

## California Department of Education School Accountability Report Card

Reported Using Data from the 2021 - 2022 School Year  
Published During 2022 - 2023

### For: Zehnder Ranch Elementary

**Address:** 9880 Denali Circle, Elk Grove, CA 95757  
**Principal:** Cheryl Quilatan

**Phone:** 916-793-3300  
**Grade Span:** K-6

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>
- For additional information about the school, parents and community members should contact the school principal or the district office.

### DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

### California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

### Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

### School Description and Mission Statement (School Year 2022 - 2023)

Zehnder was designed to provide students with access to high quality instruction along with coaching for students from teachers and administrators on leadership and advocacy. Zehnder's mission is anchored to ensuring that our students learn to advocate for themselves and others and take on a leadership role in their community. Our focus on social action connects to our school's namesake, Mr. John B. Zehnder and the Zehnder Family. They have made a difference in their community and we want to teach our students to do the same. In addition to ensuring that students have access to high quality instruction, we also aim to create a partnership with parents and support all students' social and emotional learning. From a teaching perspective, data analysis of student progress shows that our students need access to explicit direct instruction in problem solving in mathematics, vocabulary development, and support developing the strategies to understand complex reading material. Our vision is to leave a Legacy of Leadership in your community. Zehnder was designed to provide students with access to high quality instruction along with coaching for students from teachers and administrators on leadership and advocacy. Expert instruction is our aim and professional development is provided to ensure that students have equitable access to teachers who have the talent to reach all learners.

Show up! Work hard! Be you!

Cheryl B. Quilatan, Principal

## A. Conditions of Learning

### State Priority: Basic

The SARC provides the following information relevant to the Basic State Priority (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

### Teacher Preparation and Placement (School Year 2020 - 2021)

Authorization/Assignment	School Number	School Percent	District Number	District Percent	State Number	State Percent

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned to based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

**School Facility Conditions and Planned Improvements (School Year 2022 - 2023)**

Zehnder Ranch is one of the district's newest facilities located in the southernmost part of the city. Zehnder currently has 1084 students on a four track, year-round calendar. Our campus has 36 classrooms, a library, a technology lab, a Learning Center, an administrative office, and a Multipurpose Room. Campus construction was completed in July 2017. Our school has two playground areas with multiple surfaces for students; one area is designed expressly for kindergarten students while the other is for grades 1-6. Our students also have a premium running track, soccer goals, and volleyball equipment. EGUSD takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, our district uses a facility survey instrument developed by the State of California Office of Public School Construction. The results of this survey are available at the district office. Included is information from the facility survey instrument on the condition of the school and the efforts made to ensure that students are provided with a clean, safe, and functional learning environment.

The LEA takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the LEA uses a facility survey instrument developed by the State of California Office of Public School Construction. The results of this survey are available at the district office. Included is information from the facility survey instrument on the condition of the school and the efforts made to ensure that students are provided with a clean, safe, and functional learning environment. Our school received an "Exemplary" status based on the State's definitions for each of the eight categories evaluated, which is the highest rating possible.

District maintenance staff ensures repairs necessary to keep the school in working order are completed in a timely manner. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority. The district governing board has adopted cleaning standards for all schools. A summary of these standards is available at the district Facilities Department. The principal works with the custodial staff to develop cleaning schedules to ensure a clean and safe school. The State Deferred Maintenance Program (DMP) was established in 1980 to aid districts in major maintenance projects. Beginning with the 2013-2014 fiscal year and the inception of the Local Control Funding Formula (LCFF) the State has intended for Deferred Maintenance needs and expenses to be included in the District's LCFF allotment. The district funds routine restricted maintenance beyond the State required minimum and uses local resources to fund projects previously considered part of the state DMP. The district's complete deferred maintenance plan is available at the district office. There are no corrective actions necessary at this time.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the Pupil Achievement State Priority (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
  2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
  3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).
- **College and Career Ready:** The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

