

California Department of Education School Accountability Report Card

Reported Using Data from the 2023 - 2024 School Year
Published During 2024 - 2025

For: Stone Lake Elementary

Address: 9673 Lakepoint Drive, Elk Grove, CA 95758
Principal: Mark Beard

Phone: 916-683-4096
Grade Span: K-6

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>
- For additional information about the school, parents and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

Admission Requirements for the University of California (UC)

Admission requirements for the UC follow guidelines set forth in the Master Plan, which requires that the top one-eighth of the state's high school graduates, as well as those transfer students who have successfully completed specified college course work, be eligible for admission to the UC. These requirements are designed to ensure that all eligible students are adequately prepared for University-level work. For general admissions requirements, please visit the UC Admissions Information website at <https://admission.universityofcalifornia.edu/>.

Admission Requirements for the California State University (CSU)

Eligibility for admission to the CSU is determined by three factors: (1) Specific high school courses, (2) Grades in specified courses and test scores, and (3) Graduation from high school. Some campuses have higher standards for particular majors or students who live outside the local campus area. Because of the number of students who apply, a few campuses have higher standards (supplementary admission criteria) for all applicants. Most CSU campuses have local admission guarantee policies for students who graduate or transfer from high schools and colleges that are historically served by a CSU campus in that region. For admission, application, and fee information, see the CSU website at <https://www2.calstate.edu>.

School Description and Mission Statement (School Year 2024 - 2025)

At Stone Lake Elementary School, in collaboration with staff, families, and students, we will continue a tradition of high academic achievement. We will provide a safe environment that promotes hard work, independence, respect, responsibility, and tolerance while encouraging all learners to be successful in a culturally diverse society. Our efforts, along with our partnership with the Stone Lake Community, will enable ALL students to take pride and ownership in their school and continue on their path to college and career readiness.

Our academic program is based on the Common Core State Standards. Our collaborative teacher teams meet to analyze data and determine the best ways to meet the needs of students. We also utilize Positive Behavioral Intervention and Supports (PBIS) to help us create a safe and positive learning environment.

Extra-curricular activities are important at Stone Lake, and we provide numerous activities that help make for well-rounded students. NEHS, Stone Lake Gazette, Young Rembrandts Art Club athletic teams, and EDMO are some of the extra-curricular options for students this school year.

Assist ExL offers an after-school program for our kinder through sixth grade students. This program provides students a safe place to stay after school, while working on homework and participating in enrichment activities. The program operates from 3:00 P.M.-5:30 P.M. each day students are in session.

The Stone Lake PTO is the backbone of our school, and the additional resources they provide our staff and school helps to create a well-rounded environment for our students.

Parents can expect that the administrative team will use multiple methods to communicate with our community and do our best to keep families connected to our school. Parents are invited to monthly Zoom parent meetings with the administrative team that provide parents a forum to receive information and also ask questions.

In closing, as your principal, I am committed to making sure that every student at Stone Lake Elementary School is learning in every classroom, in every subject, every day, while doing so in a safe and engaging environment that values a healthy mind and a healthy body. With the support of our parents and the dedication and hard work of our staff, I am sure that Stone Lake will continue to Soar Like HAWKS!

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the Basic State Priority (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

Teacher Preparation and Placement (School Year 2020 - 2021)

School Facility Conditions and Planned Improvements (School Year 2024 - 2025)

The district takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the district uses a facility survey instrument developed by the State of California Office of Public School Construction. Our beautiful campus was built in 1999-2000, with Stone Lake Elementary opening their doors in August 2000. In 2003-2004 a new kindergarten classroom was added to our campus. We have 28 classrooms; a large multipurpose room, which also houses our stage and kitchen; a computer lab with 41 computers; and a library with over 13,000 volumes and 10 computers for student's use. We are proud of our campus and strive to keep our school in good repair so it is clean, safe, functional, and provides an orderly environment for teaching and learning.

The LEA takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the LEA uses a facility survey instrument developed by the State of California Office of Public School Construction. The results of this survey are available at the district office. Included is information from the facility survey instrument on the condition of the school and the efforts made to ensure that students are provided with a clean, safe, and functional learning environment. Our school received an "Exemplary" status based on the State's definitions for each of the eight categories evaluated, which is the highest rating possible.

