

California Department of Education School Accountability Report Card

Reported Using Data from the 2021 - 2022 School Year
Published During 2022 - 2023

For: Sierra Enterprise Elementary

Address: 9115 Fruitridge Rd, Sacramento, CA 95826
Principal: Patricia Hecht

Phone: 916-381-2767
Grade Span: K-6

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description and Mission Statement (School Year 2022 - 2023)

<p>Sierra Enterprise Elementary We Rise Up</p> <p>Sierra Enterprise Elementary strives toward creating an environment that ensures each child the ability to meet their fullest potential. Our teachers support student instruction with engaging activities, small group and large group teaching, as well as the differentiation of instruction. We use data to drive instruction goals.</p> <p>Our goal is to create students that are life-long learners, successful leaders, and citizens in our community. Our students have access to after school tutoring, ASES (after school program), school wide staff mentoring to assist them in being successful during the school day. All staff teach character development strategies, and a school wide discipline program provides our students the expectations and guidance needed to be successful at school.</p> <p>Our school site has pre-K, Title I/Head start, Pre K-6 autism program and various other special education classes. We are working on creating a campus that supports all learners in an environment that is warm, welcoming, and accepting of everyone.</p> <p>Parent involvement continues to be an important aspect of the success at Sierra Enterprise Elementary School. Parents support student success by sending a clear message that education and regular school attendance are important to the family. Our School Site Council, English Learner Advisory Committee, GATE/Accelerated Parent Advisory, and PBIS/safety committee provide opportunities for family and community members to ask questions and offer solutions.</p> <p>The safety of our students is our school's first priority. Our school site council creates and implements a school safety plan each year. Our discipline policy is strictly enforced. We emphasize cooperation and responsible, respectful behavior. Sierra Enterprise is a safe, comfortable and caring place where both staff and students can meet their fullest potential. We welcome both parent and community support, and all that will provide our students and staff opportunities to grow and learn as we continue to soar to success.</p> <p>Patricia Hecht, Principal Sierra Enterprise Elementary</p>

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the Basic State Priority (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

Teacher Preparation and Placement (School Year 2020 - 2021)

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned to based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

School Facility Conditions and Planned Improvements (School Year 2022 - 2023)

Sierra Enterprise has 34 classrooms, a multipurpose room, a library, and an administration building. Sierra Enterprise also has a computer lab. The main campus was built in 1954. The kindergarten building, administration building and new multipurpose room were constructed in 1995. Six portable classrooms were constructed in 1999 for Class Size Reduction. Three outdoor playgrounds provide students play opportunities. The school also has a very large grass area that allows students ample opportunity to play at recess. The parking lot was expanded and includes a new parent pick-up and drop off zone.

The LEA takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the LEA uses a facility survey instrument developed by the State of California Office of Public School Construction. The results of this survey are available at the district office. Included is information from the facility survey instrument on the condition of the school and the efforts made to ensure that students are provided with a clean, safe, and functional learning environment. Our school received an "Exemplary" status based on the State's definitions for each of the eight categories evaluated, which is the highest rating possible.

The district's maintenance and grounds departments work in concert with the school site custodial team to ensure that school buildings, classrooms, and grounds are maintained at exceptional levels to provide a safe and functional environment for all students. The district utilizes the latest electronic work order system enabling site administration and custodians to communicate maintenance needs, urgent repairs, or necessary projects. Emergency repair needs are immediately resolved by either the school custodian or district maintenance staff. The school's custodians work as a team and with the principal to develop a daily cleaning process and schedule. Each morning the custodian inspects the school prior to students and staff entering school grounds. Restrooms are inspected throughout the day to ensure that they are adequately stocked, safe, and sanitary. The Board of Education has adopted cleaning standards for all schools in the district. A summary of these standards is available at the school office, or at the district office.

The State Deferred Maintenance Program (DMP) was established in 1980 to aid districts in major maintenance projects. Beginning with the 2013-2014 fiscal year and the inception of the Local Control Funding Formula (LCFF) the State has intended for Deferred Maintenance needs and expenses to be included in the District's LCFF allotment. The district continues to fund routine projects previously considered as part of the State's former DMP at levels required by the State and continues to use local resources.

