

California Department of Education School Accountability Report Card

Reported Using Data from the 2021 - 2022 School Year
Published During 2022 - 2023

For: Laguna Creek High School

Address: 9050 Vicino Dr, Elk Grove, CA 95758
Principal: Mark Benson

Phone: 916-683-1339
Grade Span: 9-12

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description and Mission Statement (School Year 2022 - 2023)

With immense pride, I welcome you to the 2022-2023 School Year. I am excited about the start of another school year. Our staff is looking forward to continuing to make great things possible for our students and community. I am eager to work with you as an education partner to support your child's success. This year, LCHS is working toward the Western Association of Schools and Colleges (WASC) and International Baccalaureate Programmes (MYP & DP) evaluation visit during November 2023. Our Professional Learning, Site Meetings, and Quarterly MYP meetings with HEMS are focused on preparing for these critical evaluations.

Bell Schedule:

We are starting our new bell schedule this year. I appreciate the input, feedback, and collaboration in developing the bell schedule. The bell schedules are in the Student Handbook. We are on a special first and second-day advocacy schedule. Students start the day in their Advocacy classes to help with any start-of-year questions and are dismissed at 3:45.

Student Handbook:

Our current student handbook is located on our website. The handbook includes essential school information and an acknowledgment page that should be signed and returned to your student's advocacy teacher.

Student Schedules Pick Up

We are hosting our annual Back to the Nest events on August 9 (Sophomores & Seniors) and August 10 (freshmen & Juniors). Back to the Nest is a drop-in event where students can pick up their schedules, take campus tours, and purchase items from our student store. A Back to the Nest flyer with a price list is included in this packet.

Breakfast with Benson

To help facilitate community dialogue, you are invited to "Breakfast with Benson" on the first Thursday of each month between 9-10 am. During these meetings, I present information on important educational topics and provide time for parent feedback and conversation. These meetings will continue to be held virtually. A monthly Microsoft Teams link will be sent to connect to the meeting.

School Activities - Keep Informed

All major school events are posted regularly on our school's website, <http://lchs.egusd.net/>. I will email the Cardinal Connection weekly newsletters to inform you about events and the great things Laguna Creek students accomplish and provide school updates. Reading the weekly newsletters, school website, Facebook, and Synergy emails are the best ways to stay up-to-date on all that is happening at Laguna Creek High School. It is essential for you to provide us with a working email to keep you informed. You can log into your Synergy ParentVUE portal and update your information. An event listing is included in this packet to help with your planning. Any event changes will be communicated to our families.

In Partnership,
Mark Benson
Principal LCHS

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the Basic State Priority (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

Teacher Preparation and Placement (School Year 2020 - 2021)

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned to based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

School Facility Conditions and Planned Improvements (School Year 2022 - 2023)

Laguna Creek High School has 88 classrooms, five computer labs, a black box theatre, a weight room, the main gym, an auxiliary gym, a dance room, a multipurpose room, a library, a career center, a counseling center, and an administration building. The main campus was built in 1994. Five portable classrooms were added in 1997 for growth, with ten more added in 2000. The campus has two baseball fields, two softball fields, a fieldhouse with athletic lockers, an all-weather turf field, and a track. CTEIG funds were used to expand the Sports Career Academy lab to include hydrotherapy.

The LEA takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the LEA uses a facility survey instrument developed by the State of California Office of Public School Construction. The results of this survey are available at the district office. Included is information from the facility survey instrument on the condition of the school and the efforts made to ensure that students are provided with a clean, safe, and functional learning environment. Our school received an "Exemplary" status based on the State's definitions for each of the eight categories evaluated, which is the highest rating possible.

