Introduction from the Board

Thank you for your interest and commitment to your child's education, and your continuing partnership in teaching and learning. In order to best serve our community, we have created this condensed version of the full School Accountability Report Card (SARC) with the mission of presenting information about each of our schools in a clear, parent friendly format. If you are interested in viewing the full SARC report for your child's school, you will find it at the district website: <http://www.egusd.net/academics/assessments/school-accountability-report-cards/>

A Message From the Principal

Helen Carr Castello Elementary
A school with a mission to EXPLORE, DREAM, and DISCOVER!

At Helen Carr Castello Elementary School, we are committed to building a culture of academic excellence and enrichment; maintaining a climate that is welcoming, safe, and nurturing; and celebrating cultural and educational diversity!

Helen Carr Castello Elementary truly provides a unique and wonderful educational experience for children: a safe campus, a warm learning environment, exciting and creative educational opportunities, and rigor and breadth of instruction.

Our district's mission is to provide a learning community that challenges ALL students to realize their greatest potential. We focus on supporting our students in reaching our district's goals. Our success in implementing the district's mission can be evidenced through our school's special strengths. These include an outstanding team of teachers, a visual and performing arts and science focus. Our before and after school enrichment programs include art, drama, track, band, coding, STEM, mathletes, homework club, leadership, volleyball and basketball. We continue as a Watch D.O.G.S. school, and participate in the National Elementary Honor Society. We have a rigorous and differentiated curriculum supporting all student needs in the regular school day and in after school classes.

As a school, we prioritize maintaining a safe and orderly campus. Additionally, we emphasize student unity, cooperation, and respectful behavior. We truly believe in the support and acceptance of each child's uniqueness.

We are proud of the programs that we build for students. In the past few years, we have enhanced our visual and performing arts, character education, summer school, and enrichment programs. Our student leadership program continues to thrive. Our success is a tribute to the partnership that exists between the staff, the community, and the students.

Thank you and please feel free to contact and/or visit the school.

Mr. Megan Drown-Jones, Principal
Helen Carr Castello Elementary

Parental Involvement

Our partnership with parents sustains our school's sense of community. Parents are encouraged to support their children's schooling by attending school functions such as Back to School Night, student performances, parent conferences, and Open House. Parents are invited to join our very active PTA which hosts numerous events for our school. Parents also play an important role in governance and decision making through the School Site Council, GATE, & EL advisory groups. For more information please call Ms. Jones or PTA president at 916-686-1725.

Teacher Credentials and Misassignments

In the 2019-2020 school year, over 99 percent of the district's teachers held full teaching credentials. In addition to being fully credentialed, if a class is 20 percent or more English Learners (EL), the teacher should hold a supplementary authorization to instruct students in learning English or they are considered misassigned.

In subjects with a shortage, a fully credentialed teacher is sometimes asked to teach outside of their subject matter competency area until an appropriately credentialed teacher can be hired. In these cases, teachers are counted as misassigned.

Vacancies are defined as a position to which a permanent teacher has not been assigned by the beginning of the course. Most vacancies in our district are in subject areas where qualified teachers are in shortage.

School Facility Conditions and Planned Improvement

This school has 36 classrooms, a multipurpose room, a library, a science lab, and an administration building. The campus was built in 2005.

The district's maintenance and grounds departments work in concert with the school site custodial team to ensure that school buildings, classrooms, and grounds are maintained at exceptional levels to provide a safe and functional environment for all students. The district utilizes the latest electronic work order system enabling site administration and custodians to communicate maintenance needs, urgent repairs, or necessary projects. Emergency repair needs are immediately resolved by either the school custodian or district maintenance staff. The school's custodians work as a team and with the principal to develop a daily cleaning process and schedule. Each morning the custodian inspects the school prior to students and staff entering school grounds. Restrooms are inspected throughout the day to ensure that they are adequately stocked, safe, and sanitary. The Board of Education has adopted cleaning standards for all schools in the district. A summary of these standards is available at the school office, or at the district office.

This year we installed security cameras around the school as well as ceiling mounted Epson projectors in several classrooms.

Class Size

In Elk Grove schools, our research shows that small class sizes lead to higher student engagement and academic achievement. It has been a top priority in our district to reduce class sizes. For the 2021 - 2022 school year, class sizes are 24 to 1 in Transitional Kindergarten through 3rd grade, and 28 to 1 in 4th through 6th grades.

Mathematics (grades 3-8 and 11)	N/A	N/A	N/A	N/A	N/A	N/A

Note: The 2019-2020 data cells with N/A values indicate that the 2019-2020 data are not available due to the COVID-19 pandemic and resulting summative test suspension. The Executive Order N-30-20 was issued which waived the assessment, accountability, and reporting requirements for the 2019-2020 school year.

Note: The 2020-2021 data cells have N/A values because these data are not comparable to other year data due to the COVID-19 pandemic during the 2020-2021 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020-2021 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020-2021 school year to other school years.

Professional Development

For the 2021 - 2022 school year, Helen Carr Castello Elementary has a professional development emphasis on the Common Core State Standards, Progress Monitoring, Social and Emotional instruction and developing digital learning skills.

New teachers who have been teaching fewer than two years are supported by the district's beginning teacher (BTSA) program. They meet regularly with an experienced mentor to discuss their successes, challenges and new ideas for their classrooms.

Finally, the district offers a variety of classes for support staff. Instructional aides, school secretaries, office clerks, and custodians may take classes that relate to their work such as learning new computer skills and learning to work more efficiently and in ergonomically correct ways.

School Safety Plan

At Helen Carr Castello we believe that nothing should get in the way of learning. The safety of our students is this school's first priority. Our Positive Behavioral Interventions and Supports (PBIS) plan dictates behavioral expectations and positive incentives. We believe that these positive assets make a difference in our students' well-being.

An Emergency Handbook outlining a plan of action for earthquakes, fires, floods, and chemical spills is kept in the office. Emergency drills are conducted regularly. Staff assists with before and after school supervision. The campus gates are locked during school hours. All visitors must register through the front office. Our Safety Plan was updated in January of 2022. The district's Police Services Department works closely with our school to provide a safe, secure environment for all students.

Specialized Programs

At Helen Carr Castello Elementary, we have highly qualified staff members to assist students with specialized learning needs. Our Learning Center services not only special education students, but also general education students who need additional support to meet grade level standards. We support our struggling and/or "at risk" students through our WIN (what I need) groups, mentors, and afternoon school tutoring and small group instruction. Gifted and Talented/Accelerated students participate in differentiated and accelerated instruction during class time, summer school, and in extended day opportunities. We have a National Elementary Honor Society chapter at our school site. This program provides additional opportunities for our top scholars.
