

California Department of Education School Accountability Report Card

Reported Using Data from the 2023 - 2024 School Year
Published During 2024 - 2025

For: Robert J. McGarvey Elementary

Address: 4350 Sophistry Drive, Rancho Cordova, CA 95742
Principal: Carrie Mitchell

Phone: 916-793-3400
Grade Span: K-6

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>
- For additional information about the school, parents and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

Admission Requirements for the University of California (UC)

Admission requirements for the UC follow guidelines set forth in the Master Plan, which requires that the top one-eighth of the state's high school graduates, as well as those transfer students who have successfully completed specified college course work, be eligible for admission to the UC. These requirements are designed to ensure that all eligible students are adequately prepared for University-level work. For general admissions requirements, please visit the UC Admissions Information website at <https://admission.universityofcalifornia.edu/>.

Admission Requirements for the California State University (CSU)

Eligibility for admission to the CSU is determined by three factors: (1) Specific high school courses, (2) Grades in specified courses and test scores, and (3) Graduation from high school. Some campuses have higher standards for particular majors or students who live outside the local campus area. Because of the number of students who apply, a few campuses have higher standards (supplementary admission criteria) for all applicants. Most CSU campuses have local admission guarantee policies for students who graduate or transfer from high schools and colleges that are historically served by a CSU campus in that region. For admission, application, and fee information, see the CSU website at <https://www2.calstate.edu>.

School Description and Mission Statement (School Year 2024 - 2025)

The vision of RJMES is to provide a rigorous, high-quality education that challenges every individual to excel in their studies, encourages both personal and academic achievement, and fosters intercultural understanding and respect. It's no coincidence that these ideals define the man for whom our school is named, Mr. Robert J. McGarvey. Our faculty is committed to these ideals and to collaboration with families and the broader community to ensure this is accomplished.

Developing students' leadership potential, building a positive school climate, and creating opportunities for students to flourish in an environment of shared values and good character are hallmarks of our learning community. Our Positive Behavior Intervention and Support (PBIS) team works diligently to equip our faculty to unite a school where everyone is valued and respected, and where rules and character are explicitly taught and expected. The profile of all learners in the RJMES journey - children and adults alike - is captured in the acronym SOAR which highlights the essential attributes of our Safe, Open-Minded, Accountable, and Resilient community. For the 2023-2024 school year, we continue to embrace our "Bee" theme!

Family and community partnerships provide opportunities for challenge and growth. These are central to our commitment to serving the whole child. Leadership experiences, GATE, English Language Development, music, PE, technology, athletics, and academic enrichment are all as important as our core academic program.

The concept of community, with an emphasis on unity, is a priority for our parents, faculty, and students. It's clear that our community understands that a strong relationship between the home and school is a recipe for student success. I encourage you to become part of our Parent Faculty Organization, an amazing group dedicated to making McGarvey a world-class institution. It's in this spirit that I encourage you to become involved to support our school. Together, Griffins SOAR to incredible heights!

"BEE" Griffin Strong!

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the Basic State Priority (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

Teacher Preparation and Placement (School Year 2020 - 2021)

School Facility Conditions and Planned Improvements (School Year 2024 - 2025)

RJMES opened its doors in July 2017 on a four track, year-round calendar. We have 33 classrooms, a magnificent library, a technology classroom, a Learning Center, an administrative office, and a Multipurpose Room. There are two playground areas with multiple play surfaces for students. EGUSD takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, our district uses a facility survey instrument developed by the State of California Office of Public School Construction. The results of this survey are available at the district office. Included is information from the facility survey instrument on the condition of the school and the efforts made to ensure that students are provided with a clean, safe, and functional learning environment.

The LEA takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the LEA uses a facility survey instrument developed by the State of California Office of Public School Construction. The results of this survey are available at the district office. Included is information from the facility survey instrument on the condition of the school and the efforts made to ensure that students are provided with a clean, safe, and functional learning environment. Our school received an "Exemplary" status based on the State's definitions for each of the eight categories evaluated, which is the highest rating possible.

The custodial team provides supervision and maintenance from 6:45 am - 11:00 pm. During these hours the school facilities are cleaned, classrooms inspected, playground maintained, and restrooms checked hourly. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority. A summary of these standards is available at the district Facilities Department. The State Deferred Maintenance Program (DMP) was established in 1980 to aid districts in major maintenance projects. The district funds routine restricted maintenance beyond the State required minimum and uses local resources to fund projects previously considered part of the state DMP. The district's complete deferred maintenance plan is available at the district office.

