

## California Department of Education School Accountability Report Card

Reported Using Data from the 2023 - 2024 School Year  
Published During 2024 - 2025

### For: Pleasant Grove High School

**Address:** 9531 Bond Rd, Elk Grove, CA 95624  
**Principal:** Allen Dosty Jr

**Phone:** 916-686-0230  
**Grade Span:** 9-12

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>
- For additional information about the school, parents and community members should contact the school principal or the district office.

### DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

### California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

### Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

### Admission Requirements for the University of California (UC)

Admission requirements for the UC follow guidelines set forth in the Master Plan, which requires that the top one-eighth of the state's high school graduates, as well as those transfer students who have successfully completed specified college course work, be eligible for admission to the UC. These requirements are designed to ensure that all eligible students are adequately prepared for University-level work. For general admissions requirements, please visit the UC Admissions Information website at <https://admission.universityofcalifornia.edu/>.

### Admission Requirements for the California State University (CSU)

Eligibility for admission to the CSU is determined by three factors: (1) Specific high school courses, (2) Grades in specified courses and test scores, and (3) Graduation from high school. Some campuses have higher standards for particular majors or students who live outside the local campus area. Because of the number of students who apply, a few campuses have higher standards (supplementary admission criteria) for all applicants. Most CSU campuses have local admission guarantee policies for students who graduate or transfer from high schools and colleges that are historically served by a CSU campus in that region. For admission, application, and fee information, see the CSU website at <https://www2.calstate.edu>.

### School Description and Mission Statement (School Year 2024 - 2025)

As a California Distinguished School, Pleasant Grove High School offers a unique and wonderful educational experience for students - including the relationships we build with students and families, the safety of our campus, the importance of a respectful learning environment, the rigor and breadth of the instructional programs, and the support provided to our diverse learners. Our goal is to ensure that all policies, practices and procedures are Implemented through a lens of educational equity. Furthermore, PGHS strives to achieve our vision: a learning community where all are safe, supported and encouraged to grow.

All aspects of PGHS support the EGUSD mission and contribute to providing students with the academic and life skills needed to be lifelong learners who are prepared to succeed in college, career, and life. Our success in implementing our district's mission is evident in our school's special strengths, including: Academic courses ranging from a full continuum of special education and intervention classes to Honors and Advanced Placement courses. Our goal is to educate and support all students based on the whole-child approach by addressing their academic and emotional needs.

Family and community engagement continue to be an important aspect of the success of Pleasant Grove High School. A monthly parent newsletter is distributed to keep our families connected to PGHS activities and events. Additionally, parent involvement is vital to the success of our athletic teams, booster clubs, school clubs, PTSO, ELAC (English Learner Advisory Committee) and committees including Eagle Alliance (PBIS), Safety and Security, Advocacy, Equity and many others. Families are invited to attend on-campus events including Coffee with the Principal, Open House, Parent Lunch Days, the Multicultural Assembly and Family Night, and Parent Workshop opportunities. Our community partnerships support our academies, athletic teams, band, theater, robotics and many other extra-curricular activities.

Because student safety is our top priority, PGHS behavior expectations are clearly communicated and strictly enforced-Be Safe, Be Respectful, Be Responsible, Be Your Best.

## School Facility Conditions and Planned Improvements (School Year 2024 - 2025)

PGHS was opened in the fall of 2005 with 13 pods containing 87 classrooms, 5 computer labs, administrative and student services offices, two gyms, and a multi-purpose room. In 2007, five portables were added to the southeast corner of campus to accommodate student growth. The Ag Center was completed in August 2011 and a greenhouse was added and completed in June 2014. In summer of 2017, three classrooms were transformed to meet the needs of the DMA and IDEA Academies. In fall of 2017, a turf field and track were completed followed by a new BioMedical portable to accommodate the BioMedical CTE courses. Security cameras were installed throughout the interior of the campus as well as in our parking lots last school year to assist with the safety and security on campus.

The LEA takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the LEA uses a facility survey instrument developed by the State of California Office of Public School Construction. The results of this survey are available at the district office. Included is information from the facility survey instrument on the condition of the school and the efforts made to ensure that students are provided with a clean, safe, and functional learning environment. Our school received an "Exemplary" status based on the State's definitions for each of the eight categories evaluated, which is the highest rating possible.

The district takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the district uses a facility survey instrument developed by the State of California Office of Public School Construction. Pleasant Grove High School conducts monthly inspections and submits a status report that is reviewed and signed by the school principal. Site and district Maintenance staff work collaborately to ensure that all PGHS facilities are clean and well-maintained for our staff and students. District maintenance staff promptly responds to school initiated work orders to ensure that the repairs necessary to keep the school in good repair and working order are completed in a timely and efficient manner.

The State Deferred Maintenance Program (DMP) was established in 1980 to aid districts in major maintenance projects. Beginning with the 2013-2014 fiscal year and the inception of the Local Control Funding Formula (LCFF) the State has intended for Deferred Maintenance needs and expenses to be included in the District's LCFF allotment. The district continues to fund routine projects previously considered as part of the State's former DMP at levels required by the State and continues to use local resources.

