors must enter through the office, sign-in and display a visitor's badge while on campus.

Types of Services Funded (Fiscal Year 2022 - 2023)

We have highly qualified staff at our school to assist students with special learning needs. Our Learning Center staff services special education students who need additional support to meet standards, as appropriate. Bilingual Teaching Associates help our English Learners access the core curriculum. We also offer extended day programs, such as winter and spring Intersession, English Learner Programs, ASES After School Program, band, choir, and extracurricular sports such as coed basketball, coed volleyball, cheerleading and track. In addition, our school has numerous Academic Intervention Teachers who assist struggling students.

Professional Development

Our teachers use Professional Learning Communities to implement research-based strategies, which have a positive impact on our students' academics as well as their emotional well-being. Grade level teams are provided with regular articulation during our Early Out days to review assessment data, make determinations about students' strengths & weaknesses, and plan subsequent instruction to meet our students' needs. Our teachers also take part in a district professional development program that is intended to increase teacher knowledge of best academic practices, including Saturday Seminars and workshops in English Language Arts and Math. Additionally, special education teachers have numerous opportunities to learn how to best meet the needs of students with learning disabilities. The district also offers classes for support staff. Para-educators, secretaries, office assistants, and custodians may take classes that relate to their work such as learning new computer skills, supporting students in the classroom, and safety procedures.
