

## California Department of Education School Accountability Report Card

Reported Using Data from the 2023 - 2024 School Year  
Published During 2024 - 2025

### For: Herman Leimbach Elementary

**Address:** 8101 Grandstaff Dr, Sacramento, CA 95823  
**Principal:** Abelardo Cordova

**Phone:** 916-689-2120  
**Grade Span:** K-6

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents and community members should contact the school principal or the district office.

### DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

### California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

### Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

### Admission Requirements for the University of California (UC)

Admission requirements for the UC follow guidelines set forth in the Master Plan, which requires that the top one-eighth of the state's high school graduates, as well as those transfer students who have successfully completed specified college course work, be eligible for admission to the UC. These requirements are designed to ensure that all eligible students are adequately prepared for University-level work. For general admissions requirements, please visit the UC Admissions Information website at <https://admission.universityofcalifornia.edu/>.

### Admission Requirements for the California State University (CSU)

Eligibility for admission to the CSU is determined by three factors: (1) Specific high school courses, (2) Grades in specified courses and test scores, and (3) Graduation from high school. Some campuses have higher standards for particular majors or students who live outside the local campus area. Because of the number of students who apply, a few campuses have higher standards (supplementary admission criteria) for all applicants. Most CSU campuses have local admission guarantee policies for students who graduate or transfer from high schools and colleges that are historically served by a CSU campus in that region. For admission, application, and fee information, see the CSU website at <https://www2.calstate.edu>.

### School Description and Mission Statement (School Year 2024 - 2025)

Herman Leimbach Elementary  
"Leimbach Lions R.O.A.R. with Pride"

The Mission of Herman Leimbach Elementary is to provide High Quality Instruction supporting students' academic and social emotional growth; and prepare students for college, career, and life readiness.

Leimbach staff are committed to building a culture that focuses on academic excellence and personal growth. Our goal is to provide students with an exciting and engaging learning experience that encompasses the rigor of instruction within a safe and supportive climate. Students receive a standards-based curriculum with extra support for those with special needs. We have an academic intervention team that works with designated students who show promise of rapid improvement or need intensive support. Learning Center staff assists those who need to make gains in reaching grade level standards. We also offer an after school Extended Learning Program where over 200 students receive assistance with homework, enrichment opportunities in technology, fine arts, and physical education. Additional programs consist of AVID, Choir, Visual and Performing Arts, Tutoring, and Student Council, providing students with leadership and college and career opportunities. Teachers meet regularly to discuss and design engaging lessons, share effective instructional strategies, and discuss how to help each student achieve and succeed.

Parent support and involvement are the cornerstone to our students' success. Parents serve as classroom volunteers, serve on school and district committees, serve as chaperones at field trips, encourage regular attendance, completion of homework, and promote daily practice of essential reading and math skills. Our strong parent and school partnership builds greater capacity for learning and success.

Technology is incorporated daily to help students become proficient in using software and hardware to engage in learning. Students learn how to navigate technology to develop presentations and produce informational segments for the school community.

Leimbach staff work collaboratively to provide a safe environment and is committed to the growth and development of each student.

Abelardo Cordova, Principal  
Herman Leimbach Elementary

## School Facility Conditions and Planned Improvements (School Year 2024 - 2025)

Our school has 33 classrooms, a library, a computer lab, and an administration building. The main campus was built in 1988. A new classroom building was completed in 2006. Additional perimeter fencing as well as a gate in front of the multipurpose room was added in 2013. Our custodial staff, along with Maintenance and Operations, ensure our campus is kept clean and safe for everyone. Cameras have also been installed to survey the perimeter of the school. Herman Leimbach underwent a refresh of the facilities during 2024, which upgraded lighting, carpeting, flooring, painting, and overall aesthetics.

The LEA takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the LEA uses a facility survey instrument developed by the State of California Office of Public School Construction. The results of this survey are available at the district office. Included is information from the facility survey instrument on the condition of the school and the efforts made to ensure that students are provided with a clean, safe, and functional learning environment. Our school received an "Exemplary" status based on the State's definitions for each of the eight categories evaluated, which is the highest rating possible.

The district's maintenance and grounds departments work in concert with the school site custodial team to ensure that school buildings, classrooms, and grounds are maintained at exceptional levels to provide a safe and functional environment for all students. Emergency repair needs are immediately resolved by either the school custodian or district maintenance staff. The school's custodians work as a team and with the principal to develop a daily cleaning process and schedule. Each morning the custodian inspects the school prior to students and staff entering school grounds. Restrooms are inspected throughout the day to ensure that they are adequately stocked, safe, and sanitary. The Board of Education has adopted cleaning standards for all schools in the district.

