

California Department of Education School Accountability Report Card

Reported Using Data from the 2021 - 2022 School Year
Published During 2022 - 2023

For: Charles Mack Elementary

Address: 4701 Brookfield Dr, Sacramento, CA 95823
Principal: Mark Hogge

Phone: 916-422-5524
Grade Span: K-6

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description and Mission Statement (School Year 2022 - 2023)

At Charles Mack, our mission is to educate the whole child through equitable practices, exemplary instruction, and a partnership with our community. Our staff, students and families have lived and embraced this mission and as a result, our students are experiencing academic growth.

Our teachers are working hard this year to help students fill in academic gaps and bolster learning. In addition, there is a strong focus on addressing the social emotional needs of students and teachers through classroom activities, writing assignments, class discussions, art, reading, and individual projects. Teachers are making learning meaningful and purposeful while attending to the thoughts, feelings, and personal expressions of their students.

Parent university events at Charles Mack teach modeled strategies that can be used by parents at home. In combination with our expanding list of family-teacher run activities, the Charles Mack community continues to strengthen the existing parent-teacher bond while promoting family and togetherness. In addition, our Mustang Academy provides all Charles Mack students with access to a menu of athletic, academic, and musical enrichment opportunities.

It is on these actions and commitments that we proudly engage our motto:
"From Mack, to Jackman, to Valley, to College"

Sincerely,
Mark Hogge, Principal

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the Basic State Priority (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

Teacher Preparation and Placement (School Year 2020 - 2021)

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned to based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

School Facility Conditions and Planned Improvements (School Year 2022 - 2023)

Charles Mack Elementary's main campus was originally built in 1965. Our school currently has 35 classrooms, a multipurpose room, a library, a computer lab and an administration building. Additions were constructed in 1968 and 1972. The current multipurpose room was built in 1990, and in 2000, additional permanent classrooms were added to accommodate the growing community. In 2014 a new walkway, new fencing, increased drainage and new sod helped the school's beautification process and a remodel for the parking lot has been completed. In 2017, a new parking lot replaced the old one and extended south where there once was a baseball field. In 2021, security cameras were added in strategic locations and connected to the district's Safety and Security Office for campus monitoring. In the summer of 2022, all permanent buildings received new roofs; all classrooms received new LED lighting, carpeting, and paint. Our facilities are maintained by our District's Grounds and Maintenance departments as well as our site custodial team.

The LEA takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the LEA uses a facility survey instrument developed by the State of California Office of Public School Construction. The results of this survey are available at the district office. Included is information from the facility survey instrument on the condition of the school and the efforts made to ensure that students are provided with a clean, safe, and functional learning environment. Our school received an "Exemplary" status based on the State's definitions for each of the eight categories evaluated, which is the highest rating possible.

The district's Maintenance and Grounds departments work in concert with the school site custodial team to ensure that school buildings, classrooms, and grounds are maintained at exceptional levels to provide a safe and functional environment for all students. The district utilizes the latest electronic work order system enabling site administration and custodians to communicate maintenance needs, urgent repairs, or necessary projects. Emergency repair needs are immediately resolved by either the school custodian or district maintenance staff. The school's custodians work as a team and with the administrators to develop a daily cleaning process and schedule. Each morning the custodian inspects the school prior to students and staff entering school grounds. Restrooms are inspected throughout the day to ensure that they are adequately stocked, safe, and sanitary. The Board of Education has adopted cleaning standards for all schools in the district.

The State Deferred Maintenance Program (DMP) was established in 1980 to aid districts in major maintenance projects. Beginning with the 2013-2014 fiscal year and the inception of the Local Control Funding Formula (LCFF) the State has intended for Deferred Maintenance needs and expenses to be included in the District's LCFF allotment. The district continues to fund routine projects previously considered as part of the State's former DMP at levels required by the State and continues to use local resources.

