Introduction from the Board

Thank you for your interest and commitment to your child's education, and your continuing partnership in teaching and learning. In order to best serve our community, we have created this condensed version of the full School Accountability Report Card (SARC) with the mission of presenting information about each of our schools in a clear, parent friendly format. If you are interested in viewing the full SARC report for your child's school, you will find it at the district website: <http://www.egusd.net/academics/assessments/school-accountability-report-cards/>

A Message From the Principal

It is my pleasure to serve our exceptional students, parent community, and staff, and welcome you to Harriet Eddy Middle School. We hope that your child is as eager to start this new school year as we are. Our staff strives to provide an exceptional educational experience for our students. This is accomplished through our collective commitments of High-Quality Instruction, Collaborative Culture, and Community Involvement.

We are proud of our International Baccalaureate (IB) Middle Years Programme (MYP) educational experience. Information regarding our IB MYP implementation is located on the IB Program page on our website. I would also encourage you to visit our Vision page to learn more about Eddy's Initiatives and commitments to providing an Exceptional Educational Experience for all students. Our web address is hems.egusd.net.

This will be my fifth year at HEMS, and my second as the Principal; previously serving as the Vice-Principal and Interim Principal. As an advocate for students first and foremost, my greatest priority is to ensure all students have learning opportunities that are equitable and facilitated in a safe environment. This includes practices that nurture their physical, mental and social well-being. In addition to providing students with high-quality classroom instruction, we strive to impart to all students a deep understanding of our three school guidelines: *Be Safe *Be Respectful *Be Responsible. These three phrases serve as a foundation upon which our work is built to foster positive student behavior and attitude.

The Eddy family is composed of teachers, administrators, classified, and support staff who are all vested in student success and well-being. Middle school is an exciting time in the lives of students and marks an important transition into a period of life that is characterized by accelerated physical, intellectual, social, and emotional changes. We endeavor to provide a supportive community where students feel like they belong and are safe to mature into the very best global citizens they can be.

In partnership,

C Norma Gillis, Principal

Parental Involvement

Our school has a School Site Council, School PTO, International Baccalaureate Parent Organization and parent volunteer program called the Hornet's NEST (Nurturing Exceptional Students Together). The Hornet's NEST is our parent group that volunteers on campus during the school day and at events. We also gladly welcome authorized parents and/or guardians on campus to "shadow" their student for a day. It takes a village to raise a child and if you would like to partner with the school for the day, or are interested in more information, please contact School Secretary, Kimberly Genereux, at 916-683-1302.

Teacher Credentials and Misassignments

In the 2021-2022 school year, over 99 percent of the district's teachers held full teaching credentials. In addition to being fully credentialed, if a class is 20 percent or more English Learners (EL), the teacher should hold a supplementary authorization to instruct students in learning English or they are considered misassigned.

In subjects with a shortage, a fully credentialed teacher is sometimes asked to teach outside of their subject matter competency area until an appropriately credentialed teacher can be hired. In these cases, teachers are counted as misassigned.

Vacancies are defined as a position to which a permanent teacher has not been assigned by the beginning of the course. Most vacancies in our district are in subject areas where qualified teachers are in shortage.

School Facility Conditions and Planned Improvement

Harriet Eddy was opened in 1994 and has 43 classrooms, 1 computer lab, a Career Exploration Center classroom, a multipurpose room, a library, an administration building, and 2 gyms. The entire campus is a "Wireless" campus with secured and monitored internet access in all classrooms. Our campus includes a football field, a running track, and a large sports field.

The district's maintenance and grounds departments collaboratively works with the school site custodial team to ensure that school buildings, classrooms, and grounds are maintained at exceptional levels to provide a safe and functional environment for all students. Each morning the custodian inspects the school prior to students and staff entering school grounds. Restrooms are inspected throughout the day to ensure that they are adequately stocked, safe, and sanitary.

There is one maintenance project planned for HEMS in 2022-2023. A shade structure will be built where the outdoor seating area is located in the quad. This will ensure that students have a cool, shady location in the warmer months. In the colder, wet months, students will have a dry location to sit.

Professional Development

Harriet Eddy has a professional development emphasis on the use of the Professional Learning Community (PLC) Process to assess the effectiveness of our instruction and student learning.

In addition, there is a major emphasis on building relationships with students and culturally responsive teaching strategies. The Leadership team has adopted school-wide Positive Behavior Intervention and Supports to foster and maintain a positive learning environment.

Our staff participates in International Baccalaureate (IB) and PLC aligned professional development throughout the year. These multi-day trainings provide training to implement the Middle Year's Programme.

School Safety Plan

Your child's safety is important to us at Harriet Eddy Middle School. We believe that nothing should get in the way of the academic achievement of our students, which is why it is important that our students feel safe. Our staff annually updates and reviews the safety plan. The plan was reviewed January 2022. The plan includes monitoring practices that not only address student safety during school hours, but before and after school as well. All visitors sign in when entering our campus and wear identification.

An Emergency Handbook outlining a plan of action for emergencies is in all classrooms. Periodic school safety inspections are conducted by the County of Sacramento. The district's Police Services Department works closely with our school site, and Campus Supervisors are assigned to HEMS, to provide a safe, secure environment for all students.

Specialized Programs

HEMS is an International Baccalaureate Middle Years Programme World School in partnership with Laguna Creek High School.

Our INSIDE program services not only English Learners but also general education students who need additional support to meet the standards. Our English Language Development teachers, Bilingual Teaching Associates, and SDAIE classes in both history and science help our EL students access the core curriculum.

Gifted and Talented students participate in accelerated instruction in Math, English, & History. Students who need extra tutoring or homework help are welcome to participate in our tutor programs available M-Th.

We have also instituted a support program in mathematics to help students prepare themselves to successfully complete Math 1 by the end of ninth grade. This includes an effective peer and tutoring program in mathematics.
