

California Department of Education School Accountability Report Card

Reported Using Data from the 2022 - 2023 School Year
Published During 2023 - 2024

For: Valley High School

Address: 6300 Ehrhardt Avenue, Sacramento, CA 95823
Principal: Bridgette Kemp-Bell

Phone: 916-689-6500
Grade Span: 9-12

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>
- For additional information about the school, parents and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description and Mission Statement (School Year 2023 - 2024)

Valley High School is a place where high expectations lead to scholars' success. This success is rooted in the philosophy to support and prepare the academic and social-emotional wellbeing of ALL Viking scholars to be college, career and life ready graduates by engaging them in High Quality Instruction so that they can achieve and see positive results.

To support the social-emotional and well-being of all of our scholars, we designed a Wellness Center that provides counseling, support, and resources. The wellness center team includes a fulltime Wellness Counselor, District Social-Worker and a fulltime school psychologist. This team works closely with the schools' guidance counselors, administrators, and Special Education staff forming a SEAL Team (Social Emotional Academic Learning) where they design support for each scholar in need.

Further, our Wellness Center has a partnership with our Health Teach Academy which provides access to our community organizations that provide more targeted mental health services, such as Adolescent Counseling Services (ACS).

To support our incoming freshmen transition to high school, we have formed a Freshman Academy which will promote interpersonal skills, effective use of resources and a high degree of accountability. All Freshman scholars are expected to reach high standards in their academics and understand that good attendance is key to academic success.

Valley has the right balance of strong academic programs and interventions to meet the academic needs of all scholars. The following programs ensure that our scholars are college and career ready: Health TECH Academy, Project Lead the Way, Graphic Design, Advancement Via Individual Determination (AVID), Entrepreneurship, Leadership Development, Fire Science Academy, English Learner Multilingual Advocate Partnership Team (focused on supporting our English Learners), Special Education Support Service, Improve Your Tomorrow (IYT), Honors and Advanced Placement Courses, ASSETS - After School Program, and Summer Intersession.

Students are embraced by teachers with high expectations and a willingness to support them while persisting through rigorous, engaging course work. Valley staff work collaboratively to create opportunities for students that will enhance their ability to engage and contribute their unique accomplishments to a culturally diverse society.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the Basic State Priority (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

Teacher Preparation and Placement (School Year 2020 - 2021)

School Facility Conditions and Planned Improvements (School Year 2023 - 2024)

Valley High School opened in August 1977. Our school has ninety-two classrooms, four computer-lab classrooms, student services and administration buildings, a multipurpose room, small and main gymnasiums, a new maker-space building for Project Lead the Way and our entrepreneurship academies to collaborate and a library. We have added a new Fire Science building completed in the Spring of the 2020-2021 school year. Our newest addition is the Health Tech Clinic which opened in the summer of 2023. All sports are played at Valley High School with the exception of home football games which are played in the stadium at Cosumnes River College. This year our soccer boys and girls will be playing on our new turf field, which was funded by Measure M funds.

The LEA takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the LEA uses a facility survey instrument developed by the State of California Office of Public School Construction. The results of this survey are available at the district office. Included is information from the facility survey instrument on the condition of the school and the efforts made to ensure that students are provided with a clean, safe, and functional learning environment. Our school received an "Exemplary" status based on the State's definitions for each of the eight categories evaluated, which is the highest rating possible.

The district utilizes the latest electronic work order system enabling site administration and custodians to communicate maintenance needs, urgent repairs, or necessary projects. Emergency repair needs are immediately resolved by either the school custodian or district maintenance staff. Our site and district maintenance/custodial personal take immediate actions to sanitize and disinfect all areas each night. Custodians work as a team to develop a daily cleaning process and schedule. Restrooms are inspected and cleaned throughout the day to ensure that they are adequately stocked, safe, and sanitary. The Board of Education has adopted cleaning standards for all schools in the district. A summary of these standards is available at the school office, or at the district office.

The State Deferred Maintenance Program (DMP) was established in 1980 to aid districts in major maintenance projects. Beginning with the 2013-2014 fiscal year and the inception of the Local Control Funding Formula (LCFF) the State has intended for Deferred Maintenance needs and expenses to be included in the District's LCFF allotment. The district continues to fund routine projects previously considered as part of the State's former DMP at levels required by the State and continues to use local resources.

