

## California Department of Education School Accountability Report Card

Reported Using Data from the 2023 - 2024 School Year  
Published During 2024 - 2025

**For: Irene B. West Elementary**

**Address:** 8625 Serio Wy, Elk Grove, CA 95758  
**Principal:** Brian Mac Neill

**Phone:** 916-683-4362  
**Grade Span:** K-6

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>
- For additional information about the school, parents and community members should contact the school principal or the district office.

### DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

### California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

### Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

### Admission Requirements for the University of California (UC)

Admission requirements for the UC follow guidelines set forth in the Master Plan, which requires that the top one-eighth of the state's high school graduates, as well as those transfer students who have successfully completed specified college course work, be eligible for admission to the UC. These requirements are designed to ensure that all eligible students are adequately prepared for University-level work. For general admissions requirements, please visit the UC Admissions Information website at <https://admission.universityofcalifornia.edu/>.

### Admission Requirements for the California State University (CSU)

Eligibility for admission to the CSU is determined by three factors: (1) Specific high school courses, (2) Grades in specified courses and test scores, and (3) Graduation from high school. Some campuses have higher standards for particular majors or students who live outside the local campus area. Because of the number of students who apply, a few campuses have higher standards (supplementary admission criteria) for all applicants. Most CSU campuses have local admission guarantee policies for students who graduate or transfer from high schools and colleges that are historically served by a CSU campus in that region. For admission, application, and fee information, see the CSU website at <https://www2.calstate.edu>.

### School Description and Mission Statement (School Year 2024 - 2025)

PRINCIPAL'S MESSAGE  
Irene B. West Elementary  
A Community of Lifelong Learners!

Welcome to Irene B West - home of the Wildcats! The West families pride themselves on supporting the work of teachers and administrators at West by not only attending after school events and helping in the classroom, but they also take pride in the leadership role parents, grandparents, aunts, uncles, and older siblings play in making West the pride of the community. West teachers are well known for taking great pride in the work they do in the classroom with students and in the great effort they take to draw parents into the learning experience. A hallmark of their teaching practice is data-driven collaboration. Teachers at West take ownership for the learning of ALL students, not just the students in their own classroom. West boasts a well-trained office team that takes great pride in offering the very best in customer service to our parents. West has both a Principal and a Vice Principals who make campus security a priority and who also make great effort to ensure that West children have the very best teaching talent and the most compassionate teacher leaders in the classroom.

Brian MacNeill, Principal  
Irene B. West Elementary

## A. Conditions of Learning

### State Priority: Basic

The SARC provides the following information relevant to the Basic State Priority (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

#### Teacher Preparation and Placement (School Year 2020 - 2021)

## School Facility Conditions and Planned Improvements (School Year 2024 - 2025)

West has 35 classrooms, a multipurpose room, a library, and an administration building. The main campus was built in 2003. Remodeling and additions were made in 2009. Sitewide campus renovations are scheduled to begin in May 2025. Three new portable classrooms were installed in October 2024.

The LEA takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the LEA uses a facility survey instrument developed by the State of California Office of Public School Construction. The results of this survey are available at the district office. Included is information from the facility survey instrument on the condition of the school and the efforts made to ensure that students are provided with a clean, safe, and functional learning environment. Our school received an "Exemplary" status based on the State's definitions for each of the eight categories evaluated, which is the highest rating possible.

The district's maintenance and grounds departments work with the school site custodial team to ensure that school buildings, classrooms, and grounds are maintained at exceptional levels to provide a safe and functional environment for all students. Emergency repair needs are immediately resolved. The school's custodians work as a team to develop a daily cleaning process and schedule. Each morning the custodian inspects the school prior to students and staff entering school grounds. Restrooms are inspected throughout the day to ensure that they are adequately stocked, safe, and sanitary. The Board of Education has adopted cleaning standards for all schools in the district. A summary of these standards is available at the school office, or at the district office.

The State Deferred Maintenance Program (DMP) was established in 1980 to aid districts in major maintenance projects. Beginning with the 2013-2014 fiscal year and the inception of the Local Control Funding Formula (LCFF) the State has intended for Deferred Maintenance needs and expenses to be included in the District's LCFF allotment. The district continues to fund routine projects previously considered as part of the State's former DMP at levels required by the State and continues to use local resources.

Sitewide renovations are currently scheduled to begin in May 2025.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the Pupil Achievement State Priority (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System includes assessments for English language arts/literacy [ELA], mathematics, and science for students in the general education population and the California Alternate Assessment [CAA]. Only eligible students may participate in the administration of the CAA. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] or California Next Generation Science Standards [CA NGSS] for students with the most significant cognitive disabilities).
- The CAASPP System encompasses the following assessments and student participation requirements:
  1. **Smarter Balanced Summative Assessments and CAA for ELA** in grades three through eight and grade eleven.
  2. **Smarter Balanced Summative Assessments and CAA for mathematics** in grades three through eight and grade eleven.
  3. **California Science Test (CAST) and CAA for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).
- **College and Career Ready:** The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Note: To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessments and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAA divided by the total number of students who participated in both assessments.

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

### [Opportunities for Parental Involvement \(School Year 2024 - 2025\)](#)

Families are a valued part of the Irene B. West learning community. Our families may participate by volunteering in the classrooms. Our families are also able to participate on our campus through the follow groups: School Site Council PTO (Parent Teacher Organization) Trimester Coffee with the Principal ELAC (English language learner Advisory Council) Harvest Festival Committee For information on becoming involved, please contact our School Site Council Chairperson, Mrs Zainab Muhammad at 916-683-4362.

**State Priority: School Climate**

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

### School Safety Plan (School Year 2024 - 2025)

Your child's safety is important to us at Irene B. West Elementary. We believe that nothing should get in the way of the academic achievement of our students. Our district is committed to providing a safe, secure environment for learning. Staff reviews and updates our School Safety Plan annually- the last review was September 2024. An "Emergency Handbook", outlining a plan of action for emergencies such as earthquakes, fires, floods, and chemical spills, is kept in the office of our school. Random, periodic school safety inspections are conducted by the County of Sacramento. Visitors are asked to check in and enter the premises through the office, and adult supervision is provided before and after school. The district's Police Services Department works closely with our school site to provide a safe, secure environment for all students.

### Types of Services Funded (Fiscal Year 2023 - 2024)

At our school we have highly qualified staff to assist students with special learning needs. West is the home campus of the district's Deaf and Hard of Hearing program. Our Learning Center services special education students. Gifted and Talented students and high achievers participate in enrichment within the classroom. Our Federal Title One status provides additional support and resources to serve our students who come from our low Socio-Economic Status subgroup.

## Professional Development

West teachers have expertise in all subject areas, but especially in the core area of instructional delivery, common core math instruction, reading comprehension, reading fluency, writing, and English language development. West teachers have all received the following professional development to ensure that they possess the teaching talent necessary to support ALL students in becoming college and career ready: All teachers are being trained in Restorative Practices and Student Self-Assessment practices. All teachers have been trained in Explicit Direct Instruction at the beginning of the 22-23 school year. All teachers are receiving grade level embedded coaching in effective Professional Learning Communities. All teachers are being trained in the implementation of EGUSD's new online assessment site- Illuminate. Be Safe, Be Respectful and Be Responsible - Social Emotional Learning Initiative.
