

California Department of Education School Accountability Report Card

Reported Using Data from the 2021 - 2022 School Year
Published During 2022 - 2023

For: Joseph Sims Elementary

Address: 3033 Buckminster Dr, Elk Grove, CA 95758
Principal: Robin Riley

Phone: 916-683-7445
Grade Span: K-6

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description and Mission Statement (School Year 2022 - 2023)

Joseph Sims Elementary
"Where students and teachers are rising stars!"

Joseph Sims Elementary is a community dedicated to providing a well-rounded education in a safe environment that is academically challenging and nurturing to all students. In recognition of our work in school wide achievement, we were proud to be honored twice with the California Distinguished School Award.

During the school day, our Learning Center offers programs that address the educational plans of students with special needs and we have nine K-6 Self-Contained Classes on our campus. We provide differentiated instruction in Reading, Language Arts, Mathematics, and enrichment activities through daily instruction and during WIN (What I Need) time. Our school proudly sponsors (thanks to our PTO) a full-time Visual and Performing Arts teacher who works with all students to provide grade level standards based art experiences and community performances. We support students with off-track intercession by teacher invitation and have a before or after school program for our GATE identified students. Our PBIS team teaches anti-bullying curriculum and school expectations at Friday Morning Assemblies in the quad and each classroom begins the day with a community circle.

Achieving our school's vision involves a true partnership between home, school, and community. Sims collaborates with our Parent Teacher Organization to provide many opportunities throughout the year for our diverse community to gather in support of our students as a means to build community and relationships. Such events include Back to School Nights, Ice Cream Social, Harvest Moon Festival, Family Bingo Night, and Open House. In addition to our highly active Parent Teacher Organization, Sims has a School Site Council, English Language Advisory Committee (ELAC), Home visits, and a Student Leadership program that are all dedicated to the success of our school.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the Basic State Priority (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

Teacher Preparation and Placement (School Year 2020 - 2021)

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned to based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

School Facility Conditions and Planned Improvements (School Year 2022 - 2023)

The district takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the district uses a facility survey instrument developed by the State of California Office of Public School Construction. Each month, the lead custodian, in collaboration with the site administrator, conducts a thorough inspection of the school grounds utilizing this survey instrument. On a daily basis, the custodial team provides supervision and maintenance from 6:00 am - 10:00 pm. During these hours the school facilities are thoroughly cleaned, the classrooms are inspected, the playground is maintained and the restrooms are checked hourly. Joseph Sims Elementary has 37 classrooms, a multipurpose room, a library, a computer lab, and an administration building. The main campus was built in 1998. Many smaller classrooms were expanded in June of 2011 to accommodate up to 30 plus students in a classroom if the need arises. In 2019, a shade structure was added to the playground. Replacement of outside bricks with stucco was completed in 2021. A water purifier was installed on the playground in 2022.

The LEA takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the LEA uses a facility survey instrument developed by the State of California Office of Public School Construction. The results of this survey are available at the district office. Included is information from the facility survey instrument on the condition of the school and the efforts made to ensure that students are provided with a clean, safe, and functional learning environment. Our school received an "Exemplary" status based on the State's definitions for each of the eight categories evaluated, which is the highest rating possible.

District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority. The district governing board has adopted cleaning standards for all schools in the district. A summary of these standards is available at the school office or the district Facilities Department. The principal works with the custodial staff to develop cleaning schedules to ensure a clean and safe school.

The State Deferred Maintenance Program (DMP) was established in 1980 to aid districts in major maintenance projects. Beginning with the 2013-2014 fiscal year and the inception of the Local Control Funding Formula (LCFF) the State has intended for Deferred Maintenance needs and expenses to be included in the District's LCFF allotment. The district continues to fund routine projects previously considered as part of the State's former DMP at levels required by the State and continues to use local resources.