The district's maintenance and grounds departments work in concert with the school site custodial team to ensure that school buildings, classrooms, and grounds are maintained at exceptional levels to provide a safe and functional environment for all students. The district utilizes the latest electronic work order system enabling site administration and custodians to communicate maintenance needs, urgent repairs, or necessary projects. Emergency repair needs are immediately resolved by either the school custodian or district maintenance staff. The school's custodians work as a team and with the principal to develop a daily cleaning process and schedule. Each morning the custodian inspects the school prior to students and staff entering school grounds. Restrooms are inspected throughout the day to ensure that they are adequately stocked, safe, and sanitary. The Board of Education has adopted cleaning standards for all schools in the district. A summary of these standards is available at the school office, or at the district office.

The State Deferred Maintenance Program (DMP) was established in 1980 to aid districts in major maintenance projects. Beginning with the 2013-2014 fiscal year and the inception of the Local Control Funding Formula (LCFF) the State has intended for Deferred Maintenance needs and expenses to be included in the District's LCFF allotment. The district continues to fund routine projects previously considered as part of the State's former DMP at levels required by the State and continues to use local resources.

With the passing of Measure M, Laguna Creek High School will see modernization projects over the next several years. Modernization work is scheduled to start in Spring 2023 and conclude in Summer 2024.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the Pupil Achievement State Priority (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
 2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
 3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).
- **College and Career Ready:** The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

CAASPP Test Results in English Language Arts/Literacy (ELA) and Mathematics for All Students Grades Three through Eight and Grade Eleven taking and completing a state-administered assessment Percentage of Students Meeting or Exceeding the State Standards

Subject	School 2020 - 2021	School 2021 - 2022	District 2020 - 2021	District 2021 - 2022	State 2020 - 2021	State 2021 - 2022
English Language Arts/Literacy (grades 3-8 and 11)	N/A	51	N/A	52	N/A	47
Mathematics (grades 3-8 and 11)	N/A	26	N/A	40	N/A	33

Note: Where it was the most viable option, in 2020-21, LEAs were required to administer the statewide summative assessment in ELA and mathematics and where a statewide summative assessment was not the most viable option for the LEA, LEAs were permitted to report results from a different assessment that meets the criteria established by the California State Board of Education on March 16, 2021. The 2020-21 data cells for the school, district, state have N/A values because these data are not comparable to 2021-22 data.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Career Technical Education Programs (School Year 2022 - 2023)

Career Technical Education (CTE) provides opportunities for LCHS students to prepare for college, career and life through a Linked Learning approach that integrates rigorous academics, technical skills, relevant real-world experiences, work-based learning opportunities, and wrap-around student support to help students develop the 21st-century skills and habits of mind they will need to succeed after graduation. Guidance/career counselors and advisers offer additional support. In weekly Advocacy for example, classes at each grade level focus on achieving the outcomes described in the EGUSD Graduate Profile. Lessons include transcript review, college readiness, A-G completion, course selection, Academy applications, college admissions, and how to access resources within the school and surrounding community. LCHS is an authorized International Baccalaureate Middle Years and Diploma Program World School.

LCHS offers the following programs that promote leadership, develop job-related skills, offer work-based learning opportunities, and increase interest in school: California Partnership Academies (CPA), High Quality Career Pathways (HQCP), and Explore CTE Programs. CPAs feature cohort scheduling in CTE and academic core classes, integrated projects, and work-based learning opportunities. HQCPs provide a two-to-three year sequence of CTE courses within a career pathway. Pathway programs offer work-based learning opportunities and industry-recognized certification when available. Explore CTE programs allow students to complete an intensive training course in one year or less, take courses leading to industry certification, or experience internships. All CTE programs have an advisory committee that includes industry representatives for guidance and input. CTE programs at LCHS also allow students to meet graduation requirements and complete A-G requirements through courses that incorporate state-adopted academic standards. In 2021-22, LCHS offered three CPAs, Manufacturing Production Technology Academy, Sports Careers Academy, and Green Energy Technology Academy. HQCPs included Computer Science and emerging Graphic Design and Digital Photo pathways. LCHS also offered Journalism Production. CTE programs at LCHS offer opportunities for student leadership development, including HOSA in the Sports Careers Academy and student leadership teams in both GETA and MPTA.

