School Accountability Report Card
Reported Using Data from the 2020 - 2021 School Year
Published During 2021 - 2022

For: Sheldon High School

Address: 8333 Kingsbridge Dr, Sacramento, CA 95829
Principal: Paula Duncan

Phone: 916-681-7500
Grade Span: 9-12

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>
- For additional information about the school, parents and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description and Mission Statement (School Year 2021 - 2022)

<p>Sheldon High School A Community of Lifelong Learners!</p> <p>Sheldon High School truly provides a unique and wonderful educational experience for students, from the safety of the campus, to the importance of a respectful learning environment, to the rigor and engaging instructional programs. All aspects of the school contribute to providing students with the skills they need to be successful learners and become prepared to enter college and careers. Social Emotional Learning is stressed after COVID.</p> <p>Our district's mission is to provide a learning community that challenges ALL students to realize their greatest potential.</p> <p>Our success in implementing our district's mission can be evidenced through our school's special strengths, including: academic and athletic college scholarships awarded to our seniors totaling 1.5 million dollars, numerous awards for student participation in visual/performing arts, sports, and technology from local, state and national sources; the Biotech Academy was named a 2019 Distinguished Partnership Academy; Animation Program receiving CTE funding as well as being identified as a model animation program; Visual and Performing Arts-designed a Model Demonstration School by the CA Department of Education.</p> <p>Parent support and involvement continue to be important aspects of the success of Sheldon High School. Our Parents Assisting With Students (PAWS) for Success Program received the Golden Bell Award for parent participation. Parents also support student success by sending a clear message that education and regular school attendance are important to the family. Parent volunteers are coordinated by our parent liaison.</p> <p>The safety of our students is this school's first priority and the discipline policy is progressive, restorative and enforced. We emphasize cooperation and responsible, respectful behavior. The atmosphere of the school makes our students feel comfortable and secure.</p> <p>Please feel free to access our website www.sheldonuskies.com to learn more about the HUSKIES!!</p> <p>Paula D. Duncan, Principal Sheldon High School</p>

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the Basic State Priority (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

Teacher Preparation and Placement (School Year 2019 - 2020)

Authorization/Assignment	School Number	School Percent	District Number	District Percent	State Number	State Percent

Total Teaching Positions	108.7	100.0%	2842.2	100.0%	274759.1	100.0%

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned to based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

Teachers Without Credentials and Misassignments (considered "ineffective" under ESSA) (School Year 2019 - 2020)

School Facility Conditions and Planned Improvements (School Year 2021 - 2022)

Sheldon High School opened in 1997. Facilities include a Building Trades program, 725 seat Performing Arts Center theatre, seven computer labs, art, ceramics, photo and animations classrooms. Our Bio-Tech focus includes college level lab equipment. We have recently upgraded our stadium throughout the school using Measure M funding. We have 110 teachers and counselors with a focus on college preparation as well as strong Career Technical Education pathways: Business, Building Trades, Bio-Technology, Engineering, Visual and Performing Arts including Animation. We are reviewing for the Facilities Master Plan and will be moving forward with future Modernization including staff parents and students.

The LEA takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the LEA uses a facility survey instrument developed by the State of California Office of Public School Construction. The results of this survey are available at the district office. Included is information from the facility survey instrument on the condition of the school and the efforts made to ensure that students are provided with a clean, safe, and functional learning environment. Our school received an "Exemplary" status based on the State's definitions for each of the eight categories evaluated, which is the highest rating possible.

The district's maintenance and grounds departments work in concert with the school site custodial team to ensure that school buildings, classrooms, and grounds are maintained at exceptional levels to provide a safe and functional environment for all students. The district utilizes the latest electronic work order system enabling site administration and custodians to communicate maintenance needs, urgent repairs, or necessary projects. Emergency repair needs are immediately resolved by either the school custodian or district maintenance staff. The school's custodians work as a team and with the principal to develop a daily cleaning process and schedule. Each morning the custodian inspects the school prior to students and staff entering school grounds. Restrooms are inspected throughout the day to ensure that they are adequately stocked, safe, and sanitary. The Board of Education has adopted cleaning standards for all schools in the district. A summary of these standards is available at the school office, or at the district office.