There are no corrective actions necessary at this time.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the Pupil Achievement State Priority (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
 2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
 3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).
- **College and Career Ready:** The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

CAASPP Test Results in English Language Arts/Literacy (ELA) and Mathematics for All Students Grades Three through Eight and Grade Eleven taking and completing a state-administered assessment Percentage of Students Meeting or Exceeding the State Standards

Subject	School 2020 - 2021	School 2021 - 2022	District 2020 - 2021	District 2021 - 2022	State 2020 - 2021	State 2021 - 2022
English Language Arts/Literacy (grades 3-8 and 11)	N/A	55	N/A	52	N/A	47
Mathematics (grades 3-8 and 11)	N/A	39	N/A	40	N/A	33

Note: Where it was the most viable option, in 2020-21, LEAs were required to administer the statewide summative assessment in ELA and mathematics and where a statewide summative assessment was not the most viable option for the LEA, LEAs were permitted to report results from a different assessment that meets the criteria established by the California State Board of Education on March 16, 2021. The 2020-21 data cells for the school, district, state have N/A values because these data are not comparable to 2021-22 data.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the Other Pupil Outcomes State Priority (Priority 8):

- Pupil outcomes in the subject area of physical education.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

[Opportunities for Parental Involvement \(School Year 2022 - 2023\)](#)

Parent support and involvement is an important aspect of the success at Joseph Sims Elementary. There are a variety of ways to become involved. Many parents and community members volunteer in the classrooms, participate on one of many of our Parent Teacher Organization (PTO) committees; to join visit josephsimspto.org. Our active PTO raises thousands of dollars annually through events like our Ice Cream Social and Jog-a-thon to support a variety of enrichment programs. For more information please contact our principal Mrs. Riley, at 916-683-7445.

State Priority: School Climate

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

Expulsions	0.0%	0.0%	0.0%	0.0%	0.0%	0.1%

Note: Data collected during the 2020-21 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

Suspensions and Expulsions for School Year 2019 - 2020 Only

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019 - 2020	District 2019 - 2020	State 2019 - 2020
Suspensions	1.10%	4.02%	2.45%
Expulsions	0.00%	0.03%	0.05%

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to other year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to other school years.

School Safety Plan (School Year 2022 - 2023)

We believe that nothing should get in the way of the academic achievement of our students. EGUSD is committed to providing a safe, secure environment for learning. An "Emergency Handbook", outlining a plan of action for emergencies such as earthquakes, fires, and floods, is kept in the school office. The district's Security and Safety Department works closely with our school site to provide a safe, secure environment for all students. A review of our school safety plan was conducted by all staff in July of 2022 and Mass Casualty training was done in November 2018. Day to day safety at Sims includes a mandatory visitor sign-in for all visitors. All gates are kept locked to limit accessibility during school hours, staff help supervise students to ensure safety on campus and at all crosswalks for 10 minutes before and after school. Administration recommends all classroom doors remain closed and locked during school hours.

Types of Services Funded (Fiscal Year 2022 - 2023)

At our school, we have highly qualified staff to assist students with special learning needs. Our Learning Center provides services for special education students. There are nine Self-Contained LEVELS Classes at Joseph Sims. Five level 3 classes and four Level 4 classes. Placements into these specialized classrooms are determined by Individualized Education Plans (IEP). Questions regarding these classes can be directed to Student Support Services at (916)686-7780. All English Language Learners participate in direct English instruction through our WIN time, Monday through Friday. The needs of Gifted and Talented students are met within the classroom by providing enrichment experiences and/or during WIN time and with participation in before/after school programs. All students have 200 minutes of PE every 10 days, check out books from our Library, have 1:1 Chromebooks and access to our Computer Lab and receive dance and art instruction from a VAPA teacher.

Professional Development

Our school and district offer a variety of professional learning opportunities for teachers, instructional aides, and non-instructional support staff. Currently, our school is focusing on the newly adopted Next Generation Science Standards. New teachers who have been teaching fewer than two years are supported by the district's Beginning Teacher Program. They meet weekly with an experienced mentor to discuss their successes, challenges, and work on specific strategies to meet the needs of all students in their classrooms. Our school has an instructional coach and an equity coach. All staff members will participate in 14 hours of district required professional development in 2023-2024. Finally, the district offers a variety of classes for support staff. Paraprofessionals, administrative assistants, office clerks, and custodians may take classes that relate to their work such as learning new computer skills and learning to work more efficiently and in ergonomically correct ways.
