

California Department of Education School Accountability Report Card

Reported Using Data from the 2022 - 2023 School Year
Published During 2023 - 2024

For: Florence Markofer Elementary

Address: 9759 Tralee Wy, Elk Grove, CA 95624
Principal: Dorothy Stoppelman

Phone: 916-686-7714
Grade Span: K-6

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>
- For additional information about the school, parents and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description and Mission Statement (School Year 2023 - 2024)

Florence Markofer Elementary School provides an outstanding educational experience for students from the safety of the campus, to the positive learning environment, to the rigorous instructional program. All aspects of the school contribute to providing students with the tools they need to be successful learners.

Our district's mission is to provide a learning community that challenges ALL students to realize their greatest potential. We focus on supporting our students in reaching our district's goals. Our success in implementing the district's mission can be evidenced through our school's special strengths. These include an outstanding team of dedicated, experienced and caring teachers, a motivated and enthusiastic student body, and an active family community that supports and celebrates the achievements of all students.

Parent support and involvement are important aspects of the success of Florence Markofer Elementary. Through involvement with Site Council, assisting with PTO events and activities, and serving as classroom volunteers, the Markofer parent community is vital to the success of our school. Parents support student success at home by providing space, time, and encouragement for daily homework, and by sending a clear message that education and regular school attendance are important to the family.

The safety of our students is this school's first priority and we focus on positive discipline guided by the Positive Behavior and Intervention Supports (P.B.I.S) program. We teach "Safe" "Kind" and "Responsible," behavioral expectations. Visitors on campus are required to check in through the school office. With positive supervision, our students feel comfortable, safe, and secure so they can thrive and learn.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the Basic State Priority (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

Teacher Preparation and Placement (School Year 2020 - 2021)

School Facility Conditions and Planned Improvements (School Year 2023 - 2024)

Florence Markofer has 32 classrooms, a multipurpose room, a library, and an office building. The main campus was built in 1989. Two new permanent wings were completed in 2010 to replace the old portable classrooms. The newest buildings have teacher workspaces and staff meeting areas as part of the design.

The LEA takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the LEA uses a facility survey instrument developed by the State of California Office of Public School Construction. The results of this survey are available at the district office. Included is information from the facility survey instrument on the condition of the school and the efforts made to ensure that students are provided with a clean, safe, and functional learning environment. Our school received an "Exemplary" status based on the State's definitions for each of the eight categories evaluated, which is the highest rating possible.

The district's maintenance and grounds departments collaborate with the site custodial team to ensure that school buildings and grounds are maintained at high levels to provide a safe and functional environment for all students. The district uses the latest electronic work order system enabling site administration and custodians to communicate maintenance needs, urgent repairs, or necessary projects. Emergency repair needs are resolved by either the school custodian or district maintenance staff. The site custodians work as a team with administration to develop a daily cleaning process and schedule. Each morning the custodian inspects the school prior to students and staff entering school grounds. Restrooms are inspected throughout the day.

The State Deferred Maintenance Program (DMP) was established in 1980 to aid districts in major maintenance projects. Beginning with the 2013-2014 fiscal year and the inception of the Local Control Funding Formula (LCFF) the State has intended for Deferred Maintenance needs and expenses to be included in the District's LCFF allotment. The district continues to fund routine projects previously considered as part of the State's former DMP at levels required by the State and continues to use local resources.

In 2020-2021 a new roof was installed on the Library Building and Kindergarten building. Through Measure M funding a Refresh in Summer of 2022 was completed on the site with new carpet, installation of a shade structure on the playground, new campus signage, painting and lighting updates in classrooms. In 2022-2023 the computer lab was updated with a new electrical panel and dedicated data to support up to 72 devices. In addition, the student broadcast student was upgraded in the 2022-2023 school year through a grant from the Sacramento Educational Cable Consortium enabling student news crews to report and share activities and important information to students, staff, and school community using industry standard media equipment.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the Pupil Achievement State Priority (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessment [CAA] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAA. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAA for ELA** in grades three through eight and grade eleven.
 2. **Smarter Balanced Summative Assessments and CAA for mathematics** in grades three through eight and grade eleven.
 3. **California Science Test (CAST) and CAA for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).
- **College and Career Ready:** The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

CAASPP Test Results in English Language Arts/Literacy (ELA) and Mathematics for All Students Grades Three through Eight and Grade Eleven taking and completing state-administered assessments Percentage of Students Meeting or Exceeding the State Standards

Note: To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessments and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAA divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

[Opportunities for Parental Involvement \(School Year 2023 - 2024\)](#)

Parents are our true partners in teaching. There are a number of ways to be involved with your child's education: Parent/Teacher Org, Class Volunteer, Art Docent, Field Trip Chaperone, Site Council, English Language Advisory. Families participate in many of our varied cultural and educational activities. We hold Back to School Night meetings, Open House, and parent conferences during the school year. For more on parent involvement opportunities, contact your child's teacher or Amanda McAdams, PTO President, florencemarkoferpto@gmail.com

State Priority: School Climate

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates;

School Safety Plan (School Year 2023 - 2024)

At Florence Markofer, we believe that our students and staff should feel safe at all times. In addition, our staff reviewed and updated our Comprehensive Safe School Plan in February 2023, September 2023 and January 2024. Included in the plan are monitoring practices that not only address student safety during school hours, but before and after school as well. All visitors sign in at the school office before entering the campus. An "Emergency Handbook", outlining a plan of action for emergencies, is kept in the school office and in each classroom. Emergency drills are conducted monthly. Random, periodic school safety inspections are conducted by the County of Sacramento. The district's Police Services Department works closely with our school site to provide a safe and secure environment for all students and staff.

Types of Services Funded (Fiscal Year 2023 - 2024)

At Florence Markofer, we have highly qualified staff to assist students with special learning needs. Each teacher is the primary intervention specialist in their class. Our Academic Intervention Teachers provide supplemental instruction for students needing additional support in foundational reading and math skills. Our highly qualified teaching staff provides our English Learners with instruction to access the core curriculum as well as English Language Development lessons. Gifted and Talented Education (GATE) students and accelerated students participate in after school extended day programs. We have teachers who provide tutoring to students after school. We support four classes of students with autism in grades TK-6 who need more support acquiring language and social skills.

Professional Development

Our school and district offer a variety of professional learning opportunities for teachers, instructional aides, and non-instructional support staff. The 2023-2024 focus of our professional learning for all of our employees is to provide professional development opportunities that promote educator equity, quality, and effectiveness. Professional Learning Communities are in place at every grade level focusing on enhancing the instructional program and ongoing improvement of academic achievement. New teachers, who have been teaching fewer than two years, are supported by the district's beginning teacher Induction program. They meet weekly with an experienced mentor to discuss their successes, challenges and new strategies. Finally, the district offers a variety of classes for teachers, and support staff. Instructional aides, school secretaries, office clerks, and custodians may take classes relating to their work.
