California Department of Education
School Accountability Report Card

Reported Using Data from the 2024 - 2025 School Year
Published During 2025 - 2026

For: Miwok Village Elementary

Address: 10070 Lousada Drive, Elk Grove, CA 95757
Phone: 916-831-2098
Principal: Sandra Wiest
Grade Span: K-6

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at http://www.cde.ca.gov/ta/ac/sa/
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at http://www.cde.ca.gov/fg/aa/lc/
- For additional information about the school, parents and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at http://dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners.

California School Dashboard

The California School Dashboard (Dashboard) https://www.caschooldashboard.org/ reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

Admission Requirements for the University of California (UC)

Admission requirements for the UC follow guidelines set forth in the Master Plan, which requires that the top one-eighth of the state's high school graduates, as well as those transfer students who have successfully completed specified college course work, be eligible for admission to the UC. These requirements are designed to ensure that all eligible students are adequately prepared for University-level work. For general admissions requirements, please visit the UC Admissions Information website at https://admission.universityofcalifornia.edu/.

Admission Requirements for the California State University (CSU)

Eligibility for admission to the CSU is determined by three factors: (1) Specific high school courses, (2) Grades in specified courses and test scores, and (3) Graduation from high school. Some campuses have higher standards for particular majors or students who live outside the local campus area. Because of the number of students who apply, a few campuses have higher standards (supplementary admission criteria) for all applicants. Most CSU campuses have local admission guarantee policies for students who graduate or transfer from high schools and colleges that are historically served by a CSU campus in that region. For admission, application, and fee information, see the CSU website at https://www2.calstate.edu.

Please note: Miwok Village Elementary did not open until the 2022-2023 school year, therefore they will not have any 2021-2022 (or earlier) data to show.

School Description and Mission Statement (School Year 2025 - 2026)

MVES Grizzlies - Growing to Greatness!

Since opening in July 2022, Miwok Village Elementary has grown into a thriving community that honors the Indigenous peoples of the Cosumnes River region while celebrating the cultural traditions and diversity of all our students and families.

Our mission is to provide a safe, inclusive, and engaging learning environment where every student can succeed academically, socially, and emotionally. MVES staff are dedicated to fostering a love of learning through rigorous academics, social-emotional learning, and meaningful collaboration with peers and families.

As Grizzlies, we are committed to growing to greatness—ensuring every student is learning in every classroom, in every subject, every day, to become confident, college, career, and life-ready graduates.

Welcome to another incredible year at Miwok Village Elementary, where we achieve excellence together!

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the Basic State Priority (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

School Facility Conditions and Planned Improvements (School Year 2025 - 2026)

Miwok Village Elementary, opened in July 2022, features 40 classrooms, a computer lab, tinker room, library, multipurpose room, and an administration building to support preschool through sixth grade students. Our outdoor spaces include playgrounds for preschool to first grade, a track, amphitheater, covered eating patio, basketball courts, tetherball, and 4-square courts. The campus also includes a fenced bike rack, two pedestrian crosswalks, and staff supervision before and after school. Catalyst offers fee-based afterschool care in a portable within secure fencing. A beautiful nature walking path with indigenous California plants provides a peaceful outdoor learning space for students and staff.

The LEA takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the LEA uses a facility survey instrument developed by the State of California Office of Public School Construction. The results of this survey are available at the district office. Included is information from the facility survey instrument on the condition of the school and the efforts made to ensure that students are provided with a clean, safe, and functional learning environment. Our school received an "Exemplary" status based on the State's definitions for each of the eight categories evaluated, which is the highest rating possible.

The district's Maintenance and Operations Department collaborates with the site custodial team to maintain our school buildings, classrooms, and grounds to exceptional standards, ensuring a safe and functional environment for all students. Emergency repairs are promptly addressed by the custodian or district maintenance staff. Our custodians work together to establish a daily cleaning process and schedule. The site custodian inspects the school grounds before students and staff arrive. Restrooms are regularly checked throughout the day to ensure they are stocked, safe, and sanitary. A summary of these standards is available at the school office or district office.

