

## California Department of Education School Accountability Report Card

Reported Using Data from the 2023 - 2024 School Year  
Published During 2024 - 2025

### For: Pleasant Grove Elementary

**Address:** 10160 Pleasant Grove School Rd, Elk Grove, CA 95624  
**Principal:** Deidra Wood

**Phone:** 916-685-9630  
**Grade Span:** K-6

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>
- For additional information about the school, parents and community members should contact the school principal or the district office.

### DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

### California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

### Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

### Admission Requirements for the University of California (UC)

Admission requirements for the UC follow guidelines set forth in the Master Plan, which requires that the top one-eighth of the state's high school graduates, as well as those transfer students who have successfully completed specified college course work, be eligible for admission to the UC. These requirements are designed to ensure that all eligible students are adequately prepared for University-level work. For general admissions requirements, please visit the UC Admissions Information website at <https://admission.universityofcalifornia.edu/>.

### Admission Requirements for the California State University (CSU)

Eligibility for admission to the CSU is determined by three factors: (1) Specific high school courses, (2) Grades in specified courses and test scores, and (3) Graduation from high school. Some campuses have higher standards for particular majors or students who live outside the local campus area. Because of the number of students who apply, a few campuses have higher standards (supplementary admission criteria) for all applicants. Most CSU campuses have local admission guarantee policies for students who graduate or transfer from high schools and colleges that are historically served by a CSU campus in that region. For admission, application, and fee information, see the CSU website at <https://www2.calstate.edu>.

### School Description and Mission Statement (School Year 2024 - 2025)

Pleasant Grove Elementary  
A Community of Lifelong Learners!

Dear Families,

Pleasant Grove Elementary truly provides a unique and wonderful educational experience for children, from the safety of the campus, to the warmth of the learning environment, to the rigor of the instructional programs. All aspects of the school contribute to providing students with the skills they need to be successful learners.

Our district's mission is to provide a learning community that challenges ALL students to realize their greatest potential.

Our mission at Pleasant Grove Elementary is to provide a nurturing environment of academic excellence where all students value service to others, are critical thinkers, and are strong advocates for their own learning.

Family support and involvement are important to the continued success at Pleasant Grove Elementary. This support is given, recognized, and appreciated in many different ways. Some families help plan the programs and policies, while others serve as classroom and library volunteers, plan family activities, or work as art docents. Families also support student success by providing space, time, and encouragement for daily homework, and by sending a clear message that education and regular school attendance are important.

The safety of our students is the school's first priority and the discipline policy is strictly enforced. We emphasize cooperation and responsible, respectful behavior. We have a locked campus and all adults visiting campus are required to check in through the school office. The atmosphere of the school makes our students feel comfortable and safe.

Deidra Wood, Principal  
Pleasant Grove Elementary

## A. Conditions of Learning

### State Priority: Basic

The SARC provides the following information relevant to the Basic State Priority (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

#### Teacher Preparation and Placement (School Year 2020 - 2021)

### School Facility Conditions and Planned Improvements (School Year 2024 - 2025)

Pleasant Grove Elementary School has 20 classrooms, a multipurpose room, a library, and an administration building. The original main campus at this site was originally built in 1951 and retrofitted in 1993. However, the campus went through modernization July 2020-January 2023, during which many buildings were torn down and new buildings were completed in their place. There is a large playground and field area with a track that affords students ample space for recesses and PE activities. There is wireless technology in place so that the teachers and students have full access to technology. There are Interactive Boards in every classroom.

The LEA takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the LEA uses a facility survey instrument developed by the State of California Office of Public School Construction. The results of this survey are available at the district office. Included is information from the facility survey instrument on the condition of the school and the efforts made to ensure that students are provided with a clean, safe, and functional learning environment. Our school received an "Exemplary" status based on the State's definitions for each of the eight categories evaluated, which is the highest rating possible.