Thanks to the district's governing board, the Facilities and Planning department, and the support of the Charles Mack community, modernization projects have been done inside and outside our buildings. The permanent building all received new roofs this past summer. Every classroom and many other spaces received new carpet, flooring, updated LED lighting, and paint. We look forward to upcoming upgrades, like a replaced blacktop playground this coming summer.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the Pupil Achievement State Priority (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
 2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
 3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).
- **College and Career Ready:** The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

CAASPP Test Results in English Language Arts/Literacy (ELA) and Mathematics for All Students Grades Three through Eight and Grade Eleven taking and completing a state-administered assessment Percentage of Students Meeting or Exceeding the State Standards

Subject	School 2020 - 2021	School 2021 - 2022	District 2020 - 2021	District 2021 - 2022	State 2020 - 2021	State 2021 - 2022
English Language Arts/Literacy (grades 3-8 and 11)	N/A	34	N/A	52	N/A	47
Mathematics (grades 3-8 and 11)	N/A	21	N/A	40	N/A	33

Note: Where it was the most viable option, in 2020-21, LEAs were required to administer the statewide summative assessment in ELA and mathematics and where a statewide summative assessment was not the most viable option for the LEA, LEAs were permitted to report results from a different assessment that meets the criteria established by the California State Board of Education on March 16, 2021. The 2020-21 data cells for the school, district, state have N/A values because these data are not comparable to 2021-22 data.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the Other Pupil Outcomes State Priority (Priority 8):

- Pupil outcomes in the subject area of physical education.

California Physical Fitness Test Results (School Year 2021 - 2022)

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

[Opportunities for Parental Involvement \(School Year 2022 - 2023\)](#)

In addition to our 3 parent organizations, we support Back to School Night, Bring Your Parent to School Days, numerous literacy nights, Open House, Parent Universities, and our Pancake Breakfast. Our daily Coffee Talk in the morning provides a relaxed forum for parents and school personnel to talk about new and fresh ideas for the school and to share information. For more information, please contact our school secretary Shandra King at 422-5524, or siking@egusd.net.

State Priority: School Climate

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

Suspensions and Expulsions

(data collected between July through June, each full school year respectively)

Rate	School 2020 - 2021	School 2021 - 2022	District 2020 - 2021	District 2021 - 2022	State 2020 - 2021	State 2021 - 2022

Expulsions	0.0%	0.0%	0.0%	0.0%	0.0%	0.1%

Note: Data collected during the 2020-21 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

Suspensions and Expulsions for School Year 2019 - 2020 Only

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019 - 2020	District 2019 - 2020	State 2019 - 2020
Suspensions	0.94%	4.02%	2.45%
Expulsions	0.00%	0.03%	0.05%

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to other year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to other school years.

[School Safety Plan \(School Year 2022 - 2023\)](#)

Staff and parents reviewed and adjusted the Comprehensive School Safety Plan in November 2022 to include documentation of new safety precautions, modifications to our Positive Behavior Intervention Support model, and new suspension data. From 7:30 when breakfast starts to 5:30 when our ASES after school program ends, students who are on campus are safe from harm and well supervised. Access to the school is controlled through locked gates at entry points around the school, and visitors are required to sign in at the office upon arrival throughout the day. Our Emergency Response Procedures are available in every classroom, and students have numerous opportunities to practice them through various preparatory and practice drills throughout the year.

Types of Services Funded (Fiscal Year 2022 - 2023)

Mack provides numerous programs and supports for students. The implementation of our schoolwide workshop intervention model provides daily small group instruction for every student based on specifically identified needs. Additional support from highly qualified AITs (Academic Intervention Teachers), dedicated paraeducators, strong ELD and CCSS coaches, and committed special education teachers also provide students with solid specialized instruction. To address social and emotional needs, all Mack teachers have integrated 2nd Step social curriculum into daily instructional routines and our psychological, counseling, and mental health services are available to address diagnosed needs. Further support comes from our Bilingual Teacher Associate who provides primary language assistance, translations, and academic support. The Mustang Academy provides athletic and academic enrichment, including GATE (Gifted and Talented Education), as pillars of our after school program.

Professional Development

All Charles Mack teachers have either been trained, or will be trained this year, to use Guided Language Acquisition and Design (GLAD), Guided Reading, and close reading strategies to help Mack students develop skills and access information across contents. This year our teachers will be increasing their use of social-emotional learning activities and including them in the core subject areas. Our district has recently adopted Illuminate to provide common assessments which are used to inform instruction and guide lesson planning. Our district continues to provide professional development in a variety of areas of need and concern to our staff. At Mack, staff professional development is relevant and timely planned in an effort to meet the changing needs of our staff.
