

California Department of Education School Accountability Report Card

Reported Using Data from the 2023 - 2024 School Year
Published During 2024 - 2025

For: Prairie Elementary

Address: 5251 Valley Hi Dr, Sacramento, CA 95823
Principal: Laura Anderson

Phone: 916-422-1843
Grade Span: K-6

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>
- For additional information about the school, parents and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

Admission Requirements for the University of California (UC)

Admission requirements for the UC follow guidelines set forth in the Master Plan, which requires that the top one-eighth of the state's high school graduates, as well as those transfer students who have successfully completed specified college course work, be eligible for admission to the UC. These requirements are designed to ensure that all eligible students are adequately prepared for University-level work. For general admissions requirements, please visit the UC Admissions Information website at <https://admission.universityofcalifornia.edu/>.

Admission Requirements for the California State University (CSU)

Eligibility for admission to the CSU is determined by three factors: (1) Specific high school courses, (2) Grades in specified courses and test scores, and (3) Graduation from high school. Some campuses have higher standards for particular majors or students who live outside the local campus area. Because of the number of students who apply, a few campuses have higher standards (supplementary admission criteria) for all applicants. Most CSU campuses have local admission guarantee policies for students who graduate or transfer from high schools and colleges that are historically served by a CSU campus in that region. For admission, application, and fee information, see the CSU website at <https://www2.calstate.edu>.

School Description and Mission Statement (School Year 2024 - 2025)

At Prairie Elementary, our amazing staff is committed to providing the best possible education for each child. Our school's mission is: We will inspire and educate the Prairie Community to reach our full potential as productive citizens. Our school's motto is: "LEARNERS TODAY - LEADERS TOMORROW". Our school's vision is: In Every Classroom at Prairie You will See: Rigor and High Expectations; Collaboration; Student Engagement and Positive Classroom Management. There are numerous interventions in place to support all students. Some of those interventions include small group interventions during the day, off-track intersession classes, after school tutoring, social-emotional support, counseling and an after school enrichment program (ExL). We welcome parent participation. Parents are encouraged to become active members of our learning community. Our campus enrichment includes the computer lab, library, Accelerated Reader incentive program, CREST, Elementary Honor Society, athletics, and a Student Leadership group.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the Basic State Priority (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

Teacher Preparation and Placement (School Year 2020 - 2021)

School Facility Conditions and Planned Improvements (School Year 2024 - 2025)

Prairie opened its doors in 1981. The school has 45 classrooms, a multipurpose room, a library, a computer lab, and an administration building. The campus also includes a County Office of Education Annex, Student Support Center Office, Pre-school and CDI portables. The modernization in 2005 consisted of new wings (G, H, I, K-3, new blacktop, new playfield and irrigation system) and was completed September 2006. In July of 2018, Prairie was updated with new flooring in the Multipurpose Room. A new shade structure was installed on our playground in 2020. All classrooms received updated Audio Visual technology for supporting daily instruction. In 2022, Prairie received a refresh which included new carpet, new painting and new lighting in all buildings on campus.

The LEA takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the LEA uses a facility survey instrument developed by the State of California Office of Public School Construction. The results of this survey are available at the district office. Included is information from the facility survey instrument on the condition of the school and the efforts made to ensure that students are provided with a clean, safe, and functional learning environment. Our school received an "Exemplary" status based on the State's definitions for each of the eight categories evaluated, which is the highest rating possible.

Prairie Elementary School has four full time custodians who ensure the cleanliness of the school campus daily from 6:00 am to 10:30 pm. Our restrooms are cleaned multiple times throughout the day with deep cleaning occurring every evening. Our multi-purpose room is cleaned after each meal and used by both school and outside groups. The school grounds are regularly maintained by the district's grounds team, which serves Prairie Elementary every other week. The lead custodian walks the campus every morning to look for any contraband or safety issues that might have arisen overnight to ensure student safety. Any repair concerns are reported to the district's maintenance and facilities team. The district's maintenance and facilities team regularly addresses Prairie's work orders.

