**School Accountability Report Card**  
**Reported Using Data from the 2020 - 2021 School Year**  
Published During 2021 - 2022

**For: Pleasant Grove High School**

**Address:** 9531 Bond Rd, Elk Grove, CA 95624  
**Principal:** Taigan Keplinger

**Phone:** 916-686-0230  
**Grade Span:** 9-12

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>
- For additional information about the school, parents and community members should contact the school principal or the district office.

**DataQuest**

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

**California School Dashboard**

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

**Internet Access**

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

### School Description and Mission Statement (School Year 2021 - 2022)

As a California Distinguished School, Pleasant Grove High School offers a unique and wonderful educational experience for students - including the relationships we build with students and families, the safety of our campus, the importance of a respectful learning environment, the rigor and breadth of the instructional programs, and the support provided to our diverse learners. Our goal is to ensure that all policies, practices and procedures are Implemented through a lens of educational equity. Furthermore, PGHS strives to achieve our vision: a learning community where all are safe, supported and encouraged to grow.

All aspects of PGHS support the EGUSD mission and contribute to providing students with the academic and life skills needed to be lifelong learners who are prepared to succeed in college, career, and life. Our success in implementing our district's mission can be evidenced through our school's special strengths, including: Academic courses ranging from a full continuum of special education and intervention classes to Honors and Advanced Placement courses. Our goal is to educate and support all students based on the whole-child approach by addressing their academic and emotional needs.

Family and community engagement continue to be an important aspect of the success of Pleasant Grove High School. A monthly parent newsletter is distributed to keep our families connected to PGHS activities and events. Additionally, parent involvement is vital to the success of our athletic teams, booster clubs, school clubs, PTSO, ELAC (English Learner Advisory Committee) and committees including Eagle Alliance (PBIS), Safety and Security, Advocacy, and many others. Families are invited to attend on-campus events including Coffee with the Principal, Take Your Parents to School Day, Parent Lunch Days, the Multicultural Assembly and Family Night, and Parent Workshop opportunities. Our community partnerships support our academies, athletic teams, band, theater, robotics and many other extra-curricular activities.

Because student safety is our top priority, PGHS behavior expectations are clearly communicated and strictly enforced-Be Safe, Be Respectful, Be Responsible, Be Your Best.

## A. Conditions of Learning

### State Priority: Basic

The SARC provides the following information relevant to the Basic State Priority (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

#### Teacher Preparation and Placement (School Year 2019 - 2020)

Authorization/Assignment	School Number	School Percent	District Number	District Percent	State Number	State Percent

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned to based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

#### Teachers Without Credentials and Misassignments (considered "ineffective" under ESSA) (School Year 2019 - 2020)

### School Facility Conditions and Planned Improvements (School Year 2021 - 2022)

Pleasant Grove High School was opened in the fall of 2005 with 13 pods containing 87 classrooms, 5 computer labs, administrative and student services offices, two gyms, and a multi-purpose room. The library serves both the Pleasant Grove High School and Katherine Albiani Middle School campus. In 2007, five portables were added to the southeast corner of campus to accommodate student growth. The Ag Center was completed in August 2011 and a greenhouse was added and completed in June 2014. In summer of 2017, three classrooms were transformed to meet the needs of the DMA and IDEA Academies. The PGTV studio was also transformed into a state of the art studio. In fall of 2017, a synthetic turf football field and track were completed. In 2018-2019, a new BioMedical portable was installed to accommodate the BioMedical academy courses. Our first BMA classes were held in the state-of-art portables in the fall of 2019. ADA upgrades were completed during fall 2018 in the staff and visitor parking lots, main campus pathway, and HM building student restrooms. Security cameras are currently being installed throughout the interior of the campus as well as in our student and staff parking lots and are due to be completed by the beginning of 2022.

The LEA takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the LEA uses a facility survey instrument developed by the State of California Office of Public School Construction. The results of this survey are available at the district office. Included is information from the facility survey instrument on the condition of the school and the efforts made to ensure that students are provided with a clean, safe, and functional learning environment. Our school received an "Exemplary" status based on the State's definitions for each of the eight categories evaluated, which is the highest rating possible.

The district takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the district uses a facility survey instrument developed by the State of California Office of Public School Construction. Pleasant Grove High School conducts monthly inspections and submits a status report that is reviewed and signed by the school principal. The completed copy of the Secondary School Site Monthly Checklist is filed in the Injury & Illness Prevention Program binders located in both the main and custodial offices. The completed form is also sent to Risk Management for review and, if needed, maintenance is scheduled to assure that a clean, safe and functional learning environment exists for our students. District maintenance staff responds to school initiated requests to ensure that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service that emergency repairs are given the highest priority.