During the fall of 2023, PGHS welcomed new field lights constructed around the perimeter of our soccer/football field as well as a permanent shade structure located at the top of our quad. Students enjoy the protection from the sun, rain and wind that the shade structure provides. The field lights were constructed in time for our winter men's and women's soccer season. Players, coaches and fan appreciate the games starting a little later in the afternoon as a result of the field lights.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the Pupil Achievement State Priority (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System includes assessments for English language arts/literacy [ELA], mathematics, and science for students in the general education population and the California Alternate Assessment [CAA]. Only eligible students may participate in the administration of the CAA. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] or California Next Generation Science Standards [CA NGSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAA for ELA** in grades three through eight and grade eleven.
  2. **Smarter Balanced Summative Assessments and CAA for mathematics** in grades three through eight and grade eleven.
  3. **California Science Test (CAST) and CAA for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).
- **College and Career Ready:** The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

### CAASPP Test Results in English Language Arts/Literacy (ELA) and Mathematics for All Students Grades Three through Eight and Grade Eleven taking and completing state-administered assessments Percentage of Students Meeting or Exceeding the State Standards

Note: To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessments and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAA divided by the total number of students who participated in both assessments.

### Career Technical Education (CTE) Programs (School Year 2023 - 2024)

Career Technical Education (CTE) provides opportunities for PGHS students to prepare for college, career and life. CTE offers a Linked Learning approach that integrates rigorous academics, technical skills, relevant real-world experiences, work-based learning opportunities, and wrap-around support to help students develop the 21st-century skills and habits of mind they will need to succeed after graduation. Guidance and career counselors offer support focused on achieving the outcomes described in the EGUSD Graduate Profile. PGHS offers the following CTE programs that promote leadership, develop job-related skills, offer work-based learning opportunities, and increase interest in school: California Partnership Academies (CPA), High Quality Career Pathways (HQCP), and Explore CTE Programs. CPAs feature cohort scheduling in CTE and academic core classes, integrated projects, and work-based learning opportunities. HQCPs provide a two-to-three year sequence of CTE courses within a career pathway. Pathway programs offer work-based learning opportunities and industry-recognized certification when available. Explore CTE programs, open to students across the district, allow students to complete an intensive training course in one year or less, take courses leading to industry certification, or experience internships. All CTE programs have an advisory committee that includes industry representatives for guidance and input. CTE programs at PGHS also allow students to meet graduation requirements and complete A-G requirements through courses that incorporate state-adopted academic standards. PGHS currently offers 4 CTE programs: The Innovative Design and Engineering Academy offers hands-on instruction in architectural, mechanical and green engineering. Project Lead the Way Biotechnology offers instruction and career experiences in the medical health field. The Digital Media Academy offers students the opportunity to get hands-on experience in areas of broadcast journalism, multimedia and video production. Agriculture provides animal science and ag science strands and participation in Future Farmers of America. Individual student assessment of work readiness skills in CTE programs takes place through end-of-course exams, projects, portfolios and defense of learning, industry certifications, and other means.

### Career Technical Education Participation (School Year 2023 - 2024)

Measure	CTE Program Participation
Number of pupils participating in CTE	1355

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

### Opportunities for Parental Involvement (School Year 2024 - 2025)

Our school has an active PTSO, athletic booster clubs, and various site committees encompassing parents, students, and staff members. Our School Site Council assists the principal with important governance decisions. Parents are welcome to volunteer at our site. PGHS hosts a regional Open House in the spring providing families with opportunities to learn about our specialized programs, academies, elective and AP courses as well as watch VAPA performances and learn about the wide array of courses offered. Parent Lunch days are offered monthly.

## State Priority: Pupil Engagement

The SARC provides the following information relevant to the Pupil Engagement State Priority (Priority 5):

- High school dropout rates
- High school graduation rates
- Chronic Absenteeism

## School Safety Plan (School Year 2024 - 2025)

Your child's safety is our number one priority at Pleasant Grove High School. Our School Safety Committee and staff review our School Safety Plan annually. It was last updated in September 2024, and it is posted on our website (pghs.net). The "Emergency Procedures", "Hazardous Materials", and "Comprehensive Safe School Plan" handbooks outline a plan of action for events such as earthquakes, fires, floods, and chemical spills. We hold multiple fire, lockdown, and earthquake drills every school year. The district's Police Services Department works closely with our school site to provide a safe, secure environment for all students.

## D. Other SARC Information

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

PGHS offers the full continuum of academic courses from special education and intervention classes to Honors and AP courses. PGHS Special Education Department offers Levels 1, 2, and 4 classes, Pathways, and ABSS programs as well as RSP math, English, and MSAT course. Additionally, PGHS has thriving Theater, Music, and Dance programs where students are encouraged to participate in extra-curricular performances. PGHS is proud of our AVID program which encourages college and career readiness and success with multiple classes per grade level. PGHS has four thriving CTE Pathways: IDEA, DMA, Ag Science, and Bio Medical. Beginning in ninth grade, counselors guide students through the process of exploring their career and college interests and skills through the California College Guidance Initiative as well as continually assist them with their four-year graduation plan.

### Professional Development

Ongoing professional learning is a priority for the PGHS faculty and staff as we focus on equitable educational outcomes for every student through ongoing and purposeful training in the following areas; Culturally and Linguistically Responsive Strategies, Restorative Practices, AVID, Interrupting Bias and Hate Speech, district-wide Diversity Equity and Inclusion courses, Illuminate Education, an online platform that allows for the creation of assessments and also helps educators make data-driven instructional decisions; unique needs of English Learners; and use of technology to analyze student achievement data and remain connected with families. Our professional development goals this year continue to focus on Equity and maintaining a welcoming environment for ALL students. In addition to the culturally and linguistically responsive practices, our staff is focused on supporting our students' wellness. Training includes QPR, Mental Health First Aid, and LGBTQ+ Cultural Humility. PGHS staff members continue to connect with their students and their families through Home visits and through proactive communication through Talking Points-an application that translates messages into the families primary language, emails and phone calls home.
