Introduction from the Board

Thank you for your interest and commitment to your child's education, and your continuing partnership in teaching and learning. In order to best serve our community, we have created this condensed version of the full School Accountability Report Card (SARC) with the mission of presenting information about each of our schools in a clear, parent friendly format. If you are interested in viewing the full SARC report for your child's school, you will find it at the district website: http://www.egusd.net/academics/assessments/school-accountability-report-cards/

A Message From the Principal

"ELK GROVE ELEMENTARY SCHOOL…BUILDING A FOUNDATION OF EXCELLENCE."

In alignment with the mission of the Elk Grove Unified School District, Elk Grove Elementary strives to ensure that Every student in Every class is learning in Every subject, Every day.

Our staff adheres to three essential values for every student. Our three values are to provide a foundation of educational excellence with high expectations for all students; to prepare our children to be life-long learners skilled as literate individuals able to read, write, think, listen, and evaluate real life situations; and to promote personal responsibility and citizenship in an increasingly diverse and changing society through a partnership of student, school, family, and community.

Elk Grove Elementary teachers and support staff provide lessons using a variety of instructional strategies to meet the needs of all students and to ensure students are provided with learning opportunities designed to meet rigorous standards in alignment with all common core subject areas.

Staff participates in ongoing professional learning opportunities.

Jill Jones, Principal
Elk Grove Elementary School

Parental Involvement

There are numerous ways to participate in your child's education. Our school benefits from a very active PTA that raises money to support school events and purchase of supplemental materials.

Parents are encouraged to visit and volunteer in their child's classroom, participate in field trips, and/or serve as an art docent.

Parents and guardians are always needed for our PTA sponsored Art Docent Program, our Fifth and Sixth Grade sports teams, and many other various schoolwide and classroom activities.

Teacher Credentials and Misassignments

In the 2024-2025 school year, over 99 percent of the district's teachers held full teaching credentials. In addition to being fully credentialed, if a class is 20 percent or more English Learners (EL), the teacher should hold a supplementary authorization to instruct students in learning English or they are considered misassigned.
In subjects with a shortage, a fully credentialed teacher is sometimes asked to teach outside of their subject matter competency area until an appropriately credentialed teacher can be hired. In these cases, teachers are counted as misassigned.
Vacancies are defined as a position to which a permanent teacher has not been assigned by the beginning of the course. Most vacancies in our district are in subject areas where qualified teachers are in shortage.

Teacher Credentials (School Year 2022-2023)

Total Number of Teachers	40.7
Total Full Credentials	40.7

SOURCE: 2022 - 2023, California Dept. of Education

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

School Facility Conditions and Planned Improvement

Elk Grove Elementary School has 32 classrooms, one learning center room, a multipurpose room, a library, computer room, and an administration building. The main campus was built in 1992.

Our school is beautifully landscaped and enjoys a well-designed playground, field and track. An additional play structure was installed in the spring of 2020.
Four outdoor tables and benches are located under mature shade trees offering outdoor learning experiences for many of our kids.

We recently added a new shade structure on our playground, new murals in the multi-purpose room, and a water filling station! The site will undergo a refresh to update flooring, paint, and other improvements during the summer of 2025.

The district's maintenance and grounds departments work in concert with our school site custodial team to ensure that school buildings, classrooms, and grounds are maintained at exceptional levels to provide a safe and functional environment for all students.

The school's custodians work as a team and with the principal to develop a daily cleaning process and schedule. Each morning the custodian inspects the school prior to students and staff entering school grounds. Restrooms are inspected throughout the day to ensure that they are adequately stocked, safe, and sanitary. The Board of Education has adopted cleaning standards for all schools in the district. A summary of these standards is available at the school office, or at the district office.

We now have a new shade structure on our playground along with a water filling station. We have a new bench area that was built in our quad, and teachers are receiving updated projectors for their classrooms.

Our school will undergo a refresh during the summer of 2025.

Class Size

In Elk Grove schools, our research shows that small class sizes lead to higher student engagement and academic achievement. It has been a top priority in our district to reduce class sizes. For the 2025 - 2026 school year, class sizes are 24 to 1 in Transitional Kindergarten through 3rd grade, and 28 to 1 in 4th through 6th grades.

Grade Level	School Average
Kindergarten	24
Grade 1	24
Grade 2	22
Grade 3	21

California Assessment of Student Performance and Progress Results for All Students (School Year 2024 - 2025)

Subject	Percent of Students Meeting or Exceeding the State Standards					
	School		District		State	
	2023 - 2024	2024 - 2025	2023 - 2024	2024 - 2025	2023 - 2024	2024 - 2025
English Language Arts/Literacy (grades 3-8 and 11)	51%	61%	51%	54%	47%	48%
Mathematics (grades 3-8 and 11)	52%	56%	41%	43%	35%	37%

Note: Where it was the most viable option, in 2020-21, LEAs were required to administer the statewide summative assessment in ELA and mathematics and where a statewide summative assessment was not the most viable option for the LEA, LEAs were permitted to report results from a different assessment that meets the criteria established by the California State Board of Education on March 16, 2021. The 2020-21 data cells for the school, district, state have N/A values because these data are not comparable to 2021-22 data.

Professional Development

Our school and district offer a variety of professional learning opportunities for teachers, para-educators, and non-instructional support staff.

Professional Learning Communities (PLC's) are in place at every grade level focusing on enhancing the instructional program and the ongoing improvement of academic achievement. Our staff development days include AVID, PBIS, Culturally Responsive Teaching, along with the Framework of High-Quality Teaching.

School Safety Plan

The safety of your child, visitors, and the staff at Elk Grove Elementary is our first priority. Our students require a safe, orderly, secure and comfortable environment in which to learn. Each classroom has emergency procedures posted. Monthly fire, disaster, earthquake, and intruder drills are held. Gates are kept closed and locked. Access is controlled during the day, and adult supervision is provided before and after school.

Visitors must check in at the office. The district's Police Services Department also works closely with our school site and is available to assist in providing a safe, secure environment for all students.

The School Safety Plan is updated annually. The School Safety Plan was last revised in August 2025.

Specialized Programs

At Elk Grove Elementary highly qualified staff are assigned to assist students with special learning needs. Our Learning Center provides support for students who have identified educational programs.

Elk Grove Elementary School offers after school team sports, band, and a Runnin' for Rhett program.

Programs for G.A.T.E. have been fully implemented during the 2025-2026 school year. Our English Language Learners (ELL) students receive daily language development support within the classroom.

Summer school is usually provided each year. Summer school is well attended and focuses on remedial and enrichment opportunities for students in grades first through sixth as well as social emotional learning for all.
