By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at http://www.cde.ca.gov/ta/ac/sa/

- For more information about the LCFF or LCAP, see the CDE LCFF Web page at http://www.cde.ca.gov/fg/aa/lc/

- For additional information about the school, parents and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at http://dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners.

California School Dashboard

The California School Dashboard (Dashboard) https://www.caschooldashboard.org/ reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

Admission Requirements for the University of California (UC)

Admission requirements for the UC follow guidelines set forth in the Master Plan, which requires that the top one-eighth of the state's high school graduates, as well as those transfer students who have successfully completed specified college course work, be eligible for admission to the UC. These requirements are designed to ensure that all eligible students are adequately prepared for University-level work. For general admissions requirements, please visit the UC Admissions Information website at https://admission.universityofcalifornia.edu/.

Admission Requirements for the California State University (CSU)

Eligibility for admission to the CSU is determined by three factors: (1) Specific high school courses, (2) Grades in specified courses and test scores, and (3) Graduation from high school. Some campuses have higher standards for particular majors or students who live outside the local campus area. Because of the number of students who apply, a few campuses have higher standards (supplementary admission criteria) for all applicants. Most CSU campuses have local admission guarantee policies for students who graduate or transfer from high schools and colleges that are historically served by a CSU campus in that region. For admission, application, and fee information, see the CSU website at https://www2.calstate.edu.

School Description and Mission Statement (School Year 2024 - 2025)

Dream It, Believe It, and Achieve It!

David Reese Elementary provides a learning environment that is rich in diversity, rigor, and educational relevance. All aspects of the school contribute to providing our students with the skills they need to be successful learners and leaders in our community and beyond; this is an important focus for our school. Our success in implementing our district's mission is evidenced through our school's special strengths, it includes:

*Developing Independent Learners - Growing as independent individuals through David Reese Mindsets taught in EVERY classroom
*Our school-wide focus "Eagle Code" is for students to BE SAFE, BE KIND and BE PRODUCTIVE learners in class, around our campus, and beyond our site
*ExL Program provides enrichment and academic success
*AVID Trained teachers preparing our students for college and career readiness
*SOAR Time (individualized learning groups that focus on target standards)
*An emphasis on technology in all of our classrooms
*Academic Intervention Teachers and Paraeducator support to help to build/target strong foundational skills

The safety of our students is our school's first priority and the discipline policy is carefully enforced. We emphasize cooperation and promote self-responsibility. Students participate daily in character education programs that promote positive messages and teaches responsibility, safety, and promotes character development. The atmosphere of our school gives students the opportunity to learn in an accepting and comfortable environment.
Family support and involvement continues to be the cornerstone for the success of David Reese. Many families help plan the programs and policies through a variety of committees including the School Site Council and our English Learner Advisory Committee. Parents also volunteer, plan family activities, and chaperone on field trips. We are a community school, so family plays a huge role in our success!

In addition, our families support student achievement by reading with their children daily and ensuring regular school attendance. These actions send a clear message that their student's education is important! Through communicating and partnering together, parents, teachers, and support staff are able to celebrate the success of your children!

We welcome you as partners and thank you for the opportunity to be a part of your child's academic success!

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the Basic State Priority (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;

- Pupils have access to standards-aligned instructional materials; and

- School facilities are maintained in good repair.

School Facility Conditions and Planned Improvements (School Year 2024 - 2025)

David Reese Elementary is a large, year-round campus with 10 separate buildings that include 38 classrooms, a multipurpose room, a Computer Lab, a Library, a Learning Center, Intervention classrooms and an Administration building. Our school is currently 58 years old having been built in 1966! The district uses the FIT developed by the State of California's Office of Public School Construction and performed by district staff. Our school received an "Exemplary" status based on the State's definitions for each of the eight categories evaluated, the highest rating possible. Part of the district's Injury and Illness Prevention Program, our site is inspected on a monthly basis by our lead custodian to determine if all areas are functioning properly and require any corrective actions.

The LEA takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the LEA uses a facility survey instrument developed by the State of California Office of Public School Construction. The results of this survey are available at the district office. Included is information from the facility survey instrument on the condition of the school and the efforts made to ensure that students are provided with a clean, safe, and functional learning environment. Our school received an "Exemplary" status based on the State's definitions for each of the eight categories evaluated, which is the highest rating possible.