At this time, Sierra Enterprise received a new HVAC system and a new roof as part of a long-term modernization project. The parking lot was extended over the summer of 2020. Modernization of the school will continue over the next few years.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the Pupil Achievement State Priority (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
 2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
 3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).
- **College and Career Ready:** The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

CAASPP Test Results in English Language Arts/Literacy (ELA) and Mathematics for All Students Grades Three through Eight and Grade Eleven taking and completing a state-administered assessment Percentage of Students Meeting or Exceeding the State Standards

Subject	School 2020 - 2021	School 2021 - 2022	District 2020 - 2021	District 2021 - 2022	State 2020 - 2021	State 2021 - 2022
English Language Arts/Literacy (grades 3-8 and 11)	N/A	34	N/A	52	N/A	47
Mathematics (grades 3-8 and 11)	N/A	24	N/A	40	N/A	33

Note: Where it was the most viable option, in 2020-21, LEAs were required to administer the statewide summative assessment in ELA and mathematics and where a statewide summative assessment was not the most viable option for the LEA, LEAs were permitted to report results from a different assessment that meets the criteria established by the California State Board of Education on March 16, 2021. The 2020-21 data cells for the school, district, state have N/A values because these data are not comparable to 2021-22 data.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the Other Pupil Outcomes State Priority (Priority 8):

- Pupil outcomes in the subject area of physical education.

California Physical Fitness Test Results (School Year 2021 - 2022)

Note: Due to changes to the 2021-22 PFT administration, only participation results are required for these five fitness areas.

Note: Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

[Opportunities for Parental Involvement \(School Year 2022 - 2023\)](#)

At Sierra Enterprise Elementary School, there are a number of ways to become involved with your child's education. You may volunteer in your child's classroom, attend parent conferences, family nights, Back to School Night, Open House, PBIS/safety and School Site Council. For more information on parent involvement opportunities, you may contact the principal, Patricia Hecht, at (916)381-2767.

State Priority: School Climate

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

Suspensions and Expulsions

(data collected between July through June, each full school year respectively)

Rate	School 2020 - 2021	School 2021 - 2022	District 2020 - 2021	District 2021 - 2022	State 2020 - 2021	State 2021 - 2022

Expulsions	0.0%	0.0%	0.0%	0.0%	0.0%	0.1%

Note: Data collected during the 2020-21 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

Suspensions and Expulsions for School Year 2019 - 2020 Only

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019 - 2020	District 2019 - 2020	State 2019 - 2020
Suspensions	1.02%	4.02%	2.45%
Expulsions	0.00%	0.03%	0.05%

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to other year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to other school years.

[School Safety Plan \(School Year 2022 - 2023\)](#)

Safety is our first priority at Sierra Enterprise Elementary School. Our School Safety Plan was reviewed by the School Site Council in February 2023, and presented during our staff meeting. All visitors must sign-in at the office and provide a photo identification. An "Emergency Handbook", outlining a plan of action for emergencies such as earthquakes, fires, floods, and chemical spills, is kept in the school office. Adult supervision is provided before and after school to support student supervision. Random, periodic school safety inspections are conducted by the County of Sacramento. The safety plan includes supervision plans for students arriving before and after school. The entire campus is a locked campus and visitors must check in at the office.

Types of Services Funded (Fiscal Year 2022 - 2023)

At our school we have highly qualified staff to assist students with special learning needs. All students are provided classrooms and programs that meet their goals and academic needs. Our Learning Center services not only special education students, but also general education students who need additional support to meet the standards. Our English Learners receive support from our Bilingual Teaching Associate and direct instruction of ELD Wonders by a trained teacher. Gifted and Talented students are provided skill specific activities and higher-level thinking opportunities during their daily instruction. Our second and third graders will be learning how to play the recorder thanks to a Teichert Grant and the Sacramento Philharmonic Carnegie Link In program.

Professional Development

Our school and district offer a variety of professional learning opportunities for teachers, instructional aides, and non-instructional support staff. Our teachers will be focusing on Culturally and Linguistically Responsive Teaching. All teachers will continue to have learning opportunities around the standards, curriculum and Explicit Direct Instruction. Staff will also be supported by coach led professional development around the topics of Assessment and Intervention. Our teachers are also working on data collection and the use of data to drive instruction. Primary grade teachers are participating in letters training and piloting the math adoption materials. Finally, the district offers a variety of classes for support staff. Instructional aides, school secretaries, office clerks, and custodians may take classes that relate to their work such as learning new computer skills and learning to work more efficiently and in ergonomically correct ways.
