School Accountability Report Card
Reported Using Data from the 2020 - 2021 School Year
Published During 2021 - 2022

For: James Rutter Middle School

Address: 7350 Palmer House Dr, Sacramento, CA 95828
Principal: Sonia Rambo

Phone: 916-422-3232
Grade Span: 7-8

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>
- For additional information about the school, parents and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description and Mission Statement (School Year 2021 - 2022)

James Rutter Middle School has a rich and diverse history and provides a unique and wonderful educational experience for all students. Faculty and staff work to provide a safe campus, a meaningful learning environment, as well as rigorous instructional programs. Our activities director works diligently to reward our students for perfect attendance and academic performance. We use PBIS to teach students expectations and reward their good behavior.

James Rutter Middle School students and staff strive to be respectful, responsible, and resilient. Our school celebrates creativity and diverse cultures. Stakeholders are invested and take pride in our community. The programs below help support our vision:

Acaletes - After school academic support and social enrichment program
Math and English Intervention programs
AVID - Advancement Via Individual Determination
Honors English, Social Science, and Advanced Mathematics
Visual and Performing Arts
Project Lead the Way-Pre-Engineering program
Special Education Support Services
Multiple levels of English Learner Support
Various cultural and social clubs
Parent University
Mathletes
College, career, and STEM field trips
After school athletics
Gifted and Talented Education (GATE)
College and Technical Education Electives

Parent support and involvement continues to be an important aspect of success at James Rutter Middle School. Some parents help plan the programs and policies, attend Parent University classes, and help monitor student activities out on campus during the day.

The entire staff at James Rutter Middle School has committed to school-wide literacy and character education programs that support and embrace all students' abilities, cultures, and differences. This is emphasized in our three core values: The Three R's of Rutter - Respectful, Responsible, and Resilient. Our school motto, found on our crest is "Determined to Succeed."

Our enrollment continues to grow each year. We have rebooted our PBIS program and have begun to work on restorative practices school-wide. We have seen improved attendance, a reduction in suspensions, as well as greater numbers on the honor roll.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the Basic State Priority (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

Teacher Preparation and Placement (School Year 2019 - 2020)

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned to based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

School Facility Conditions and Planned Improvements (School Year 2021 - 2022)

James Rutter Middle School is 55 years young in April 2021. This school has 46 classrooms, including a brand new Science Center, a multipurpose room, a library, a gymnasium, boys and girls locker rooms, and an administration building. On the western portion of the property we have approximately three acres of ball fields, basketball courts, and a decomposed granite track. The main campus was built in 1966. Additions were constructed in 1990, 2001 and 2020. Our original Science building was modified due to fire and was available for students in January 2018. The school district completed a new science wing which opened in Fall of 2020. We are working with the Sacramento Tree foundation to plant additional trees throughout the campus as part of the "Forestation of 95828" program. The summer of 2018 began our modernization through Measure M funds.

The LEA takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the LEA uses a facility survey instrument developed by the State of California Office of Public School Construction. The results of this survey are available at the district office. Included is information from the facility survey instrument on the condition of the school and the efforts made to ensure that students are provided with a clean, safe, and functional learning environment. Our school received an "Exemplary" status based on the State's definitions for each of the eight categories evaluated, which is the highest rating possible.

The district's maintenance and grounds departments work with the school site custodial team to ensure that school buildings, classrooms, and grounds are maintained at exceptional levels to provide a safe and functional environment for all students. The district utilizes the latest electronic work order system enabling site administration and custodians to communicate maintenance needs, urgent repairs, or necessary projects. Emergency repair needs are immediately resolved by either the school custodian or district maintenance staff. The school's custodians work as a team and with the principal to develop a daily cleaning process and schedule. Each morning the custodian inspects the school prior to students and staff entering school grounds. Restrooms are inspected throughout the day to ensure that they are adequately stocked, safe, and sanitary. The Board of Education has adopted cleaning standards for all schools in the district and higher standards were adopted due to COVID-19. A summary of these standards is available at the school office, or at the district office.

The State Deferred Maintenance Program (DMP) was established in 1980 to aid districts in major maintenance projects. Beginning with the 2013-2014 fiscal year and the inception of the Local Control Funding Formula (LCFF) the State has intended for Deferred Maintenance needs and expenses to be included in the District's LCFF allotment. The district continues to fund routine projects previously considered as part of the State's former DMP at levels required by the State and continues to use local resources.

This year, the district's governing board has approved deferred maintenance projects for this school such as painting of all exterior hallways and repairing of plumbing and drainage systems. We are happy to have a Science Lab-Ready building so that our seven science teachers can implement Next Generation Science Standards to fidelity. The lights in the gym and MP room were updated and the district has installed a security camera system. We are scheduled for a classroom refresh in the summer of 2022 and a parking lot refresh in 2023.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the Pupil Achievement State Priority (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

- **SARC Reporting in the 2020 - 2021 School Year Only**

Where the most viable option, LEAs were required to administer the statewide summative assessments for ELA and mathematics. Where a statewide summative assessment was not the most viable option for the LEA (or for one or more grade-level[s] within the LEA) due to the pandemic, LEAs were allowed to report results from a different assessment that met the criteria established by the State Board of Education (SBE) on March 16, 2021. The assessments were required to be:

- Aligned with CA CCSS for ELA and mathematics;
- Available to students in grades 3 through 8, and grade 11; and
- Uniformly administered across a grade, grade span, school, or district to all eligible students.