### CAASPP Test Results in English Language Arts/Literacy (ELA) and Mathematics for All Students Grades Three through Eight and Grade Eleven taking and completing a state-administered assessment Percentage of Students Meeting or Exceeding the State Standards

Subject	School 2020 - 2021	School 2021 - 2022	District 2020 - 2021	District 2021 - 2022	State 2020 - 2021	State 2021 - 2022
English Language Arts/Literacy (grades 3-8 and 11)	N/A	73	N/A	52	N/A	47
Mathematics (grades 3-8 and 11)	N/A	67	N/A	40	N/A	33

Note: Where it was the most viable option, in 2020-21, LEAs were required to administer the statewide summative assessment in ELA and mathematics and where a statewide summative assessment was not the most viable option for the LEA, LEAs were permitted to report results from a different assessment that meets the criteria established by the California State Board of Education on March 16, 2021. The 2020-21 data cells for the school, district, state have N/A values because these data are not comparable to 2021-22 data.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

### [Opportunities for Parental Involvement \(School Year 2022 - 2023\)](#)

Zehnder Ranch has adopted a model for family engagement that seeks to engage all family members by involving them in Family Leadership Council (FLC). The FLC is Zehnder Ranch Elementary's volunteer parent organization, similar to a PTA at other schools. All families at Zehnder Ranch are automatically members of the FLC, and no membership fee is required. FLC supports all children and staff at Zehnder Ranch through fundraising, planning and creating fun school wide events, as well as reaching out to families to be involved in their children's school. FLC also organizes and promotes family involvement events such Harvest Festival, Santa's Breakfast, Walk and Roll to School Day, and Longhorn Stampede. For more information about volunteer opportunities, contact Ms. Quilatan at [cquilata@egusd.net](mailto:cquilata@egusd.net).

**State Priority: School Climate**

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

**Suspensions and Expulsions**

(data collected between July through June, each full school year respectively)

Rate	School 2020 - 2021	School 2021 - 2022	District 2020 - 2021	District 2021 - 2022	State 2020 - 2021	State 2021 - 2022
Suspensions	0.00%	0.59%	0.12%	4.22%	0.20%	3.17%
Expulsions	0.0%	0.0%	0.0%	0.0%	0.0%	0.1%

Note: Data collected during the 2020-21 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

**Suspensions and Expulsions for School Year 2019 - 2020 Only**

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019 - 2020	District 2019 - 2020	State 2019 - 2020
Suspensions	1.40%	4.02%	2.45%
Expulsions	0.00%	0.03%	0.05%

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to other year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to other school years.

### [School Safety Plan \(School Year 2022 - 2023\)](#)

Creating a physically and emotionally safe school is our number one priority. Students are supervised by a staff member from the moment they arrive on campus before school until they leave campus after school. Visitors are required to sign in at the office upon arrival as our school gates and classrooms are locked at all times. All adults retrieving students are required to show state issued identification. Our Safety Plan was reviewed with staff in February 2021.

### Types of Services Funded (Fiscal Year 2022 - 2023)

English Learners access the core curriculum in the regular education classroom with additional support from classroom teachers during daily intervention periods. Students identified to participate in our district's Gifted and Talented Education program receive support designed to enrich, not accelerate, their learning. Enrichment in the form of technology based instruction in coding and robotics is available to students. Our student leadership team, Future Pack Leaders, plan and organize school wide events that support the ZR community. They partner with ZR staff to support student learning and are positive role models. Established 22-23 school year, Zehnder Ranch now offers an after school ExL program. ExL is a partnership between Elk Grove Unified School District (EGUSD) and the Cosumnes Community Services District (Cosumnes CSD) that provides a safe, positive and engaging experience. ExL program aims to support the academic development of your child in addition to the emotional and physical development of them through active games, enrichment activities and curriculum designed to foster kindness and positive behavior. Before and after school tutoring is offered for targeted instruction for students that are at risk by volunteer certificated teachers.