Individual student assessment of work readiness skills in CTE programs takes place through end-of-course exams, such as National Association of Sports Medicine Personal Trainer Certification, OSHA 10 Certification, Woodwork Career Alliance Sawblade Safety, Red Cross First Aid and CPR, projects, and other means.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

[Opportunities for Parental Involvement \(School Year 2022 - 2023\)](#)

We welcome parents and guardians on our campus and encourage them to stay connected to what is happening at Laguna Creek High School using the web-based ParentVUE Program. We welcome parental involvement through the following active groups: • PTSO that supports all student clubs and programs • IB/World Scholars Parent Organization (IBPO) • LCHS Boosters • Band Boosters • School Site Council For more information, please contact School Secretary Lynette Edom, at 683-1339.

State Priority: School Climate

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

Suspensions and Expulsions

(data collected between July through June, each full school year respectively)

Rate	School 2020 - 2021	School 2021 - 2022	District 2020 - 2021	District 2021 - 2022	State 2020 - 2021	State 2021 - 2022

Expulsions	0.0%	0.0%	0.0%	0.0%	0.0%	0.1%

Note: Data collected during the 2020-21 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

Suspensions and Expulsions for School Year 2019 - 2020 Only

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019 - 2020	District 2019 - 2020	State 2019 - 2020
Suspensions	8.20%	4.02%	2.45%
Expulsions	0.09%	0.03%	0.05%

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to other year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to other school years.

[School Safety Plan \(School Year 2022 - 2023\)](#)

In addition to 6 Campus Supervisors, LCHS employs a School Resource Officer in a partnership with the Elk Grove Police Department. Supervisors are staggered throughout the day to ensure supervision from 7:00 a.m. to 5:30 p.m. The Safety Plan was last reviewed in February 2022. An "Emergency Handbook," outlining a plan of action for emergencies such as earthquakes, fires, floods, etc., is kept in the school office. "Emergency Flipcharts" are in every classroom and non-teaching space on campus. Emergency procedures are also included in substitute packets. Security staff monitors all after-school events, such as games and dances. The district's School Safety and Security Department works closely with our school site to provide a safe and secure environment for all students. Visitors are required to check in through the administrative office.

Types of Services Funded (Fiscal Year 2022 - 2023)

At our school, we have highly qualified staff to assist students with special learning needs. Our English Learners receive support in transitional classes, allowing them to access the core curriculum, and are placed in classes to learn English as needed. Gifted and Talented students participate in Honors courses, our International Baccalaureate Middle Years and Diploma Programmes, and Advanced Placement courses. Students who need extra tutoring or homework help can receive departmental help from individual teachers. The Library is open daily after school from 8:15-3:30 p.m. and Career Center is open 8-3:45 p.m. Other special programs offered include: Manufacturing Production and Technology Academy, Computer Science, Digital Photography, Graphic Design Pathways, the Sports Sciences Career Academy, our Green Energy Technology Academy, and AVID. LCHS is authorized to teach the IB Middle Years Programme and the IB Diploma Programme.

Since this data is collected on a single day in Fall, courses that are only offered later in the year will not be included on this report.

Professional Development

For 2022-2023, our school continues to have a professional development emphasis on using professional learning communities, student engagement, and IB Instructional methodology. LCHS will be evaluated by WASC & IB in November 2023 for programme evaluation. The Synchronized Visit is scheduled to occur in November 2023. Teachers attend weekly early-release PLC Collaborative Team meetings. Teachers use this time to meet and review student work, determine students' strengths and weaknesses, and plan subsequent instruction to meet students' needs. Our school also receives LCFF funding that provides money for professional learning and supplementary student resources. We continue to have four collaborative IB MYP minimum days to work with HEMS. Teachers continue to be trained in IB methodology as we expand the number of staff trained to teach in the IB Diploma Programme and MYP Programme.
