

California Department of Education School Accountability Report Card

Reported Using Data from the 2023 - 2024 School Year
Published During 2024 - 2025

For: Zehnder Ranch Elementary

Address: 9880 Denali Circle, Elk Grove, CA 95757
Principal: Cheryl Quilatan

Phone: 916-793-3300
Grade Span: K-6

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

Admission Requirements for the University of California (UC)

Admission requirements for the UC follow guidelines set forth in the Master Plan, which requires that the top one-eighth of the state's high school graduates, as well as those transfer students who have successfully completed specified college course work, be eligible for admission to the UC. These requirements are designed to ensure that all eligible students are adequately prepared for University-level work. For general admissions requirements, please visit the UC Admissions Information website at <https://admission.universityofcalifornia.edu/>.

Admission Requirements for the California State University (CSU)

Eligibility for admission to the CSU is determined by three factors: (1) Specific high school courses, (2) Grades in specified courses and test scores, and (3) Graduation from high school. Some campuses have higher standards for particular majors or students who live outside the local campus area. Because of the number of students who apply, a few campuses have higher standards (supplementary admission criteria) for all applicants. Most CSU campuses have local admission guarantee policies for students who graduate or transfer from high schools and colleges that are historically served by a CSU campus in that region. For admission, application, and fee information, see the CSU website at <https://www2.calstate.edu>.

School Description and Mission Statement (School Year 2024 - 2025)

Zehnder Ranch was designed to provide students with access to high quality instruction along with coaching for students from teachers and administrators on leadership and advocacy. Zehnder's mission is anchored to ensuring that our students learn to advocate for themselves and others and take on a leadership role in their community. Our focus on social action connects to our school's namesake, Mr. John B. Zehnder and the Zehnder Family. They have made a difference in their community, and we want to teach our students to do the same. In addition to ensuring that students have access to high quality instruction, we also aim to create a partnership with parents and support all students' social and emotional learning. From a teaching perspective, data analysis of student progress shows that our students need access to explicit direct instruction in problem solving in mathematics, vocabulary development, and support developing the strategies to understand complex reading material. Our vision is to leave a Legacy of Leadership in your community. Zehnder was designed to provide students with access to high quality instruction along with coaching for students from teachers and administrators on leadership and advocacy. Expert instruction is our aim and professional development is provided to ensure that students have equitable access to teachers who have the talent to reach all learners.

Show up! Work hard! Be you!

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the Basic State Priority (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

Teacher Preparation and Placement (School Year 2020 - 2021)

School Facility Conditions and Planned Improvements (School Year 2024 - 2025)

Zehnder Ranch was established in 2017 with the current enrollment at 1078 students on a four track, year-round calendar. ZR has 39 classrooms, a library, a technology lab, a Learning Center, an administrative office, and a Multipurpose Room. Each building has kitchenettes and vestibules for additional work space. Our school has two playground areas designed for TK/Kinder and 1st-6th grade. Our students also have a premium running track, soccer goals, indoor/outdoor basketball courts, and volleyball equipment. EGUSD takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, our district uses a facility survey developed by the State of California Office of Public School Construction. Survey results are available at the district office.

The LEA takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the LEA uses a facility survey instrument developed by the State of California Office of Public School Construction. The results of this survey are available at the district office. Included is information from the facility survey instrument on the condition of the school and the efforts made to ensure that students are provided with a clean, safe, and functional learning environment. Our school received an "Exemplary" status based on the State's definitions for each of the eight categories evaluated, which is the highest rating possible.

District maintenance staff ensures repairs necessary to keep the school in working order are completed in a timely manner. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority. The district governing board has adopted cleaning standards for all schools. A summary of these standards is available at the district Facilities Department. The principal works with the custodial staff to develop cleaning schedules to ensure a clean and safe school. The State has intended for Deferred Maintenance needs and expenses to be included in the District's LCFF allotment. The district's complete deferred maintenance plan is available at the district office. There are no corrective actions necessary at this time.

The State Deferred Maintenance Program (DMP) was established in 1980 to aid districts in major maintenance projects. Beginning with the 2013-2014 fiscal year and the inception of the Local Control Funding Formula (LCFF) the State has intended for Deferred Maintenance needs and expenses to be included in the District's LCFF allotment. The district continues to fund routine projects previously considered as part of the State's former DMP at levels required by the State and continues to use local resources.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the Pupil Achievement State Priority (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System includes assessments for English language arts/literacy [ELA], mathematics, and science for students in the general education population and the California Alternate Assessment [CAA]. Only eligible students may participate in the administration of the CAA. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] or California Next Generation Science Standards [CA NGSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAA for ELA** in grades three through eight and grade eleven.
 2. **Smarter Balanced Summative Assessments and CAA for mathematics** in grades three through eight and grade eleven.
 3. **California Science Test (CAST) and CAA for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).
- **College and Career Ready:** The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessments and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAA divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

Opportunities for Parental Involvement (School Year 2024 - 2025)

The Zehnder Ranch Elementary Family Leadership Council (FLC) is a parent, teacher, and school organization set up to support the students and community. FLC is volunteer supported, and all funds raised go directly to supporting ZRES enrichment activities. FLC organizes and promotes family involvement through fundraising and school wide events that meets monthly. The ELAC shall be responsible for advising the principal and staff on programs and services for English learners and the School Site Council on the development of the LCAP.

State Priority: School Climate

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan (School Year 2024 - 2025)

Creating a physically and emotionally safe school is our number one priority. Students are supervised by a staff member from the moment they arrive on campus before school until they leave campus after school. Teacher/campus supervisor/admin provide supervision during morning breakfast in the MP, arrival lines, and at gates and valet lane for dismissal. Visitors are required to sign in at the office upon arrival and sign out upon departure. ZR school gates and classrooms are locked at all times. All adults retrieving students are required to show state issued identification. Our Safety Plan was reviewed with SSC and staff in September 2024.

Types of Services Funded (Fiscal Year 2023 - 2024)

English Learners access the core curriculum in the regular education classroom with additional support from classroom teachers during daily intervention periods. Students identified to participate in our district's Gifted and Talented Education program receive support designed to enrich, not accelerate, their learning. Enrichment offered can vary. Our student leadership team, Future Pack Leaders, plan and organize school wide events that support the ZR community. They partner with ZR staff to support student learning and are positive role models on campus. ZR offers an after school ExL program. ExL is a partnership between EGUSD and the Cosumnes CSD that provides a safe, positive, and engaging experience. ExL program aims to support the academic, emotional, and physical development through curriculum designed to foster kindness and positive behavior.