The district's maintenance and grounds departments work with the site custodial team to ensure school buildings, classrooms, and grounds are maintained at exceptional levels to provide a safe functional environment for all students. The district's electronic work order system enables sites to communicate maintenance needs. Emergency repair needs are immediately resolved by the school custodian or district maintenance. The custodians work as a team to develop a daily cleaning process and schedule. Each morning the custodian inspects the school prior to students and staff entering school grounds. Restrooms are inspected throughout the day to ensure that they are adequately stocked, safe, and sanitary. The Board of Education has adopted cleaning standards for all schools in the district.

The State Deferred Maintenance Program (DMP) was established in 1980 to aid districts in major maintenance projects. Beginning with the 2013-2014 fiscal year and the inception of the Local Control Funding Formula (LCFF) the State has intended for Deferred Maintenance needs and expenses to be included in the District's LCFF allotment. The district continues to fund routine projects previously considered as part of the State's former DMP at levels required by the State and continues to use local resources.

Pleasant Grove Elementary went through modernization July 2020-January 2023. The multi-purpose room will be modernized in the near future.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the Pupil Achievement State Priority (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System includes assessments for English language arts/literacy [ELA], mathematics, and science for students in the general education population and the California Alternate Assessment [CAA]. Only eligible students may participate in the administration of the CAA. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] or California Next Generation Science Standards [CA NGSS] for students with the most significant cognitive disabilities).
- The CAASPP System encompasses the following assessments and student participation requirements:
  1. **Smarter Balanced Summative Assessments and CAA for ELA** in grades three through eight and grade eleven.
  2. **Smarter Balanced Summative Assessments and CAA for mathematics** in grades three through eight and grade eleven.
  3. **California Science Test (CAST) and CAA for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).
- **College and Career Ready:** The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Note: To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessments and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAA divided by the total number of students who participated in both assessments.

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

### [Opportunities for Parental Involvement \(School Year 2024 - 2025\)](#)

There are a number of ways to become involved with your child's education. Our school has an active and generous PTA. We have Back to School Night in the fall, Open House in the spring, and parent conferences twice during the year. Parents may also become involved by participating in school functions, volunteering in your child's classroom, and by joining the PTA or School Site Council. For more information on parent involvement opportunities, you may contact your child's classroom teacher or our principal, Mrs. Wood, at 685-9630.

**State Priority: School Climate**

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

### [School Safety Plan \(School Year 2024 - 2025\)](#)

Your child's safety is important to us at Pleasant Grove Elementary. Our staff reviewed and updated our School Safety Plan in October 2024. An Emergency Handbook, outlining a plan of action for emergencies such as earthquakes, fires, floods, and chemical spills, is kept in every classroom, office, and our main school office. Random, periodic school safety inspections are conducted by the County of Sacramento. The district's Safety & Security Department works closely with our school site to provide a safe, secure environment for all students. We are a locked campus and visitors sign in and out through the main office. Students have supervision before school beginning at 7:50 for those who eat breakfast at school and at 8:05 for those dropped off when the gate opens. Students are supervised after school at dismissal until they are picked up by a parent or guardian.

### Types of Services Funded (Fiscal Year 2023 - 2024)

At our school we have highly qualified staff to assist students with special learning needs. Our Learning Center services special education students who need additional support to meet the standards. English Language Development instruction through our ELA curriculum program and academic tutors help our English Learners access the core curriculum. Gifted and Talented students are exposed to a high interest, after school class with hands on activities. Students who need extra tutoring or homework help can participate in a before or after school tutoring program with our teaching staff.

## Teacher and Administrative Salaries (Fiscal Year 2022 - 2023)

## Professional Development

Our school and district offer a variety of professional learning opportunities for teachers, instructional aides, and support staff. As a site, we are currently focusing on development of Professional Learning Communities (PLCs) with a focus on Common Core State Standards in ELA and Math. Our focus is on Engagement Strategies, Collaborative Conversations, and using technology to support ELA and Math standards. In addition, we provide opportunities for our students to familiarize themselves with taking assessments via the computer since this is how they will be assessed on State Assessments again this year. During on-going grade level meetings and Early-Out Thursdays, teachers meet and review student work, make determinations about students' strengths and weaknesses, and plan subsequent instruction to meet students' needs. The on-going collaboration between teachers and grade levels has been a strength for our site and academic program.
