

California Department of Education School Accountability Report Card

Reported Using Data from the 2023 - 2024 School Year
Published During 2024 - 2025

For: John Reith Elementary

Address: 8401 Valley Lark Dr, Sacramento, CA 95823
Principal: Katie Hedrick

Phone: 916-399-0110
Grade Span: K-6

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>
- For additional information about the school, parents and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

Admission Requirements for the University of California (UC)

Admission requirements for the UC follow guidelines set forth in the Master Plan, which requires that the top one-eighth of the state's high school graduates, as well as those transfer students who have successfully completed specified college course work, be eligible for admission to the UC. These requirements are designed to ensure that all eligible students are adequately prepared for University-level work. For general admissions requirements, please visit the UC Admissions Information website at <https://admission.universityofcalifornia.edu/>.

Admission Requirements for the California State University (CSU)

Eligibility for admission to the CSU is determined by three factors: (1) Specific high school courses, (2) Grades in specified courses and test scores, and (3) Graduation from high school. Some campuses have higher standards for particular majors or students who live outside the local campus area. Because of the number of students who apply, a few campuses have higher standards (supplementary admission criteria) for all applicants. Most CSU campuses have local admission guarantee policies for students who graduate or transfer from high schools and colleges that are historically served by a CSU campus in that region. For admission, application, and fee information, see the CSU website at <https://www2.calstate.edu>.

School Description and Mission Statement (School Year 2024 - 2025)

John Reith Jaguars are safe, KIND and responsible. Each morning, you will find all Jaguars in the quad, enjoying background music as staff members greet families. Students walk it out to energize themselves for the day! At John Reith Elementary, we strive for academic excellence and social competence through the continual education of our staff, students, parents, and community. We provide a unique and wonderful educational experience for children, starting with the safety of the campus, and continuing with the warmth of our learning environment. We are proud of our after-school program, "Jaguar Club," where students continue their academic day with enrichment activities and homework help. Our goal is to close the opportunity gap, and create a child who is college, trade school, career and life ready. We will do this with four focus areas. First, we focus on our children's social and emotional needs. Second, our school continues to provide outstanding services with our PBIS Program, counselors, mental health therapists and school psychologist. We use data to support the intervention needs of every child. Third, we involve and collaborate with our parent community to enhance our school programs. We partner with our families to create a learning environment that best meets every child's needs. Lastly, every teacher on our campus provides our students with high quality instruction. We commit to learning and growing daily to provide each child with the needed tools to be successful in our school and into their future. We pride ourselves on family and community engagement. Families are encouraged to join us for our themed spirit days, Family Lunch Days, College and Career Faire, or after school events: Harvest Festival, Family Make and Take Academic Nights, Talent Show, Art Night Science Nights, Family Dances, PBIS Rallies, and Holiday Festivities. We are fortunate to work with an outstanding staff and community who support each other in every aspect.

Education is the most powerful weapon which you can use to change the world.
Nelson Mandela

I am honored to serve as the proud Principal of John Reith Elementary,
Katie Hedrick, Proud Principal.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the Basic State Priority (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

Teacher Preparation and Placement (School Year 2020 - 2021)

School Facility Conditions and Planned Improvements (School Year 2024 - 2025)

We are located in a suburban neighborhood in South Sacramento. The majority of our students walk to school, drive cars, or take the bus. This school has 24 classrooms, a multipurpose room, a library, computer lab, and an administration building. The main campus was built in 1989. Two portable classrooms serve our Head Start and Title I Preschool classrooms. Our Kindergarten wing has a separate playground from the main playground, and it serves our preschool and kindergarten students. Our main playground serves students in grades 1-6. We share a playing field with the City of Sacramento which is a public shared park. Our MP has a kitchen, and stage. Every classroom is equipped with an interactive board. We have a fully operational computer lab.

The LEA takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the LEA uses a facility survey instrument developed by the State of California Office of Public School Construction. The results of this survey are available at the district office. Included is information from the facility survey instrument on the condition of the school and the efforts made to ensure that students are provided with a clean, safe, and functional learning environment. Our school received an "Exemplary" status based on the State's definitions for each of the eight categories evaluated, which is the highest rating possible.