- **Options:** Note that the CAAs could only be administered in-person following health and safety requirements. If it was not viable for the LEA to administer the CAAs in person with health and safety guidelines in place, the LEA was directed to not administer the tests. There were no other assessment options available for the CAAs. Schools administered the Smarter Balanced Summative Assessments for ELA and mathematics, other assessments that meet the SBE criteria, or a combination of both, and they could only choose one of the following:

- Smarter Balanced ELA and mathematics summative assessments;
- Other assessments meeting the SBE criteria; or
- Combination of Smarter Balanced ELA and mathematics summative assessments and other assessments.

Mathematics (grades 3-8 and 11)	N/A	N/A	N/A	N/A	N/A	N/A

Note: The 2019-2020 data cells with N/A values indicate that the 2019-2020 data are not available due to the COVID-19 pandemic and resulting summative test suspension. The Executive Order N-30-20 was issued which waived the assessment, accountability, and reporting requirements for the 2019-2020 school year.

Note: The 2020-2021 data cells have N/A values because these data are not comparable to other year data due to the COVID-19 pandemic during the 2020-2021 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020-2021 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020-2021 school year to other school years.

Note: Due to the COVID-19 crisis, the Physical Fitness Test was suspended during the 2020-2021 school year and therefore no data are reported.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

[Opportunities for Parental Involvement \(School Year 2021 - 2022\)](#)

There are a number of ways to become involved with your child's education at James Rutter Middle School. These include Back to School Night, Spring Open House, School Site Council, English Learner Advisory, Superintendent's Parent Advisory Committee, and Parent University. Any interested parent can sign up to volunteer in the school office. If you are interested in volunteering, contact Sonia Rambo at srambo@egusd.net or 916-422-3232.

State Priority: School Climate

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan (School Year 2021 - 2022)

Elk Grove Unified School District is committed to providing a safe, secure environment for learning. Our staff reviewed and updated our School Safety Plan in February 2021. An "Emergency Handbook", outlining a plan of action for emergencies such as earthquakes, fires, floods, and chemical spills, is kept in the school office. Each classroom teacher is also provided this information and it is reviewed periodically by the whole staff. We have regular fire drills and lockdown drills. The district's Police Services Department works closely with our school site to provide a safe, secure environment for all students. All visitors are required to check in at the main office and sign in. Additionally, administration, campus supervisors, and teachers supervise students before, during, and after school.

[Types of Services Funded \(Fiscal Year 2021 - 2022\)](#)

At James Rutter Middle School we have highly qualified staff to assist students with special learning needs. Our Strategies Department supports students who need additional support to meet the standards. The Acaletes (ASES) after school program provides opportunities for students who need extra tutoring or homework help in conjunction with student-interest based enrichment curriculum. We offer a 3-day event in August called Jumpstart for our incoming 7th graders. The students get to know some of our teachers, learn about scheduling, receive character education and finish each day with a free lunch. Our quarterly Parent University meetings are well attended and give our parents an opportunity to learn more about how we can support their students to provide the best possible education experience.

Professional Development

For 2021-2022, James Rutter Middle school will participate in a number of professional development opportunities focused on Trauma-Informed Practices and Culturally Responsive Teaching to build relationships and understanding of students so they feel welcome and capable of succeeding in classes. Teachers collaborate weekly to evaluate student work for the purpose of addressing the needs of our struggling performers while providing further enrichment for our top performers. We continue to implement common formative assessment as a vehicle for measuring student success and need for intervention. Our academic focus this year is on Claim, Evidence, and Reasoning (C.E.R.).

Addendum

On July 14, 2021, the California State Board of Education (SBE) determined that the California Department of Education (CDE) will use the SARC Web Application as the mechanism to conduct a one-time data collection of the LEA-level aggregate test results of all school's local assessments administered during the 2020-2021 school year in order to meet the federal Every Student Succeeds Act (ESSA) reporting requirement for the Local Educational Agency Accountability Report Cards (LARCs).

Each local educational agency (LEA) is responsible for preparing and posting their annual LARC in accordance with the federal ESSA. As a courtesy, the CDE prepares and posts the LARCs on behalf of all LEAs.

Only for the 2020-2021 school year and the 2020-2021 LARCs, LEAs are required to report their aggregate local assessments test results at the LEA-level to the CDE by populating the tables below via the SARC Web Application. These data will be used to meet the LEAs' federal requirement for their LARCs. Note that it is the responsibility of the school and LEA to ensure that all student privacy and suppression rules are in place when reporting data in Tables 3 and 4 in the Addendum, as applicable.

The tables below are not part of the SBE approved 2020-2021 SARC template but rather are the mechanism by which these required data will be collected from LEAs.

For purposes of the LARC and the following tables, an LEA is defined as a school district, a county office of education, or a direct funded charter school.