The State Deferred Maintenance Program (DMP) was established in 1980 to aid districts in major maintenance projects. Beginning with the 2013-2014 fiscal year and the inception of the Local Control Funding Formula (LCFF) the State has intended for Deferred Maintenance needs and expenses to be included in the District's LCFF allotment. The district continues to fund routine projects previously considered as part of the State's former DMP at levels required by the State and continues to use local resources.

Not applicable for the 2021-2022 school year.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the Pupil Achievement State Priority (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

- **SARC Reporting in the 2020 - 2021 School Year Only**

Where the most viable option, LEAs were required to administer the statewide summative assessments for ELA and mathematics. Where a statewide summative assessment was not the most viable option for the LEA (or for one or more grade-level[s] within the LEA) due to the pandemic, LEAs were allowed to report results from a different assessment that met the criteria established by the State Board of Education (SBE) on March 16, 2021. The assessments were required to be:

- Aligned with CA CCSS for ELA and mathematics;
- Available to students in grades 3 through 8, and grade 11; and
- Uniformly administered across a grade, grade span, school, or district to all eligible students.

- **Options:** Note that the CAAs could only be administered in-person following health and safety requirements. If it was not viable for the LEA to administer the CAAs in person with health and safety guidelines in place, the LEA was directed to not administer the tests. There were no other assessment options available for the CAAs. Schools administered the Smarter Balanced Summative Assessments for ELA and mathematics, other assessments that meet the SBE criteria, or a combination of both, and they could only choose one of the following:

- Smarter Balanced ELA and mathematics summative assessments;
- Other assessments meeting the SBE criteria; or
- Combination of Smarter Balanced ELA and mathematics summative assessments and other assessments.

- **College and Career Ready:** The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

### CAASPP Test Results in English Language Arts/Literacy (ELA) and Mathematics for All Students Grades Three through Eight and Grade Eleven taking and completing a state-administered assessment Percentage of Students Meeting or Exceeding the State Standards

Mathematics (grades 3-8 and 11)	N/A	N/A	N/A	N/A	N/A	N/A

Note: The 2019-2020 data cells with N/A values indicate that the 2019-2020 data are not available due to the COVID-19 pandemic and resulting summative test suspension. The Executive Order N-30-20 was issued which waived the assessment, accountability, and reporting requirements for the 2019-2020 school year.

Note: The 2020-2021 data cells have N/A values because these data are not comparable to other year data due to the COVID-19 pandemic during the 2020-2021 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020-2021 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020-2021 school year to other school years.

[Career Technical Education Programs \(School Year 2021 - 2022\)](#)

Career Technical Education (CTE) provides opportunities for PGHS students to prepare for college, career and life. CTE offers a Linked Learning approach that integrates rigorous academics, technical skills, relevant real-world experiences, work-based learning opportunities, and wrap-around support to help students develop the 21st-century skills and habits of mind they will need to succeed after graduation. Guidance and career counselors offer support focused on achieving the outcomes described in the EGUSD Graduate Profile. PGHS offers the following CTE programs that promote leadership, develop job-related skills, offer work-based learning opportunities, and increase interest in school: California Partnership Academies (CPA), High Quality Career Pathways (HQCP), and Explore CTE Programs. CPAs feature cohort scheduling in CTE and academic core classes, integrated projects, and work-based learning opportunities. HQCPs provide a two-to-three year sequence of CTE courses within a career pathway. Pathway programs offer work-based learning opportunities and industry-recognized certification when available. Explore CTE programs, open to students across the district, allow students to complete an intensive training course in one year or less, take courses leading to industry certification, or experience internships. All CTE programs have an advisory committee that includes industry representatives for guidance and input. CTE programs at PGHS also allow students to meet graduation requirements and complete A-G requirements through courses that incorporate state-adopted academic standards. In 2019-20, PGHS offered 4 CTE programs. The Innovative Design and Engineering Academy offers hands-on instruction in architectural, mechanical and green engineering. Project Lead the Way Biotechnology offers instruction and career experiences in the medical health field. The Digital Media Academy offers students the opportunity to get hands-on experience in areas of broadcast journalism, multimedia and video production. Agriculture provides animal science and ag science strands and participation in Future Farmers of America. Individual student assessment of work readiness skills in CTE programs takes place through end-of-course exams, projects, portfolios and defense of learning, industry certifications, and other means. Our CTE programs are evaluated through multiple measures, including the number of students completing a CTE pathway, graduation rates, A-G completion rates, GPA, and attendance. Our CTE teams complete a rigorous self-reflection process, followed by district certification. The district collects data regarding continued education and employment from students one year after graduation as part of the Carl D. Perkins reporting process.