The State Deferred Maintenance Program (DMP) was established in 1980 to aid districts in major maintenance projects. Beginning with the 2013-2014 fiscal year and the inception of the Local Control Funding Formula (LCFF) the State has intended for Deferred Maintenance needs and expenses to be included in the District's LCFF allotment. The district continues to fund routine projects previously considered as part of the State's former DMP at levels required by the State and continues to use local resources.

The site's head custodian addresses minor repairs while the district maintenance and operations staff works to ensure major repairs are addressed in a timely manner. Deep cleaning takes place during the summer months to make certain the school is ready for the new school year. We are glad to report no major repairs are currently underway, nor has there been a need for major repairs this school year. We are excited about the Measure M funds providing much need improvements. Future Modernization funding will be discussed and involve all stakeholders.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the Pupil Achievement State Priority (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

- **SARC Reporting in the 2020 - 2021 School Year Only**

Where the most viable option, LEAs were required to administer the statewide summative assessments for ELA and mathematics. Where a statewide summative assessment was not the most viable option for the LEA (or for one or more grade-level[s] within the LEA) due to the pandemic, LEAs were allowed to report results from a different assessment that met the criteria established by the State Board of Education (SBE) on March 16, 2021. The assessments were required to be:

- Aligned with CA CCSS for ELA and mathematics;
- Available to students in grades 3 through 8, and grade 11; and
- Uniformly administered across a grade, grade span, school, or district to all eligible students.

- **Options:** Note that the CAAs could only be administered in-person following health and safety requirements. If it was not viable for the LEA to administer the CAAs in person with health and safety guidelines in place, the LEA was directed to not administer the tests. There were no other assessment options available for the CAAs. Schools administered the Smarter Balanced Summative Assessments for ELA and mathematics, other assessments that meet the SBE criteria, or a combination of both, and they could only choose one of the following:

- Smarter Balanced ELA and mathematics summative assessments;
- Other assessments meeting the SBE criteria; or
- Combination of Smarter Balanced ELA and mathematics summative assessments and other assessments.

- **College and Career Ready:** The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Mathematics (grades 3-8 and 11)	N/A	N/A	N/A	N/A	N/A	N/A

Note: The 2019-2020 data cells with N/A values indicate that the 2019-2020 data are not available due to the COVID-19 pandemic and resulting summative test suspension. The Executive Order N-30-20 was issued which waived the assessment, accountability, and reporting requirements for the 2019-2020 school year.

Note: The 2020-2021 data cells have N/A values because these data are not comparable to other year data due to the COVID-19 pandemic during the 2020-2021 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020-2021 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020-2021 school year to other school years.

Career Technical Education Programs (School Year 2021 - 2022)

Career Technical Education (CTE) provides opportunities for SHS students to prepare for college, career and life through a Linked Learning approach that integrates rigorous academics, technical skills, relevant real-world experiences, work-based learning opportunities, and wrap-around support to help students develop the 21st-century skills and habits of mind they will need to succeed after graduation. Guidance and career counselors offer support focused on achieving the outcomes described in the EGUSD Graduate Profile.

SHS offers the following CTE programs that promote leadership, develop job-related skills, offer work-based learning opportunities, and increase interest in school: California Partnership Academies (CPA), High Quality Career Pathways (HQCP), and Explore CTE Programs. CPAs feature cohort scheduling in CTE and academic core classes, integrated projects, and work-based learning opportunities. HQCPs provide a two-to-three year sequence of CTE courses within a career pathway. Pathway programs offer work-based learning opportunities and industry-recognized certification when available. Explore CTE programs, open to students across the district, allow students to complete an intensive training course in one year or less, take courses leading to industry certification, or experience internships. All CTE programs have an advisory committee that includes industry representatives for guidance and input. CTE programs at SHS also allow students to meet graduation and A-G requirements through courses that incorporate state-adopted academic standards. In 2018-19, SHS offered the following CTE programs: Agriculture/FFA (HQCP), Animation (HQCP/Explore), Biotech Academy (CPA), Computer Science, Engineering and Building Trades Academy (HQCP), EQUITAS (Govt), Graphic Arts (HQCP), Software and Systems Development (HQCP), the VAPA Academy, and the Entrepreneurship Pathway (HQCP). Our Bio-Tech program has received a California Department of Education grant to support internships and mentoring within the Bio-Tech professional community. The California Department of Education named Sheldon High School Visual and Performing Arts department as a MODEL DEMONSTRATION SITE! SHS was the first comprehensive high school to receive this distinction.