The State Deferred Maintenance Program (DMP) was established in 1980 to aid districts in major maintenance projects. Beginning with the 2013-2014 fiscal year and the inception of the Local Control Funding Formula (LCFF) the State has intended for Deferred Maintenance needs and expenses to be included in the District's LCFF allotment. The district continues to fund routine projects previously considered as part of the State's former DMP at levels required by the State and continues to use local resources.

This year, Herman Leimbach Elementary will received renovations in each classroom and work area. New ceilings, lighting, and floors will be installed providing an updated environment for students and staff.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the Pupil Achievement State Priority (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System includes assessments for English language arts/literacy [ELA], mathematics, and science for students in the general education population and the California Alternate Assessment [CAA]. Only eligible students may participate in the administration of the CAA. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] or California Next Generation Science Standards [CA NGSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAA for ELA** in grades three through eight and grade eleven.
  2. **Smarter Balanced Summative Assessments and CAA for mathematics** in grades three through eight and grade eleven.
  3. **California Science Test (CAST) and CAA for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).
- **College and Career Ready:** The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

### CAASPP Test Results in English Language Arts/Literacy (ELA) and Mathematics for All Students Grades Three through Eight and Grade Eleven taking and completing state-administered assessments Percentage of Students Meeting or Exceeding the State Standards

Subject	School 2022 - 2023	School 2023 - 2024	District 2022 - 2023	District 2023 - 2024	State 2022 - 2023	State 2023 - 2024

Mathematics (grades 3-8 and 11)	17%	13%	40%	41%	34%	35%

Note: To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessments and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAA divided by the total number of students who participated in both assessments.

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

### [Opportunities for Parental Involvement \(School Year 2024 - 2025\)](#)

Parent engagement is critical to the success of each child. We encourage all parents to become involved. Beyond the essential Back to School Night, Parent/Teacher Conferences and Open House, families can volunteer (following current protocols/fingerprinting), attend assemblies recognizing student achievement, and other school events. Our Bilingual Teaching Associate is also available to connect with parents and provide additional support and information in Spanish. Please contact Mr. Cordova at 916-689-2120 for more information.

**State Priority: School Climate**

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

### School Safety Plan (School Year 2024 - 2025)

Your child's safety is the first priority at Herman Leimbach. Yard Supervisors meet monthly with administration to discuss procedures and how to deal with incidents. Our School Safety Plan updated with our stakeholders each January (2024). Each room has evacuation maps, emergency procedure flip charts for emergencies such as earthquakes, fires, floods, and chemical spills, along with monthly drills. The school is surrounded by fencing and visitors are required to check in and enter the premises through the main office. Safety procedures are in place and supervision is provided both before and after school program hours. A full-time Campus Supervisor provides safety and supervision before, during, and after school. In addition, the district's Police Services Department works closely with our school administrators to provide a safe, secure environment for all students.

### Types of Services Funded (Fiscal Year 2023 - 2024)

Our Learning Center assists special education students and general education students who need additional support to meet grade level standards. English Language Development instruction assists English Learners in accessing the core curriculum. Academic intervention staff meets the needs of students who are at risk of retention through small group reading and math support. Students who would like enrichment opportunities or homework help are encouraged to attend our after-school Extended Learning Program. Students may also take advantage of our after-school enrichment programs such as the Visual and Performing Arts. Students also participate in district sponsored competitions and events.

## Professional Development

Our professional development initiatives include collegial walks, focused grade level work, daily implementation of differentiated instruction through the implementation of the Framework for High Quality Instruction. Additionally, staff collaborate through Professional Learning Communities, goal setting, data analysis, and effective use of technology. Our collaborative work centers on closing the Achievement Gap. Teachers meet weekly during PLC Wednesdays (Early Out) and through grade level meetings and focus student work and analyze students' strengths and weaknesses. Additionally, special education teachers are provided with professional learning opportunities to meet the needs of our students with disabilities. New teachers are supported by the district's beginning teacher program. They meet weekly with an experienced mentor to discuss successes, challenges and strategies to use in the classroom. Instructional Coaches support teachers with ELA/Math/Multilingual Education. All Leimbach staff share the belief that all students can learn at high levels with high quality instruction, intervention, and assessments. Staff are also committed to increasing their knowledge and skill sets through collaboration and professional learning.
