Reported Using Data from the 2021 - 2022 School Year  
Published During 2022 - 2023

**For: T. R. Smedberg Middle School**

**Address:** 8239 Kingsbridge Dr, Sacramento, CA 95829  
**Principal:** Richard Wall

**Phone:** 916-681-7525  
**Grade Span:** 7-8

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents and community members should contact the school principal or the district office.

### **DataQuest**

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

### **California School Dashboard**

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

### **Internet Access**

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

### School Description and Mission Statement (School Year 2022 - 2023)

T. R. Smedberg Middle School serves 7th and 8th grade students in the Sheldon High School region of the Elk Grove Unified School District. We are the home of The Wolverines and our diverse student population receives a wide variety of learning experiences that will prepare them for success in high school and beyond. We recognize that not all students are in the same place with their academic skills. Students who demonstrate a need for additional support are enrolled in intervention classes and receive additional help in after-school programs; students who demonstrate skills "above the norm" have opportunities to continue to excel in honors classes, our GATE program and academic competition teams such as Science Olympiad and Mathletes. With Sheldon High school "next door," Smedberg students can participate in the high school orchestra or take a variety of World Language classes including Spanish and Japanese. Additionally, Smedberg provides a vibrant Vocational, Visual and Performing Arts (VVAPA) program in the classroom. Students learn vocational skills in our fully equipped Woodshop and Computer classes or explore the performing arts through our fully staffed dance, theater, or music programs. Our arts program includes beginning and intermediate learning opportunities. To further develop the whole student, Smedberg has incorporated time into the regular school schedule for clubs to meet on campus once a week. Students participate in a wide variety of clubs, including: Ukulele, The Asian Association, Golf, Dumbledore's Army, Black Student Union, Chess, or over 20 other clubs that are sponsored by Smedberg teachers.

We appreciate and celebrate the wealth of diversity our students bring to our school. At Smedberg, we rise to the challenge of providing all of our students with a quality education that will equip them to realize their greatest potential.

### School Facility Conditions and Planned Improvements (School Year 2022 - 2023)

T. R. Smedberg opened in 1997. The facility includes 42 classrooms, a fully functional, state of the art woodshop, a dance studio, a band/choir room, a multipurpose room, a main and auxiliary gym, a library, and an administration building.

The LEA takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the LEA uses a facility survey instrument developed by the State of California Office of Public School Construction. The results of this survey are available at the district office. Included is information from the facility survey instrument on the condition of the school and the efforts made to ensure that students are provided with a clean, safe, and functional learning environment. Our school received an "Exemplary" status based on the State's definitions for each of the eight categories evaluated, which is the highest rating possible.

Smedberg's site custodial team works with the district's Maintenance and Grounds departments to ensure that our school site is maintained at suitable levels to provide a safe and functional environment for all students. The district utilizes the latest electronic work order system, enabling site administration and the lead custodian to communicate maintenance needs, urgent repairs, or necessary projects to the district team. Emergency repairs are immediately resolved by either the school staff or district maintenance staff. The school's custodians work as a team with site administration to develop a daily cleaning process and schedule. Each morning the custodian inspects the school prior to students and staff entering school grounds. Restrooms are inspected throughout the day to ensure they are adequately stocked, safe, and sanitary. The Board of Education has adopted cleaning standards for all schools in the district. A summary of these standards is available at the school office, or at the district office.

The State Deferred Maintenance Program (DMP) was established in 1980 to aid districts in major maintenance projects. Beginning with the 2013-2014 fiscal year and the inception of the Local Control Funding Formula (LCFF) the State has intended for Deferred Maintenance needs and expenses to be included in the District's LCFF allotment. The district continues to fund routine projects previously considered as part of the State's former DMP at levels required by the State and continues to use local resources.

This Summer the district installed a large shade structure in the center of campus. This provides students an additional place, out of the sun and rain, to eat and mingle during lunch time. No facilities projects taking place at this time.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the Pupil Achievement State Priority (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
  2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
  3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).
- **College and Career Ready:** The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

### CAASPP Test Results in English Language Arts/Literacy (ELA) and Mathematics for All Students Grades Three through Eight and Grade Eleven taking and completing a state-administered assessment Percentage of Students Meeting or Exceeding the State Standards

Subject	School 2020 - 2021	School 2021 - 2022	District 2020 - 2021	District 2021 - 2022	State 2020 - 2021	State 2021 - 2022
English Language Arts/Literacy (grades 3-8 and 11)	N/A	44	N/A	52	N/A	47
Mathematics (grades 3-8 and 11)	N/A	27	N/A	40	N/A	33

Note: Where it was the most viable option, in 2020-21, LEAs were required to administer the statewide summative assessment in ELA and mathematics and where a statewide summative assessment was not the most viable option for the LEA, LEAs were permitted to report results from a different assessment that meets the criteria established by the California State Board of Education on March 16, 2021. The 2020-21 data cells for the school, district, state have N/A values because these data are not comparable to 2021-22 data.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

### [Opportunities for Parental Involvement \(School Year 2022 - 2023\)](#)

We encourage direct, family participation in a variety of ways including parent education nights and on-campus activities. Through Smedberg's School Site Council, parents play an important role in developing our site plan, including identifying educational programs and the determining spending of school funds. To be involved, parents/guardians can contact Kristan Manning, the School Secretary, at 916-681-7525 or by email at [kmanning@egusd.net](mailto:kmanning@egusd.net) to learn more on how they can participate. Tenemos una secretaria que habla Español y puede ayudar a traducir.

**State Priority: School Climate**

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

**Suspensions and Expulsions**

(data collected between July through June, each full school year respectively)

Rate	School 2020 - 2021	School 2021 - 2022	District 2020 - 2021	District 2021 - 2022	State 2020 - 2021	State 2021 - 2022

Expulsions	0.0%	0.0%	0.0%	0.0%	0.0%	0.1%

Note: Data collected during the 2020-21 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

**Suspensions and Expulsions for School Year 2019 - 2020 Only**

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Suspensions	13.29%	4.02%	2.45%
Expulsions	0.16%	0.03%	0.05%

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to other year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to other school years.

### [School Safety Plan \(School Year 2022 - 2023\)](#)

The safety of our students is a top priority for us. We know that when students feel safe, they are free to focus on learning. Expectations for student behavior are clearly explained in the student handbook and reviewed regularly in Advocacy class. In line with state mandates, the school regularly conducts fire, earthquake, and intruder drills. With access limited to the front office, our staff ensures that all visitors sign-in, wear ID, and go straight to and from designated locations. The School Safety Plan is revised annually by staff and parents. Included in the plan are monitoring practices that not only address student safety during school hours, but before and after school as well. The final draft of the current School Safety Plan was adopted by Smedberg's School Site Council in January 2023.

While in their own classroom, Special Education teachers specialize in working with small groups of students, utilizing strategies that address the specific learning needs of students. Additionally, English Language (EL) students are provided direct English Language Development instruction or specialized instruction in EL classes if they are new to our country. Additional support for EL students is provided through our after school EL Academic Support Program.

## Professional Development

Smedberg teachers receive on-going training from the district in the critical elements of the Common Core curriculum and instruction. Teachers continue to be trained in strategies that engage students in the critical thinking and knowledge application skills required by the Common Core. In addition, the staff has received training in instructional strategies to meet the needs of English Language Learning students as well as supporting the social/emotional needs of all students. The district also offers a variety of professional growth opportunities for our support staff. Instructional aides, school secretaries, office clerks, and custodians may take classes and receive training in job skills and techniques that will make them more effective and efficient in their work.