Individual student assessment of work readiness skills in CTE programs takes place through end-of-course exams, projects, portfolios and defense of learning, industry certifications, and other means. Our CTE programs are evaluated through multiple measures, including the number of students completing a CTE pathway, graduation rates, A-G completion rates, GPA, and attendance. Our CTE teams complete a rigorous self-reflection process, followed by district certification. The district collects data regarding continued education and employment from students one year after graduation.

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

[Opportunities for Parental Involvement \(School Year 2021 - 2022\)](#)

Our school has an active SPAC (Sheldon Parents Advisory Council and School Site Council). Our SPAC, and SSC provides many ways for the community to truly support their students and teachers. Parents can become involved in our school by volunteering with student activities, attending school functions and joining the SPAC. Read about them on our Website: www.sheldonhuskies.com. For more information on parent involvement opportunities, you may contact Vanessa Ibarra at 681-7500 or sheldonvolunteer@gmail.com

School Safety Plan (School Year 2021 - 2022)

Academic achievement of our students, and the safety of our students are paramount. Our district is committed to providing a safe, secure environment for learning. Our staff reviews our School Safety Plan yearly, and it is being reviewed March 2022 An "Emergency Handbook", outlining a plan of action for emergencies such as earthquakes, fires, floods, and chemical spills, is kept in the school office. Random, periodic school safety inspections are conducted by the County of Sacramento and our school site. The district's Police Services Department works closely with our school site to provide a safe, secure environment for all students. Our School Resource Officer and the security staff also monitor all after school events, such as games and dances. We will reinstate visitors once COVID protocols allow.

[Types of Services Funded \(Fiscal Year 2021 - 2022\)](#)

At our school, we have highly qualified staff to assist students with special learning needs. Our Resource Specialist Program (RSP) services not only special education students, but also general education students who need additional support to meet the standards. Bilingual Teaching Associates help our English Learners access the core curriculum and are placed in classes to assist students with learning English. Students participate in Honors and Advanced Placement courses as well as academic competitions. Students who need extra tutoring or homework help can be mentored by an older student or by a teacher. The school provides a tutoring schedule, in every academic subject area. Advanced Placement classes participate in outside of school study sessions to support AP exams taken in the spring. C.T.E. identified pathways: Bio-Tech, ArtsWork, Business, Engineering/Building Trades, and Agriculture.

Professional Development

Staff Development at Sheldon High School involves school wide and department collaboration as well as articulation with our elementary and middle schools Schoolwide our PLC (Professional Learning Communities focus is on rigor-relevance-relationships CCSS (Common Core) and NGSS (Next Generation Science Standards) Schoolwide strategies and discussions that focus on relationship building are ongoing. Departments work in curriculum teams to review CST and testing data to adjust instruction. Departments are working closely to develop common assessments that support Common Core State Standards. Our departments have participated in staff development workshops and meetings that focus on strategies to increase collaboration and share content teaching as well as work together to identify areas of focus. Writing is a focus for all disciplines with training led by our English dept. New teachers are provided release days to observe colleagues. All teachers are given an opportunity to visit other classes as part of our staff development focus of rigor-relevance-relationship

Addendum

On July 14, 2021, the California State Board of Education (SBE) determined that the California Department of Education (CDE) will use the SARC Web Application as the mechanism to conduct a one-time data collection of the LEA-level aggregate test results of all school's local assessments administered during the 2020-2021 school year in order to meet the federal Every Student Succeeds Act (ESSA) reporting requirement for the Local Educational Agency Accountability Report Cards (LARCs).

Each local educational agency (LEA) is responsible for preparing and posting their annual LARC in accordance with the federal ESSA. As a courtesy, the CDE prepares and posts the LARCs on behalf of all LEAs.

Only for the 2020-2021 school year and the 2020-2021 LARCs, LEAs are required to report their aggregate local assessments test results at the LEA-level to the CDE by populating the tables below via the SARC Web Application. These data will be used to meet the LEAs' federal requirement for their LARCs. Note that it is the responsibility of the school and LEA to ensure that all student privacy and suppression rules are in place when reporting data in Tables 3 and 4 in the Addendum, as applicable.

The tables below are not part of the SBE approved 2020-2021 SARC template but rather are the mechanism by which these required data will be collected from LEAs.

For purposes of the LARC and the following tables, an LEA is defined as a school district, a county office of education, or a direct funded charter school.