The State Deferred Maintenance Program (DMP) was established in 1980 to aid districts in major maintenance projects. Beginning with the 2013-2014 fiscal year and the inception of the Local Control Funding Formula (LCFF) the State has intended for Deferred Maintenance needs and expenses to be included in the District's LCFF allotment. The district continues to fund routine projects previously considered as part of the State's former DMP at levels required by the State and continues to use local resources.

A new roof was installed on the multi-purpose room and the library building in 2019. A new Marquee was installed in 2016. Our Multi-Purpose room had new flooring installed in 2019. A new shade structure was installed on the playground in 2020. All classrooms have been updated with new Audio Visual technology for instructional use. Prairie completed a refresh project in 2022 which included new carpet, new painting and new lighting in all buildings on campus.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the Pupil Achievement State Priority (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System includes assessments for English language arts/literacy [ELA], mathematics, and science for students in the general education population and the California Alternate Assessment [CAA]. Only eligible students may participate in the administration of the CAA. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] or California Next Generation Science Standards [CA NGSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAA for ELA** in grades three through eight and grade eleven.
 2. **Smarter Balanced Summative Assessments and CAA for mathematics** in grades three through eight and grade eleven.
 3. **California Science Test (CAST) and CAA for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).
- **College and Career Ready:** The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessments and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAA divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

[Opportunities for Parental Involvement \(School Year 2024 - 2025\)](#)

We encourage all parents to become actively involved at Prairie. All parents are welcome to attend our English Learners Advisory Council and/or our School Site Council. Our parent involvement policy requires all parents attend parent conferences. Teachers are given time monthly to conduct conferences with parents. Parent workshops are offered throughout the year. For additional information, please contact our principal, Mrs. Anderson, at 916-422-1843.

State Priority: School Climate

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan (School Year 2024 - 2025)

Our School Safety Plan was updated and reviewed with our staff in January of 2024. Our gates open at 7:30 a.m. for breakfast and are secured by 8:10 a.m. All visitors must enter our campus through the front office and receive a visitor's pass. Our gates open at 10:30 for our kindergarten parents and students to enter and are secured again at 10:40 a.m. Our after school program secures the campus at 2:45 p.m. to provide for the safety of the students remaining, and does not open the gates again until 5:30 p.m. All visitors after school also check in through the library to proceed to the campus. Students are supervised by staff both before and after school. Safety drills are conducted monthly. Our Positive Behavior Intervention Support team meets monthly and reviews any necessary adjustments to the School Safety Plan.

Types of Services Funded (Fiscal Year 2023 - 2024)

Our Learning Center services special education students who need additional support to meet IEP goals. Intervention teachers service small groups of students in every classroom four days a week. We provide "What I Need" time for English learners to receive additional instruction. English speakers receive additional help in areas of need. Gifted and Talented students participate in accelerated instruction within their classrooms and in afterschool classes including CREST. Students who participate in our afterschool program, ExL, benefit from homework support and enrichment opportunities. Enrichment classes include flag football, basketball, volleyball, soccer, track, dance, band and gardening. In addition, we offer off-track intersession taught by credentialed teachers.

Professional Development

Our school and district offer a variety of professional learning opportunities for teachers, paraprofessionals, and non-instructional support staff. Our focus is on closing the achievement gap by formulating professional development opportunities based on proven research. Teachers meet weekly on Early Out Wednesdays as Professional Learning Communities. Professional Development opportunities include: Diversity, Equity and Inclusion, Instructional Framework, reading fluency, strategies that meet the needs of English Language Learners, data analysis, cultural diversity, implementing the English Language Development Curriculum, Special Education, differentiated instruction, technology training, Positive Behavior Interventions and Supports, math and comprehension strategies. New teachers who have been teaching fewer than two years are supported by the district's beginning teacher program. They meet weekly with an experienced mentor to discuss their successes and challenges and new ideas for their classrooms. Finally, the district offers a variety of classes for support staff, Paraprofessionals, school secretaries, office clerks, and custodians related to their work such as learning new computer skills and learning to work more efficiently and in ergonomically correct ways.