The State Deferred Maintenance Program (DMP) was established in 1980 to aid districts in major maintenance projects. Beginning with the 2013-2014 fiscal year and the inception of the Local Control Funding Formula (LCFF) the State has intended for Deferred Maintenance needs and expenses to be included in the District's LCFF allotment. The district continues to fund routine projects previously considered as part of the State's former DMP at levels required by the State and continues to use local resources.

Our school has two playground areas with multiple surfaces for students; one area is designed for kindergarten students while the other is for grades 1-6. In 2024-25, the play structure on the Kindergarten yard was updated to be suitable for children over age 3. In partnership with the City of Rancho Cordova and Eagle Scout candidates, we have a wonderful garden for our students and classes to use, complete with a shaded brick patio. We also have a permanent shade structure connected to our larger playground. This was installed in Summer 2020 through the support of Measure M. In the fall of 2022, with the help of our PFO, we added two large sheds to the blacktop to give us more storage for equipment.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the Pupil Achievement State Priority (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System includes assessments for English language arts/literacy [ELA], mathematics, and science for students in the general education population and the California Alternate Assessment [CAA]. Only eligible students may participate in the administration of the CAA. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] or California Next Generation Science Standards [CA NGSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAA for ELA** in grades three through eight and grade eleven.
 2. **Smarter Balanced Summative Assessments and CAA for mathematics** in grades three through eight and grade eleven.
 3. **California Science Test (CAST) and CAA for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).
- **College and Career Ready:** The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Note: To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessments and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAA divided by the total number of students who participated in both assessments.

State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

[Opportunities for Parental Involvement \(School Year 2024 - 2025\)](#)

We have an active Parent-Faculty Organization (PFO), which raises funds through various activities. We encourage you to join by contacting Lindsay Miller at president@rjmepfo.org. Wednesdays are "Where Will We Go? Wednesdays." Students, faculty, and families wear spirit wear, to highlight a favorite college or career. We hold Back-to-School Nights, Open House, and parent/teacher conferences during the year. Volunteer, join School Site Council, or be part of the Multi-Lingual Advisory Council to guide programs for English Learners.

State Priority: School Climate

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan (School Year 2024 - 2025)

Your child's safety is extremely important to us at Robert J. McGarvey. Students are supervised by a staff member from the moment they arrive on campus before school until they leave campus after school. Visitors are required to sign in at the office upon arrival as our school gates and classrooms are locked at all times. The school has a safety committee in place and all stakeholders on campus take part in monthly practice of emergency drills. Our Safety Plan was reviewed with School Site Council and staff in October 2024. "Emergency Guidelines Flipcharts" outlining a plan of action for emergencies such as earthquakes, fires, floods, and chemical spills are available in the school office as well in every classroom. We work closely with the District's Police Services as well as local law enforcement and school staff to provide a safe, secure environment for all students.

Types of Services Funded (Fiscal Year 2023 - 2024)

At Robert J. McGarvey Elementary School, we have a highly qualified staff to assist students with special learning needs. Our Education Specialists provide services to special education students and general education students who need additional support to meet grade level standards. English Learners access the core curriculum in the regular education classroom with additional support from classroom teachers during daily intervention periods and Imagine Learning. Gifted and Talented students participate in accelerated instruction by the classroom teacher and through extended learning projects conducted through our CREST. For more information about the CREST program, please contact Thien Huynh at tthuynh@egusd.net. Student leadership is encouraged at RJMES. Opportunities abound in addition to classroom responsibilities: K-Kids (3rd grade), and Student Leadership (4th-6th).

Professional Development

School wide professional learning for the 24-25 school year is focused in four areas: social emotional learning, culturally responsive teaching strategies, student engagement, and high-quality instructional practices. Every McGarvey teacher participates in Responsive Classroom professional learning. We continue professional development around Common Core State Standards (CCSS) implementation in Language Arts and Mathematics, integrating English Language Development practices into the instructional day, and transforming our teams into professional learning communities. In addition, all our teachers took part in district wide training to learn about and implement the principles of High-Quality Instruction and Restorative Practices.
