#### Introduction from the Board

Thank you for your interest and commitment to your child's education, and your continuing partnership in teaching and learning. In order to best serve our community, we have created this condensed version of the full School Accountability Report Card (SARC) with the mission of presenting information about each of our schools in a clear, parent friendly format. If you are interested in viewing the full SARC report for your child's school, you will find it at the district website: <http://www.egusd.net/academics/assessments/school-accountability-report-cards/>

#### A Message From the Principal

Ellen Feickert Elementary truly provides an outstanding educational experience for students, from the safety of the campus, to the warmth of the learning environment, and the rigor and breadth of the instructional programs. All aspects of the school contribute to providing students with the skills they need to be successful learners.

Our school mission: Ellen Feickert Elementary School will ensure high levels of learning for all students. This mission was developed as a part of our Professional Learning Community (P.L.C.) implementation. Our school-wide implementation of this dynamic school reform is in its seventh year.

Parent support and involvement are important to support Ellen Feickert Elementary School students. This support is provided in many ways, such as helping in the classroom, attending field trips, and having fun at family events. Parents also support student success at home by providing space, time, and encouragement for daily homework, and by sending a clear message that education and regular school attendance are important.

The safety of our students is this school's first priority and we focus on positive discipline guided by the Positive Behavioral and Intervention Supports (P.B.I.S.) program. We received the Gold Recognition, two years in row, from the state of California for our school's commitment. We emphasize three school rules: Be Kind, Be Safe, and Be Responsible, and we expect students to demonstrate these behaviors. The environment of the school makes our students feel comfortable and safe.

Eric Murchison, Principal  
Ellen Feickert Elementary

#### Parental Involvement

Ellen Feickert Elementary School enjoys tremendous parent participation! There are a number of ways to become involved with your child's education. Our school has an active Parent Teacher Organization which supports our school. We hold Back to School Night, Open House, and parent conferences throughout the school year. Parents and guardians are welcome to volunteer for the PTO, School Site Council, or attend our many family events. For more information about our parent involvement, contact Mrs. Jaeger, PTO president at [feickertpto@yahoo.com](mailto:feickertpto@yahoo.com).

### Teacher Credentials and Misassignments

In the 2019-2020 school year, over 99 percent of the district's teachers held full teaching credentials. In addition to being fully credentialed, if a class is 20 percent or more English Learners (EL), the teacher should hold a supplementary authorization to instruct students in learning English or they are considered misassigned.

In subjects with a shortage, a fully credentialed teacher is sometimes asked to teach outside of their subject matter competency area until an appropriately credentialed teacher can be hired. In these cases, teachers are counted as misassigned.

Vacancies are defined as a position to which a permanent teacher has not been assigned by the beginning of the course. Most vacancies in our district are in subject areas where qualified teachers are in shortage.

### School Facility Conditions and Planned Improvement

Ellen Feickert Elementary School was built in 1981 and has 37 classrooms, including a kindergarten building and play area. Classroom additions were constructed in 1984. Modernization construction took place in 2006. The newest buildings have teacher workrooms and staff meeting areas as a part of the design. Our school also has a multipurpose room, a library, two computer labs, and an administration building. Our district provides on-going maintenance to our facilities. We take pride in cleaning and maintaining our school facilities.

During the 2017-2018, our school received a new roof on the Multi-Purpose Room. Our school also received a large shade structure on the playground with the utilization of Measure M funding.

This summer (2021-2022) each of the classrooms in Buildings F, G and H will be refreshed with carpet, wall coverings, ceilings, and lighting.

The district's maintenance and grounds departments work, in concert with the school site custodial team, to ensure that school buildings, classrooms, and grounds are maintained at exceptional levels to provide a safe and functional environment for all students. The district utilizes the latest electronic work order system enabling site administration and custodians to communicate maintenance needs, urgent repairs, or necessary projects. Emergency repair needs are immediately resolved by either the school custodian or district maintenance staff. The school's custodians work as a team with the principal to ensure cleanliness. Each morning the custodian inspects the school prior to students and staff entering the school campus. Restrooms are inspected throughout the day to ensure that they are adequately stocked, safe, and sanitary. The Board of Education has adopted cleaning standards for all schools in the district. A summary of these standards is available at the school office and at the district office.

Classrooms in the F, G, and H buildings will be refreshed. The project includes each classroom receiving new carpet, wall coverings, ceiling and lighting replacement.

### Class Size

In Elk Grove schools, our research shows that small class sizes lead to higher student engagement and academic achievement. It has been a top priority in our district to reduce class sizes. For the 2021 - 2022 school year, class sizes are 24 to 1 in Transitional Kindergarten through 3rd grade, and 28 to 1 in 4th through 6th grades.

### California Assessment of Student Performance and Progress Results for All Students (School Year 2020 - 2021)

Subject	Percent of Students Meeting or Exceeding the State Standards					
	School		District		State	
	2019 - 2020	2020 - 2021	2019 - 2020	2020 - 2021	2019 - 2020	2020 - 2021
English Language Arts/Literacy (grades 3-8 and 11)	N/A	N/A	N/A	N/A	N/A	N/A
Mathematics (grades 3-8 and 11)	N/A	N/A	N/A	N/A	N/A	N/A

Note: The 2019-2020 data cells with N/A values indicate that the 2019-2020 data are not available due to the COVID-19 pandemic and resulting summative test suspension. The Executive Order N-30-20 was issued which waived the assessment, accountability, and reporting requirements for the 2019-2020 school year.

Note: The 2020-2021 data cells have N/A values because these data are not comparable to other year data due to the COVID-19 pandemic during the 2020-2021 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020-2021 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020-2021 school year to other school years.

## Professional Development

Our school and district offer a variety of professional learning opportunities for teachers, paraeducators, and non-instructional support staff. Our school is in its sixth full year of Professional Learning Communities (P.L.C.) and Positive Behavioral and Intervention Supports (P.B.I.S.). We also continue to provide professional development with the on-going implementation of the Common Core State Standards (C.C.S.S.). Our school has weekly staff development meetings. Teachers use this time to analyze student work, make determinations about students' strengths and improvement areas, and plan subsequent instruction to meet students' needs. Our school's mission: Ellen Feickert Elementary School will ensure high levels of learning for our students.

Finally, the district offers a variety of classes for support staff. Para-educators, school secretaries, office assistants, and custodians are able to take classes or attend workshops that relate to their work.

## School Safety Plan

Our district is committed to providing a safe, secure environment for learning. Our staff reviewed and updated our School Safety Plan in August 2021 and January 2022. Students are supervised by staff before and after school. We maintain a thorough visitor check-in process and our campus is secured each day. An "Emergency Handbook" outlining a plan of action for emergencies such as earthquakes, fires, and floods, is kept in each classroom. Random periodic school safety inspections are conducted by the County of Sacramento. The district's Police Services Department works closely with our school site to provide a safe, secure environment for all students. The school routinely practices safety drills. Our school rules reinforce student safety: Be Kind, Be Safe, Be Responsible.

## Specialized Programs

At our school, we have highly qualified staff to assist students with special learning needs. Our Learning Center serves special education and general education students who need additional learning support. Gifted and Talented Education (GATE) students and accelerated students participate in an after school extended day program. We have teachers who tutor and provide homework assistance to students after school. We maintain five classes of students with autism - Program for Acquiring Language and Social Skills (PALSS) and we have three Transitional Academic Classes (TAC) special education classes. The district's Virtual Academy is located on our campus, providing students, from EGUSD, an alternative to traditional education.