District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority. The district governing board has adopted cleaning standards for all schools in the district. A summary of these standards is available at the school office or the district Facilities Department. The principal works with the custodial staff to develop cleaning schedules to ensure a clean and safe school.

The State Deferred Maintenance Program (DMP) was established in 1980 to aid districts in major maintenance projects. Beginning with the 2013-2014 fiscal year and the inception of the Local Control Funding Formula (LCFF) the State has intended for Deferred Maintenance needs and expenses to be included in the District's LCFF allotment. The district continues to fund routine projects previously considered as part of the State's former DMP at levels required by the State and continues to use local resources.

A new MP room sound system will be installed by the end of the 2024-2025 school year.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the Pupil Achievement State Priority (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System includes assessments for English language arts/literacy [ELA], mathematics, and science for students in the general education population and the California Alternate Assessment [CAA]. Only eligible students may participate in the administration of the CAA. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] or California Next Generation Science Standards [CA NGSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAA for ELA** in grades three through eight and grade eleven.
 2. **Smarter Balanced Summative Assessments and CAA for mathematics** in grades three through eight and grade eleven.
 3. **California Science Test (CAST) and CAA for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).
- **College and Career Ready:** The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessments and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAA divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

[Opportunities for Parental Involvement \(School Year 2024 - 2025\)](#)

Stone Lake Elementary values and relies on the support of parents. Parents can get involved in many ways. Parents can attend Back to School Nights, Open House, attend community events like our Ice Cream Social, Fall Festival, restaurant nights, and numerous other PTO sponsored events. Parents can volunteer in the class, join our PTO, our English Language Advisory Committee, or our School Site Council. Contact the principal, Mark Beard at 916-683-40960, or via email at mhbeard@egusd.net.

State Priority: School Climate

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan (School Year 2024 - 2025)

Safety is the priority for all staff at Stone Lake Elementary School. Students are supervised before and after school by our staff, which includes school administration. Staff are located at various points around the school, and our staff members man crosswalks before and after school. Our gates are locked daily at 8:30 AM, and all visitors arriving at our school must check-in through the office and receive a visitor's badge. All volunteers must be fingerprinted. Our staff, Leadership team, and School Site Council reviewed our School Safety Plan in September. Every common area of our school has an Emergency Guidelines flip chart for quick reference in emergency situations. Our school has regularly scheduled emergency drills so that we practice what needs to be done in all emergency situations. Our school site is also supported by our district's Police Services Department.

Types of Services Funded (Fiscal Year 2023 - 2024)

We have highly qualified staff to assist students with special learning needs. Stone Lake offers specialized classes that meet the needs of preschool students with intensive speech and language needs. Programs/Program for the Acquisition of Language and Social Skills are also available via EGUSD identification. We also have an Academic Behavior and Social Supports class for specially identified first and second grade students. Our Learning Center services special education students who need additional support to meet the standards via IEP identification. We also offer English Language Development support for our limited English speakers. Our school also utilizes the services of a speech specialist to offer support for students with speech and language needs. In addition, Stone Lake has a Mental Health Therapist to offer support for our students as well.

Professional Development

Our school and district offer a variety of professional learning opportunities for teachers, instructional aides, and non-instructional support staff. For the 24-25 school year, our district and our school site have offered teachers professional learning opportunities in the areas of, Illuminate, early literacy training, and the framework for high quality instruction. All staff also have opportunities for continued professional learning opportunities around many other curricular areas via district offerings. Starting in 2023, all staff are required to complete 28 hours of professional development by 2024. This PD will have an emphasis on Diversity, Equity, and Inclusion (DEI). New teachers who have been teaching fewer than two years are supported by the district's beginning teacher program. They meet weekly with an experienced mentor to discuss their successes and challenges. The district offers a variety of classes for support staff. Instructional aides, school secretaries, office clerks, and custodians may take classes that relate to their work such as learning new computer skills and learning to work more efficiently and in ergonomically correct ways.
