Grade Span: K-6

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Facility Conditions and Planned Improvements (School Year 2022 - 2023)

Prairie opened its doors in 1981. The school has 45 classrooms, a multipurpose room, a library, a computer lab, and an administration building. The campus also includes a County Office of Education Annex, Student Support Center Office, Pre-school and CDI portables. The modernization begun in 2005 consisted of new wings (G, H, I, K-3, new blacktop, new playfield and irrigation system) and was completed September 2006. In July of 2018, Prairie was updated with new flooring in the Multipurpose Room. A new shade structure was installed on our playground in 2020. All classrooms received updated Audio Visual technology for supporting daily instruction. In 2022, Prairie received a refresh which included new carpet, new painting and new lighting in all buildings on campus.

The LEA takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the LEA uses a facility survey instrument developed by the State of California Office of Public School Construction. The results of this survey are available at the district office. Included is information from the facility survey instrument on the condition of the school and the efforts made to ensure that students are provided with a clean, safe, and functional learning environment. Our school received an "Exemplary" status based on the State's definitions for each of the eight categories evaluated, which is the highest rating possible.

Prairie Elementary School has four full time custodians who ensure the cleanliness of the school campus daily from 6:00 am to 10:30 pm. Every classroom is thoroughly cleaned daily using the most up to date sterilizing products. Our restrooms are cleaned multiple times throughout the day with deep cleaning occurring every evening. Our multi-purpose room is cleaned after each meal and used by both school and outside groups. The school grounds are regularly maintained by the district's grounds team, which serves Prairie Elementary every other week. The lead custodian walks the campus every morning to look for any contraband or safety issues that might have arisen overnight to ensure student safety. Any repair concerns are reported to the district's maintenance and facilities team. The district's maintenance and facilities team regularly addresses Prairie's work orders.

The State Deferred Maintenance Program (DMP) was established in 1980 to aid districts in major maintenance projects. Beginning with the 2013-2014 fiscal year and the inception of the Local Control Funding Formula (LCFF) the State has intended for Deferred Maintenance needs and expenses to be included in the District's LCFF allotment. The district continues to fund routine projects previously considered as part of the State's former DMP at levels required by the State and continues to use local resources.

A new roof was installed on the Multi-Purpose room and the library building in 2019. A new Marquee was installed in 2016. Our Multi-Purpose room had new flooring installed in 2019. A new shade structure was installed on the playground in 2020. All classrooms have been updated with new Audio Visual technology for instructional use. Prairie has just completed a refresh project which included new carpet, new painting and new lighting in all buildings on campus.

State Priority: Pupil Achievement

The SARC provides the following information relevant to the Pupil Achievement State Priority (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
 2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
 3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).
- **College and Career Ready:** The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

CAASPP Test Results in English Language Arts/Literacy (ELA) and Mathematics for All Students Grades Three through Eight and Grade Eleven taking and completing a state-administered assessment Percentage of Students Meeting or Exceeding the State Standards

Subject	School 2020 - 2021	School 2021 - 2022	District 2020 - 2021	District 2021 - 2022	State 2020 - 2021	State 2021 - 2022
English Language Arts/Literacy (grades 3-8 and 11)	N/A	22	N/A	52	N/A	47
Mathematics (grades 3-8 and 11)	N/A	15	N/A	40	N/A	33

Note: Where it was the most viable option, in 2020-21, LEAs were required to administer the statewide summative assessment in ELA and mathematics and where a statewide summative assessment was not the most viable option for the LEA, LEAs were permitted to report results from a different assessment that meets the criteria established by the California State Board of Education on March 16, 2021. The 2020-21 data cells for the school, district, state have N/A values because these data are not comparable to 2021-22 data.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

[Opportunities for Parental Involvement \(School Year 2022 - 2023\)](#)

We encourage all parents to become actively involved at Prairie. All parents are welcome to attend our English Learners Advisory Council and/or our School Site Council. Our parent involvement policy requires all parents attend parent conferences. Teachers are given time monthly to conduct conferences with parents. Parent workshops are offered throughout the year. For additional information, please contact our principal, Mrs. Anderson, at 916-422-1843.

State Priority: School Climate

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

Note: Data collected during the 2020-21 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

Suspensions and Expulsions for School Year 2019 - 2020 Only

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Expulsions	0.00%	0.03%	0.05%

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to other year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to other school years.

[School Safety Plan \(School Year 2022 - 2023\)](#)

Our School Safety Plan was updated and reviewed with our staff in January of 2023. Our gates open at 7:30 a.m. for breakfast and are secured by 8:10 a.m. All visitors must enter our campus through the front office and receive a visitor's pass. Our gates open at 10:30 for our kindergarten parents and students to enter and are secured again at 10:40 a.m. Our after school program secures the campus at 2:45 p.m. to provide for the safety of the students remaining, and does not open the gates again until 5:30 p.m. All visitors after school also check in through the front office to proceed to the campus. Students are supervised by staff both before and after school. Safety drills are conducted monthly. Debriefing occurs after each drill to further review safety concerns. Our Positive Behavior Intervention Support team meets monthly and reviews any necessary adjustments to the School Safety Plan.

Professional Development

Our school and district offer a variety of professional learning opportunities for teachers, paraprofessionals, and non-instructional support staff. Our focus is on closing the achievement gap by formulating professional development opportunities based on proven research. Teachers meet weekly on Early Out Wednesdays as Professional Learning Communities. Professional Development opportunities include: Effective Direct Instruction, reading fluency, strategies that meet the needs of English Language Learners, data analysis, cultural diversity, implementing the English Language Development Curriculum, Special Education, differentiated instruction, technology training, Positive Behavior Interventions and Supports, and comprehension strategies. New teachers who have been teaching fewer than two years are supported by the district's beginning teacher program. They meet weekly with an experienced mentor to discuss their successes and challenges and new ideas for their classrooms. Finally, the district offers a variety of classes for support staff, Paraprofessionals, school secretaries, office clerks, and custodians related to their work such as learning new computer skills and learning to work more efficiently and in ergonomically correct ways.