The district's M & O department work in connection with the school site custodial team to ensure that school buildings, & grounds are maintained at high levels. The district utilizes an electronic work order system enabling custodians to communicate maintenance needs, repairs, or projects. Emergency repair needs are resolved by either the school custodian or district the school's custodians work as a team to develop a daily cleaning process and schedule. Each morning the custodian inspects the school prior to students and staff entering school grounds. Restrooms are inspected throughout the day to ensure that they are adequately stocked, safe, and sanitary. The Board adopted cleaning standards for all schools in the district. Our school prides itself on staying clean and in good repair.

The State Deferred Maintenance Program (DMP) was established in 1980 to aid districts in major maintenance projects. Beginning with the 2013-2014 fiscal year and the inception of the Local Control Funding Formula (LCFF) the State has intended for Deferred Maintenance needs and expenses to be included in the District's LCFF allotment. The district continues to fund routine projects previously considered as part of the State's former DMP at levels required by the State and continues to use local resources.

With the passing of Measure M in November 2016's election, our school did receive updates with flooring, security components, and technology. Our school underwent construction to replace the roofs on many of our buildings on site. We received new carpet, exterior painting and flooring all throughout the school in the summer of 2023. We also had a shade structure built in 2022 that provides shade for our playground. We repaved our blacktop and upgraded our playground with new tether ball poles, volleyball poles, and lines to have adequate games on the play yard.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the Pupil Achievement State Priority (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System includes assessments for English language arts/literacy [ELA], mathematics, and science for students in the general education population and the California Alternate Assessment [CAA]. Only eligible students may participate in the administration of the CAA. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] or California Next Generation Science Standards [CA NGSS] for students with the most significant cognitive disabilities).
- The CAASPP System encompasses the following assessments and student participation requirements:
 1. **Smarter Balanced Summative Assessments and CAA for ELA** in grades three through eight and grade eleven.
 2. **Smarter Balanced Summative Assessments and CAA for mathematics** in grades three through eight and grade eleven.
 3. **California Science Test (CAST) and CAA for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).
- **College and Career Ready:** The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessments and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAA divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

[Opportunities for Parental Involvement \(School Year 2024 - 2025\)](#)

There are a number of ways to become involved with your child's education. We invite parents to join our PTO. Our School Site Council assists with budget decisions. ELAC meets to discuss and plan supports for our English Learners. We host Back to School Night, Open House, academic make and take nights, Harvest Festival, Holiday Shows, Principal's coffee chats & our talent show. Parents are always welcome to volunteer on our campus. Please contact Katie Hedrick at our office at 916-399-0110 with any further questions.

School Safety Plan (School Year 2024 - 2025)

We are committed to providing a safe and secure environment for learning. Our staff reviewed and updated our School Safety Plan in August 2024. The school is monitored and supervised by assigned staff members before and after school, and during lunch and recess. Outside gates are secured and locked, providing a safer environment for students and staff. An "Emergency Handbook", outlining a plan of action for emergencies such as earthquakes, fires, floods, and chemical spills, is kept in the school office. Yearly school safety inspections are conducted by the County of Sacramento. The district's Police Services work closely with our school site to provide a safe, secure environment for all students. Discipline and anti-bullying programs, such as PBIS, and safety procedures are followed. Cameras have been installed and monitor 24 hours per day.

Professional Development

Our school and district offer many PD opportunities for teachers and staff. All staff participate in Professional Learning Community (PLC) training so that we can continue to provide the best learning opportunities for our students. Teachers use common planning time to meet and review student work, to determine students' strengths and weaknesses. We also have a CCSS Instructional Coach and EL Coach assigned to work with teachers at our site. Our school was the 1st AVID Elementary school wide in EGUSD. Our teachers use strong AVID strategies to support student learning. Finally, the district offers a variety of classes for support staff, Instructional aides, school secretaries, office clerks, and custodians take classes that relate to their work, such as learning new computer skills and learning to work more efficiently. Our school philosophy is that we are lifelong learners.