The State Deferred Maintenance Program (DMP) was established in 1980 to aid districts in major maintenance projects. Beginning with the 2013-2014 fiscal year and the inception of the Local Control Funding Formula (LCFF) the State has intended for Deferred Maintenance needs and expenses to be included in the District's LCFF allotment. The district continues to fund routine projects previously considered as part of the State's former DMP at levels required by the State and continues to use local resources.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the Pupil Achievement State Priority (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System includes assessments for English language arts/literacy [ELA], mathematics, and science for students in the general education population and the California Alternate Assessment [CAA]. Only eligible students may participate in the administration of the CAA. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] or California Next Generation Science Standards [CA NGSS] for students with the most significant cognitive disabilities).

  The CAASPP System encompasses the following assessments and student participation requirements:
  1. **Smarter Balanced Summative Assessments and CAA for ELA** in grades three through eight and grade eleven.
  2. **Smarter Balanced Summative Assessments and CAA for mathematics** in grades three through eight and grade eleven.
  3. **California Science Test (CAST) and CAA for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

- **College and Career Ready**: The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Note: To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessments and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAA divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

Opportunities for Parental Involvement (School Year 2025 - 2026)

There are many ways to get involved in your child's education at MVES. Parents are welcome to volunteer in classrooms, attend field trips, or support from home by helping with tasks like grading papers or prepping art projects. You can also participate in parent conferences, Back to School Night, Open House, ELAC meetings, PTA, School Site Council (SSC), and our growing multi-cultural events. To learn how to volunteer or become fingerprinted, please contact your child's teacher for more information.

State Priority: School Climate
The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan (School Year 2025 - 2026)

Our school is strongly committed to providing a safe and secure learning environment. School rules are enforced by all staff, and our School Safety Plan was reviewed and updated in September 2025. An Emergency Handbook outlining a plan of action for disasters such as earthquakes, fires, floods, and chemical spills is kept in the school office and every classroom. Each classroom has an Emergency Procedures folder for the teacher's use. We schedule routine emergency drills, and random, periodic school safety inspections are conducted by the County of Sacramento. The district's Safety and Security Department is readily available to support the school in any emergency or safety-related need. Supervision of students is provided 10 minutes before and after school hours. We have a closed campus, and all visitors must sign in through the office during school hours.

Types of Services Funded (Fiscal Year 2024 - 2025)

At Miwok Village Elementary, our dedicated and highly qualified staff supports students with special learning needs. English Learners develop language skills and access the core curriculum through daily English Language Development (ELD), along with small group interventions. GATE and accelerated students are engaged and challenged through differentiated instruction. The MVES Learning Center offers specialized instruction to Special Education students based on their individual learning goals. Our Academic Intervention Teachers support students in grades K-6 to ensure progress toward grade-level standards. Students also have the opportunity to participate in a variety of extracurricular activities throughout the school year.

Professional Development

Professional development opportunities are provided by the district, region, and site to support teachers, paraeducators, and non-instructional support staff. Teachers engage in district-led training focused on reading, math, technology, and science to enhance students' conceptual understanding. Special education teachers have numerous opportunities to improve strategies for meeting the needs of students with learning disabilities. New teachers are supported by the district's beginning teacher program, which pairs them with experienced mentors for regular meetings to discuss successes, challenges, and new ideas for their classrooms. Professional Learning Communities (PLCs) meet regularly at each grade level to analyze data, collaborate, and address student needs. In addition, staff receive training to support English Language Learners, students with disabilities, and Positive Behavioral Interventions and Supports (PBIS). Paraeducators, school secretaries, office assistants, and custodians can take classes related to their roles, such as computer skills, workplace efficiency, and ergonomic practices. Support staff also receive training in CPR, first aid, behavior management, safety procedures, and mandated reporting. Additionally, professional learning opportunities are provided to support diversity, equity, and inclusion (DEI) as well as ongoing efforts in social-emotional learning.
