

California Department of Education School Accountability Report Card

Reported Using Data from the 2023 - 2024 School Year
Published During 2024 - 2025

For: Marion Mix Elementary

Address: 4730 Laguna Park Dr, Elk Grove, CA 95758
Principal: John Lyman

Phone: 916-509-8877
Grade Span: K-6

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>
- For additional information about the school, parents and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

Admission Requirements for the University of California (UC)

Admission requirements for the UC follow guidelines set forth in the Master Plan, which requires that the top one-eighth of the state's high school graduates, as well as those transfer students who have successfully completed specified college course work, be eligible for admission to the UC. These requirements are designed to ensure that all eligible students are adequately prepared for University-level work. For general admissions requirements, please visit the UC Admissions Information website at <https://admission.universityofcalifornia.edu/>.

Admission Requirements for the California State University (CSU)

Eligibility for admission to the CSU is determined by three factors: (1) Specific high school courses, (2) Grades in specified courses and test scores, and (3) Graduation from high school. Some campuses have higher standards for particular majors or students who live outside the local campus area. Because of the number of students who apply, a few campuses have higher standards (supplementary admission criteria) for all applicants. Most CSU campuses have local admission guarantee policies for students who graduate or transfer from high schools and colleges that are historically served by a CSU campus in that region. For admission, application, and fee information, see the CSU website at <https://www2.calstate.edu>.

School Description and Mission Statement (School Year 2024 - 2025)

Marion Mix Elementary will Empower Our School Community to: Know Their Impact, Embrace Continuous Growth, and Prepare for the 21st Century.

The entire staff of Marion Mix Elementary is dedicated to accomplishing the school vision by:

*Helping students, families and staff develop a clear understanding of their individual and collective IMPACT by explicitly teaching and practicing high levels of reflective thinking and problem solving.

*Working collaboratively to identify challenges, develop solutions, and refine practices to better meet the needs of ALL students.

*Providing high-quality first instruction that incorporates ongoing assessment of student learning that is frequent, accurate, specific and timely to move students towards academic proficiency and beyond.

*Promoting 21st Century thinking, learning, collaboration, and problem solving by making all learning relevant and aligned to College, Career, and Citizenship readiness.

To meet the needs of all our students, we provide a range of activities that occur before, during, and after school and through daily instruction and WIN (What I Need) time. These include CREST, Robotics, VAPA, Choir, tutoring, sports, NEHS, student leadership, yearbook design and enrichment activities.

Marion Mix is committed to guaranteeing a safe and positive learning environment while challenging all students to realize their greatest potential. We are a PBIS school, and we expect and reward our students when they are Motivated, Accountable, Vigilant and Supportive.

In partnership with our Parent Teacher Organization, we offer numerous opportunities throughout the year for our families to connect with our school. These events include Back to School Night, Family Picnic Lunch Days, Family STEM Nights, Family Craft Nights, Family Movie Nights, Kids & Cocoa, Glow Dance and Open House.

The staff at Marion Mix is dedicated to providing a supportive and nurturing learning environment while ensuring students are able to achieve academic success at high levels.

John Lyman, Principal Marion Mix Elementary

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the Basic State Priority (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

School Facility Conditions and Planned Improvements (School Year 2024 - 2025)

Marion Mix has a main building containing 27 classrooms, library, computer lab, and an administrative office. Additionally, a separate Kindergarten building contains a teacher workroom and three classrooms as well as a freestanding Multipurpose Room. Also located on our site, is a designated area for Champions that provides before and after school care for the convenience of our families. The main campus was completed in the spring of 2015 and opened its doors to students on August 13, 2015. Mix is equipped with current technology, and energy efficiency as a priority. During the 2017-2018 school year, SMUD also provided shade trees for our field. Marion Mix has been recognized through SMUD for our sustainability.

The LEA takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the LEA uses a facility survey instrument developed by the State of California Office of Public School Construction. The results of this survey are available at the district office. Included is information from the facility survey instrument on the condition of the school and the efforts made to ensure that students are provided with a clean, safe, and functional learning environment. Our school received an "Exemplary" status based on the State's definitions for each of the eight categories evaluated, which is the highest rating possible.