David Reese is a newly refreshed campus well maintained due to the commitment of our custodial, grounds, and district maintenance teams. The district's maintenance and grounds departments work in concert with the school site custodial team to ensure that school buildings, classrooms, and grounds are maintained to provide a safe and functional environment for all students. The district utilizes work order system enabling site custodians to communicate maintenance needs, urgent repairs, or necessary projects. The custodian inspects the school prior to students and staff entering school grounds. Restrooms are inspected throughout the day to ensure that they are adequately stocked, safe, and sanitary. The Board of Education has adopted cleaning standards for all schools in the district.

The State Deferred Maintenance Program (DMP) was established in 1980 to aid districts in major maintenance projects. Beginning with the 2013-2014 fiscal year and the inception of the Local Control Funding Formula (LCFF) the State has intended for Deferred Maintenance needs and expenses to be included in the District's LCFF allotment. The district continues to fund routine projects previously considered as part of the State's former DMP at levels required by the State and continues to use local resources.

David Reese utilizes a work order process that has been developed by the district maintenance department which ensures that all site needs are met in a timely manner, prioritized with safety and health benefits in mind. In May of 2024, our school began a refresh where we received fresh paint (inside and out), new ceiling tiles/lights, and new carpets/linoleum in all buildings. We also had a Kindergarten play structure upgrade. This year, we were also able to add a new shed for PreK as well as increase tables in our open quad area, and under our newer shade structure, which can be used for fun activities or nature-based instruction. Additional planned Facilities projects for the 24-25 school year include a remodel to our school and Kindergarten playgrounds as well as a track remodel.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the Pupil Achievement State Priority (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System includes assessments for English language arts/literacy [ELA], mathematics, and science for students in the general education population and the California Alternate Assessment [CAA]. Only eligible students may participate in the administration of the CAA. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] or California Next Generation Science Standards [CA NGSS] for students with the most significant cognitive disabilities).

  The CAASPP System encompasses the following assessments and student participation requirements:
  1. **Smarter Balanced Summative Assessments and CAA for ELA** in grades three through eight and grade eleven.
  2. **Smarter Balanced Summative Assessments and CAA for mathematics** in grades three through eight and grade eleven.
  3. **California Science Test (CAST) and CAA for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

- **College and Career Ready**: The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessments and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAA divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

Opportunities for Parental Involvement (School Year 2024 - 2025)

There are a number of ways to become involved with your child's education. We have Back to School Morning, Title I Family Meetings, Open House, FIT (Family Impact Time) meetings/presentations with teachers, Watch D.O.G.S and Family Nights. Many of our staff participate in Parent Teacher Home Visits. Families can also become involved by joining the School Site Council, English Learner Advisory Committee and participate in surveys to provide essential input. For more information, please contact Nikki Khang, School Secretary, at 916-422-2450.

State Priority: School Climate

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan (School Year 2024 - 2025)

Our district is committed to providing a safe, secure environment for learning. Our staff reviewed our School Safety plan in September 2024. We have an updated plan that not only addresses safety procedures but also outlines goals for developing a positive school climate. Before and after school supervision is provided and our campus is secured during the school day. Access to the campus is through the main office and requires visitors to check in and out. An "Emergency Handbook", outlining a plan of action for emergencies such as earthquakes, fires, floods, and chemical spills, is kept in our school office. Each classroom and office have a flipchart for safety procedures. The district's Safety and Security Department works closely with our school site to provide a safe, secure environment for all students.

Types of Services Funded (Fiscal Year 2023 - 2024)

At David Reese, we have highly qualified staff to assist students with their individual learning needs. Our Learning Center staff provides specialized instruction for our students with an active IEP and act as consultants with our general education teachers. Intervention programs have also been developed and are managed by two Academic Intervention Teachers to support learners who are struggling with foundational skills. Additional Paraeducator support is provided to assist with our Learning Center teachers as well as with our Academic Intervention Teachers. We receive grant funding to provide K-1st grades Teacher/Para push in support help to engage our youngest Eagles and provide support to those primary classes. Students also have the opportunity to participate in enrichment activities in the ExL extended day program, many teachers provide instruction during our afterschool program.

Professional Development

Our site utilizes Professional Learning Communities which is ongoing collaboration time for our teachers. This time is essential because it allows teachers time to meet on a regular basis to examine student work, student performance data, make determinations about students' strengths and weaknesses, and plan accordingly to meet the educational needs of our students. Our staff also sets monthly, trimester and yearly goals and is currently working on how we respond to students through strategic interventions in the general education classroom. The planning process includes instruction and district resources to best meet the needs of our students at David Reese Elementary. We use input from students and families to guide our practices. Districtwide, EGUSD provides a variety of classes for support staff including instructional assistants, school secretaries, office clerks, and custodians. All training relates to their job description and may include learning new computer skills or working more efficiently.
