Introduction from the Board

Thank you for your interest and commitment to your child's education, and your continuing partnership in teaching and learning. In order to best serve our community, we have created this condensed version of the full School Accountability Report Card (SARC) with the mission of presenting information about each of our schools in a clear, parent friendly format. If you are interested in viewing the full SARC report for your child's school, you will find it at the district website: <http://www.egusd.net/academics/assessments/school-accountability-report-cards/>

A Message From the Principal

Mission: Educating Kids and Support Families

Vision: John Ehrhardt Elementary School will provide a safe and positive learning environment to promote social and academic success for all students.

Values: Safe, Responsible, Respectful

John Ehrhardt Elementary provides a standards-based, well-rounded, educational experience for ALL children. The rigor and breadth of the instructional program, the safety of the campus, and warmth of the learning environment are the key components in ensuring success for each child in meeting the standards for their grade. Opportunities for both individual and collaborative learning exist in every classroom and support the implementation of the California Common Core State Standards. Our success in implementing our mission can be further evidenced through our school's special strengths, including a commitment to meeting each child's needs through differentiated instruction within the classroom, a dedicated "WIN-What I Need" differentiation block each day, and communication with parents in ways that allow them to partner with the school to improve their child's performance. Parent support and involvement continue to be important aspects of the student success at John Ehrhardt Elementary.

Our Parent Teacher Organization and parent advisories provide opportunities for involvement. Parent volunteers serve as essential support for the development of programs and policies that benefit our students. Parents also support student success by providing space, time, and encouragement for daily homework, and by sending a clear message that regular on-time school attendance is important.

The physical and emotional safety of our students is a school-wide priority. Social-Emotional Learning and Positive Behavior and Interventions support our students as they are safe, responsible, and respectful. Citizenship and academic success are celebrated at assemblies, with Eagle tickets and weekly prize drawings. The atmosphere of the school and welcoming staff makes our students feel comfortable and secure.

Marianne Williams, Principal
John Ehrhardt Elementary

Parental Involvement

Our PTO is active and greatly enriches our community through on-campus support and fundraising. The School Site Council and ELAC, comprised of teachers and parents and develop the annual LCAP plan. Our PBIS team also includes parents. Many guardians, parents, and grandparents volunteer in our classrooms on a weekly basis. Please contact Marianne Williams @ (916) 684-7259 for more information.

Teacher Credentials and Misassignments

In the 2019-2020 school year, over 99 percent of the district's teachers held full teaching credentials. In addition to being fully credentialed, if a class is 20 percent or more English Learners (EL), the teacher should hold a supplementary authorization to instruct students in learning English or they are considered misassigned.

In subjects with a shortage, a fully credentialed teacher is sometimes asked to teach outside of their subject matter competency area until an appropriately credentialed teacher can be hired. In these cases, teachers are counted as misassigned.

Vacancies are defined as a position to which a permanent teacher has not been assigned by the beginning of the course. Most vacancies in our district are in subject areas where qualified teachers are in shortage.

School Facility Conditions and Planned Improvement

Our school has 33 classrooms including three PALSS and one Special Education Pre-School, a multipurpose room, a library, one computer lab, a Learning Center, and an administration building. The main campus was built in 1991. Additions were constructed in 2000 and 2008.

The district's maintenance and grounds departments work in concert with the school site custodial team to ensure that school buildings, classrooms, and grounds are maintained at exceptional levels to provide a safe and functional environment for all students. The district utilizes the latest electronic work order system enabling site administration and custodians to communicate maintenance needs, urgent repairs, or necessary projects. Emergency repair needs are immediately resolved by either the school custodian or district maintenance staff. The school's custodians work as a team and with the principal to develop a daily cleaning process and schedule. Each morning the custodian inspects the school prior to students and staff entering school grounds. Restrooms are inspected throughout the day to ensure that they are adequately stocked, safe, and sanitary. The Board of Education has adopted cleaning standards for all schools in the district. A summary of these standards is available at the school office, or at the district office.

None applicable.

Class Size

In Elk Grove schools, our research shows that small class sizes lead to higher student engagement and academic achievement. It has been a top priority in our district to reduce class sizes. For the 2021 - 2022 school year, class sizes are 24 to 1 in Transitional Kindergarten through 3rd grade, and 28 to 1 in 4th through 6th grades.

Mathematics (grades 3-8 and 11)	N/A	N/A	N/A	N/A	N/A	N/A

Note: The 2019-2020 data cells with N/A values indicate that the 2019-2020 data are not available due to the COVID-19 pandemic and resulting summative test suspension. The Executive Order N-30-20 was issued which waived the assessment, accountability, and reporting requirements for the 2019-2020 school year.

Note: The 2020-2021 data cells have N/A values because these data are not comparable to other year data due to the COVID-19 pandemic during the 2020-2021 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020-2021 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020-2021 school year to other school years.

Professional Development

Our school and district offer a variety of professional learning opportunities for teachers, instructional aides, and non-instructional support staff. For 2021-2022, our school has a professional development emphasis on Social-Emotional Learning. In addition, our grade level teams meet weekly to refine their instructional practice based on student data.

Special education teachers are provided numerous opportunities to learn how to best meet the needs of students with learning disabilities.

New teachers, who have been teaching fewer than two years, are supported by the district's beginning teacher program. They meet weekly with an experienced mentor to discuss their successes and challenges and new ideas for their classrooms.

Finally, the district offers a variety of classes for support staff. Instructional aides, school secretaries, office clerks, and custodians may take classes relating to their work.

School Safety Plan

Our District is committed to providing a safe, secure environment for learning. The School Safety Plan (now known as the Comprehensive Safe School Plan or CSSP) was updated in December 2021. An "Emergency Handbook", outlining a plan of action for emergencies such as earthquakes, fires, floods, intruders, and chemical spills, is kept in the School Office. Drills practicing appropriate responses to fire, earthquake, lockdown, and evacuation are held on a regular schedule. Periodic safety inspections are conducted by the County of Sacramento and the Cosumnes Community Services District. The district's Police Services Department works closely with our school site to provide a safe, secure environment for all students. Teachers and, or Yard Supervisors are on duty 15 minutes before and after school to supervise students and during recess.

Specialized Programs

At our school, we have a highly qualified staff to assist students with special learning needs including autistic students and students with multiple disabilities. Our Learning Center staff serves not only special education students but also general education students who need additional support to meet academic standards. In every classroom during "What I Need" (or WIN) time, students are provided opportunities to become more proficient in English, practice academic skills, or explore subjects in more depth. Gifted and accelerated students participate in accelerated learning within the classroom and some grade levels offer departmentalized social studies and science rotations. Students needing extra support are provided additional learning opportunities during differentiated instruction opportunities throughout their school day.

Average Salaries

Data reported are the district's average salaries for teachers, principals, and superintendents, compared to the state average salaries for districts of the same type and size, as defined by Education Code Section 41409.