The district ensures that all schools are clean, safe, and functional. A facility survey instrument developed by the State of California Office of Public School Construction is utilized. The lead custodian, along with a site administrator, conducts a thorough inspection of the school grounds utilizing this survey instrument. The custodial team provides supervision and maintenance from 6:30 am - 10:00 pm. The school facilities are thoroughly cleaned, the classrooms are inspected, the playground is maintained, and the restrooms are checked hourly. District maintenance staff ensure that repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service. Emergency repairs are given highest priority.

The State Deferred Maintenance Program (DMP) was established in 1980 to aid districts in major maintenance projects. Beginning with the 2013-2014 fiscal year and the inception of the Local Control Funding Formula (LCFF) the State has intended for Deferred Maintenance needs and expenses to be included in the District's LCFF allotment. The district continues to fund routine projects previously considered as part of the State's former DMP at levels required by the State and continues to use local resources.

There are no corrective actions necessary at this time.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the Pupil Achievement State Priority (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System includes assessments for English language arts/literacy [ELA], mathematics, and science for students in the general education population and the California Alternate Assessment [CAA]. Only eligible students may participate in the administration of the CAA. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] or California Next Generation Science Standards [CA NGSS] for students with the most significant cognitive disabilities).
- The CAASPP System encompasses the following assessments and student participation requirements:
 1. **Smarter Balanced Summative Assessments and CAA for ELA** in grades three through eight and grade eleven.
 2. **Smarter Balanced Summative Assessments and CAA for mathematics** in grades three through eight and grade eleven.
 3. **California Science Test (CAST) and CAA for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).
- **College and Career Ready:** The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessments and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAA divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

[Opportunities for Parental Involvement \(School Year 2024 - 2025\)](#)

Parent involvement is an integral part to our success at Marion Mix. Parents and community members are encouraged to volunteer in classrooms, chaperone field trips, help in the front office and attend monthly meetings provided by the principal. Our committed PTO collaborates with our families to serve and support our community priorities. School Site Council, ELAC and advisory committees are other opportunities to become involved in the site's decision making. Please contact Mr. Lyman, Principal, at 916.509.8877 for more information.

State Priority: School Climate

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan (School Year 2024 - 2025)

At Mix, we believe that nothing should impede the academic achievement of our students, and our district is committed to providing a safe and secure environment for learning. Our safety handbook outlines procedures for emergencies such as earthquakes, fires, lock down situations and floods for prompt and effective response. School wide drills for these protocols are practiced regularly. The District's Police Services collaborates with our site in maintaining safety at our school and throughout our community. A review of our school safety plan is conducted yearly in October 2023 and approved by our School Site Council. We provide staff supervision before and after school, and all visitors are required to sign-in at the front office and wear badges while on campus. During school hours, all gates are kept locked to limit accessibility.

Types of Services Funded (Fiscal Year 2023 - 2024)

At Marion Mix, we have highly qualified staff to assist students with special learning needs. Our Learning Center provides services for special education students. We also have two ABSS Academic, Behavior, and Social Supports self-contained classes. All English Language Learners participate in direct English instruction through our designated ELD time. The needs of Gifted and Talented students are met within the classroom by providing enrichment experiences and/or after school in various ways. Our CREST (Capital Region Engineering Science Technology) and Robotics programs meet after school weekly to encourage students to learn more about engineering and robotics. In addition, we have expanded our VAPA opportunities with a performing choir, band, yearbook design and art club. We also provide various sports opportunities such as Basketball, Volleyball and Running for Rhett.

Professional Development

Our school and District offer a variety of professional learning opportunities for all staff. Currently, our school is focusing on the implementation of research-based, high quality instructional practices through Visible Learning strategies. The staff has also been trained on Project Lead the Way which is a project-based science curriculum, which is being implemented to best support our emphasis on STEM instruction. We continue with our implementation of Professional Learning Communities, in which our teachers focus on collaboration and student learning. Our staff is also committed to learning strategies to support Social Emotional Learning as well as Culturally Responsive Teaching practices. Our 5th and 6th grade teachers are trained in AVID and are implementing AVID strategies in their classes. Teachers who have been teaching fewer than two years are supported by the district's Beginning Teacher Program. They meet weekly with an experienced mentor to work on specific strategies to meet the needs of all students in their classrooms.