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

#### [Opportunities for Parental Involvement \(School Year 2021 - 2022\)](#)

Our school has an active PTSO, many athletic booster clubs, and various site committees encompassing parents, students, and staff members. Our School Site Council assists the principal with important governance decisions. Vice Principal Chris Rauschenfels (crausche@egusd.net) is our parent coordinator. Parents are always welcome to volunteer at our site. PGHS also hosts Coffee with the Principal three times annually, Take Your Parents to School Day in the spring and multiple Parent Lunch Days.

## State Priority: Pupil Engagement

The SARC provides the following information relevant to the Pupil Engagement State Priority (Priority 5):

- High school dropout rates
- High school graduation rates
- Chronic Absenteeism

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to other year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to other school years.

**School Safety Plan (School Year 2021 - 2022)**

Your child's safety is our number one priority at Pleasant Grove High School. Our staff reviewed our School Safety Plan in February 2021 and it is posted on our website (pghs.net). The "Emergency Procedures", "Hazardous Materials", and "Comprehensive Safe School Plan" handbooks outline a plan of action for events such as earthquakes, fires, floods, and chemical spills. We hold fire, lockdown and earthquake drills every school year. The district's Police Services Department works closely with our school site to provide a safe, secure environment for all students. Security staff and administration also monitor before school and all after school events including, but not limited to, theater productions, games and dances. Visitors are required to check in the front office. PGHS follows all CDPH Covid-19 guidelines at school and activities.

Pleasant Grove High School offers the full continuum of academic courses from special education and intervention classes to Honors and AP courses. Additionally, PGHS has thriving Theater, Music, and Dance programs where students are encouraged to participate in extra-curricular performances. PGHS has four thriving CTE Pathways: IDEA, DMA, Ag Science, and Bio Medical. Beginning in ninth grades, students are guided through the process of exploring their career and college interests and skills through the newly adopted CCGI, California College Guidance Initiative. Counselors meet with all ninth grades students and assist them in creating an account using this online platform. Additionally, they meet with students on their caseload on an ongoing basis and assist them with their four-year graduation plan, ensuring that each student has all the required courses scheduled in order to graduate on time in addition to meeting post-secondary entrance requirements.

Professional Development

Ongoing professional learning is a priority for the PGHS faculty and staff as we focus on equitable educational outcomes for every student through ongoing and purposeful training in the following areas; Culturally and Linguistically Responsive Strategies, Restorative Practices, Arbinger Outward Mindset training, Interrupting Bias and Hate Speech, Illuminate Education, an online platform that allows for the creation of assessments and also helps educators make data-driven instructional decisions; unique needs of English Learners; and use of technology to analyze student achievement data and remain connected with families. Our professional development goals this year continue to focus on Equity and maintaining a welcoming environment for ALL students. In addition to the culturally and linguistically responsive practices, our staff is focused on supporting our students' wellness. Training includes QPR, Mental Health First Aid, and LGBTQ+ Cultural Humility. PGHS staff members continue to connect with their students and their families through porch visits and Bridge Home visits.

## Addendum

On July 14, 2021, the California State Board of Education (SBE) determined that the California Department of Education (CDE) will use the SARC Web Application as the mechanism to conduct a one-time data collection of the LEA-level aggregate test results of all school's local assessments administered during the 2020-2021 school year in order to meet the federal Every Student Succeeds Act (ESSA) reporting requirement for the Local Educational Agency Accountability Report Cards (LARCs).

Each local educational agency (LEA) is responsible for preparing and posting their annual LARC in accordance with the federal ESSA. As a courtesy, the CDE prepares and posts the LARCs on behalf of all LEAs.

Only for the 2020-2021 school year and the 2020-2021 LARCs, LEAs are required to report their aggregate local assessments test results at the LEA-level to the CDE by populating the tables below via the SARC Web Application. These data will be used to meet the LEAs' federal requirement for their LARCs. Note that it is the responsibility of the school and LEA to ensure that all student privacy and suppression rules are in place when reporting data in Tables 3 and 4 in the Addendum, as applicable.

The tables below are not part of the SBE approved 2020-2021 SARC template but rather are the mechanism by which these required data will be collected from LEAs.

For purposes of the LARC and the following tables, an LEA is defined as a school district, a county office of education, or a direct funded charter school.