The first district-wide infusion of Measure M funds went to replace our roofs; an all-weather turf field and the modernization of our D-wing to a makerspace. Thereby, transforming the teaching and learning environment at Valley with 21st century classrooms designed with a suite of new digital tools and engineering equipment that are geared to create an engaging and personalized learning setting. In the spring of 2021, our new Fire Science Building was completed giving our scholars an opportunity to experience first-hand how firefighters train. Plans to replace our tennis courts will begin in the Spring of 2022. Site administration frequently communicates with maintenance and operations as well as facilities to monitor and prioritize the needs of the site.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the Pupil Achievement State Priority (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessment [CAA] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAA. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAA for ELA** in grades three through eight and grade eleven.
 2. **Smarter Balanced Summative Assessments and CAA for mathematics** in grades three through eight and grade eleven.
 3. **California Science Test (CAST) and CAA for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).
- **College and Career Ready:** The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Career Technical Education (CTE) Programs (School Year 2023 - 2024)

Career Technical Education (CTE) provides opportunities for VHS students to prepare for college, career and life. CTE offers a Linked Learning approach that integrates rigorous academics, technical skills, relevant real-world experiences, work-based learning opportunities, and wrap-around support to help students develop the 21st-century skills and habits of mind they will need to succeed after graduation. Guidance and career counselors offer additional support focused on achieving the outcomes described in the EGUSD Graduate Profile. These services focus on the following: transcript review, college readiness, A-G completion, course selection, Academy applications, college admissions, post-secondary school opportunities, and how to access resources within the school and surrounding community. Each student creates a 10-year plan that focuses on college, career, and beyond. VHS offers the following CTE programs that promote leadership, develop job-related skills, offer work-based learning opportunities, and increase interest in school: California Partnership Academies (CPA), High Quality Career Pathways (HQCP), and Explore CTE Programs (ECTE). CPAs feature cohort scheduling in CTE and academic core classes, integrated projects, and work-based learning opportunities. Pathway programs offer work-based learning opportunities and industry-recognized certification when available. Explore CTE programs, open to students across the district, allow students to complete an intensive training course in one year or less, take courses leading to industry certification, or experience internships. All CTE programs have an advisory committee that includes industry representatives for guidance and input. CTE programs at VHS also allow students to meet graduation requirements and complete A-G requirements. Individual student assessment of work readiness skills in CTE programs takes place through end-of-course exams, projects, portfolios and defense of learning, experience in internships or externships, and other means. Our CTE programs are evaluated through multiple measures, including CTE pathway completion, graduation rates, A-G completion rates, GPA, and attendance. Our CTE teams complete a rigorous self-reflection process, followed by district certification. The district collects data regarding continued education and employment from students one year after graduation.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

[Opportunities for Parental Involvement \(School Year 2023 - 2024\)](#)

Achieving our school's vision involves a strong partnership between school, home, and the community. Parents are encouraged to take an active role in their child's education by visiting the school, regularly communicating with teachers, and monitoring their child's academic progress. Parents/Guardians are encouraged to join Valley High School's parent organizations including School Site Council, English Language Advisory Committee, and our Parent Engagement Team. For more information, contact Tonya Britton, school secretary at 916-689-6500.

School Safety Plan (School Year 2023 - 2024)

Valley High School provides a safe, positive learning environment for all scholars. The School Safety Plan was reviewed by all stakeholders in October 2023. An Emergency Handbook, outlining a plan of action for earthquakes, fires, floods, and chemical spills, is kept in every classroom and the main office and lockdown/fire drills are conducted annually. Security staff and administrators monitor our scholars throughout campus from 7 a.m. - 6 p.m. In addition, the Sacramento Sheriff's Department provides a full-time Regional Sheriff Deputy to support our scholars' supervision and safety. Furthermore, all outside visitors are required to check-in through the main office. Valley High school has a School Safety Team which includes classified staff, certificated staff, students, and parents. This team meets monthly to evaluate and discuss the safety needs of the school.

Types of Services Funded (Fiscal Year 2023 - 2024)

All of the specialized programs at Valley High School are designed to meet the district's bold goal of 100% of Viking scholars being college and/or career ready. We offer the following academies and pathways: The Health TECH Academy, Project Lead the Way, AVID, Entrepreneurship and Fire Science. Our English Learner Multilingual Advocate Partnership offers a model program for English Learners. Honors and Advanced Placement courses are open to all interested scholars, and provide the rigor and college preparatory skills needed for all scholars. Academic intervention courses in math and English are provided to Viking scholars in need of additional support. Additionally, our before and after school program in conjunction with our Summer Intersession, provide remediation, enrichment, and support opportunities for hundreds of scholars.

Professional Development

EGUSD offers a variety of professional learning opportunities for all staff members. Teachers collaborate each week during Late Start Wednesday's and assigned PLC time on Wednesday afternoons. Special Education teachers have numerous opportunities to learn how to best meet the needs of students with learning disabilities through district workshops throughout the year. EGUSD supports the Positive Behavior Interventions and Supports (PBIS) program at school sites. Valley created a Wellness Center that supports our Tier 2 and 3 scholars with mental health counseling referrals. Finally, the district offers a variety of classes for support staff. Instructional aides, school secretaries, office clerks, and custodians may participate in classes that relate to their work
