Introduction from the Board

Thank you for your interest and commitment to your child's education, and your continuing partnership in teaching and learning. In order to best serve our community, we have created this condensed version of the full School Accountability Report Card (SARC) with the mission of presenting information about each of our schools in a clear, parent friendly format. If you are interested in viewing the full SARC report for your child's school, you will find it at the district website: <http://www.egusd.net/academics/assessments/school-accountability-report-cards/>

A Message From the Principal

Arnold Adreani Elementary -
A Community of Lifelong Learners!

Arnold Adreani Elementary School truly provides a unique and wonderful educational experience for children - from the safety of our campus, to the warmth of the learning environment, to the rigor and breadth of the instructional programs. All aspects of the school contribute to providing children with the skills they need to be successful learners.

Our district's mission is to provide a learning community that challenges ALL students to realize their greatest potential. We focus on supporting our students in reaching our district's bold goals.

Through the efforts of our staff, students and families, we have maintained the highest CAASPP scores in EGUSD under the rigor of California's state standards in English/Language Arts and Math. We know our students will continue to achieve at the highest level and appreciate the Adreani community's commitment to strong academics.

Our success in implementing our district's mission can be evidenced through our school's special strengths: Positive Behavior Intervention Systems (PBIS), physical education, technology instruction, high expectations for all students and GATE. In addition, we frequently celebrate students for their behavioral and academic success. Parent support and involvement are part of the foundation that contributes to the success of Arnold Adreani Elementary. Some serve as classroom or library volunteers, while others plan family events and activities. Parents also support student success by providing space, time and encouragement for daily homework and by sending a clear message that education and regular school attendance are important to the family. Staff and students alike deeply appreciate the contributions of our community.

The safety of our students is this school's first priority and the behavior expectations are equitably reinforced. We emphasize safe, respectful, and responsible behavior..we call this, "The Wildhawk Way." All adults visiting the campus are required to check in through the school office. This is all part of our priority of making students feel comfortable and secure on campus.

Julie Hughes, Principal
Arnold Adreani Elementary School

Parental Involvement

Our actively engaged community is one of the hallmarks to our success. We have frequent opportunities to be involved on campus both through an active PTA and supportive staff. Our School Site Council assists the principal with important governance decisions. We have the Watch D.O.G.S program in which dads volunteer a day on campus. Please join us for Back to School Night in the fall, Open House in the spring, or myriad of other excellent events. Please contact our principal, Mrs. Hughes or the front office at 525-0630 for further information.

Teacher Credentials and Misassignments

In the 2019-2020 school year, over 99 percent of the district's teachers held full teaching credentials. In addition to being fully credentialed, if a class is 20 percent or more English Learners (EL), the teacher should hold a supplementary authorization to instruct students in learning English or they are considered misassigned.

In subjects with a shortage, a fully credentialed teacher is sometimes asked to teach outside of their subject matter competency area until an appropriately credentialed teacher can be hired. In these cases, teachers are counted as misassigned.

Vacancies are defined as a position to which a permanent teacher has not been assigned by the beginning of the course. Most vacancies in our district are in subject areas where qualified teachers are in shortage.

School Facility Conditions and Planned Improvement

Arnold Adreani Elementary School has 36 classrooms, a multipurpose room, a library, a Learning Center, one computer lab and an administration building. We have two separate playgrounds: one for Transitional Kindergarten and Kindergarten students, and one for 1st through 6th grade students. The campus was completed in 2005 and the school opened for the 2005-2006 school year in August of 2005.

The district's maintenance and grounds departments work in concert with the school site custodial team to ensure that school buildings, classrooms, and grounds are maintained at exceptional levels to provide a safe and functional environment for all students. The district utilizes the latest electronic work order system enabling site administration and custodians to communicate maintenance needs, urgent repairs, or necessary projects. Emergency repair needs are immediately resolved by either the school custodian or district maintenance staff. The school's custodians work as a team and with the principal to develop a daily cleaning process and schedule, ensuring all touch points are routinely wiped down and disinfected. Each morning the lead custodian inspects the school prior to students and staff entering school grounds. Restrooms are inspected throughout the day to ensure that they are adequately stocked, safe, and sanitary. The Board of Education has adopted cleaning standards for all schools in the district. A summary of these standards is available at the school office, or at the district office.

No projects are in process at this time.

Class Size

In Elk Grove schools, our research shows that small class sizes lead to higher student engagement and academic achievement. It has been a top priority in our district to reduce class sizes. For the 2021 - 2022 school year, class sizes are 24 to 1 in Transitional Kindergarten through 3rd grade, and 28 to 1 in 4th through 6th grades.

California Assessment of Student Performance and Progress Results for All Students (School Year 2020 - 2021)

Subject	Percent of Students Meeting or Exceeding the State Standards

	2019 - 2020	2020 - 2021	2019 - 2020	2020 - 2021	2019 - 2020	2020 - 2021
English Language Arts/Literacy (grades 3-8 and 11)	N/A	N/A	N/A	N/A	N/A	N/A
Mathematics (grades 3-8 and 11)	N/A	N/A	N/A	N/A	N/A	N/A

Note: The 2019-2020 data cells with N/A values indicate that the 2019-2020 data are not available due to the COVID-19 pandemic and resulting summative test suspension. The Executive Order N-30-20 was issued which waived the assessment, accountability, and reporting requirements for the 2019-2020 school year.

Note: The 2020-2021 data cells have N/A values because these data are not comparable to other year data due to the COVID-19 pandemic during the 2020-2021 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020-2021 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020-2021 school year to other school years.

Professional Development

Our district offers a variety of professional learning opportunities for all staff. As a site, we are currently focusing on the implementation of Illuminate to allow assessment to drive our instruction and intervention. This is an important component of the framework for high quality instruction. Our focus at Adreani remains on strong teacher efficacy through Professional Learning Communities and the bolstering of instruction focused on specific student needs. In addition, we continue to integrate opportunities for our students to access resources via Chrome Books both with the curriculum and in preparation for state testing. During weekly grade level meetings, teachers meet and review student work, make determinations about students' strengths and weaknesses, and plan subsequent instruction to meet students' needs.

School Safety Plan

At Arnold Adreani Elementary School, we believe that safety is foundational to academic achievement. We begin and end each day with staff supervision of crosswalks, morning lines and drop off/dismissal. All visitors must check in the office using our Complete Campus Security System. Supervision of students is provided before and after school hours. All parent volunteers and chaperones must be fingerprinted. The district's Police Services Department works closely with our school site to provide a safe, secure environment for all students. Our staff and School Site Council reviewed and updated our School Safety Plan in February 2022. An "Emergency Handbook," outlining a plan of action for emergencies such as earthquakes, fires, and lockdowns, is kept in the school office and all classrooms.

Specialized Programs

At Arnold Adreani Elementary, we have highly qualified staff to assist students with special learning needs. Our Learning Center provides support for our students with IEPs. English Learners are provided interventions from classroom teachers through differentiated and designated ELD instruction with the use of the Wonders curriculum. GATE students participate in accelerated instruction within the classroom setting as well as after school. As a site, we focus on providing incentive programs for our students such as: Accelerated Reading Academy, Principal's Writing Club, Caught You Being Good (WOW Tickets), Math Club, Student of the Week, Honor Roll, Perfect Attendance, National Elementary Honor Society, Student Leadership, Science Olympiad and additional classroom incentives. For kindergarten students, we have B.E.A.M. (Be Excited About Math) and B.E.A.R. (Be Excited About Reading).
