Introduction from the Board

Thank you for your interest and commitment to your child's education, and your continuing partnership in teaching and learning. In order to best serve our community, we have created this condensed version of the full School Accountability Report Card (SARC) with the mission of presenting information about each of our schools in a clear, parent friendly format. If you are interested in viewing the full SARC report for your child's school, you will find it at the district website: <http://www.egusd.net/academics/assessments/school-accountability-report-cards/>

A Message From the Principal

Florin Elementary
A Community of Lifelong Learners!

Dear Students and Families,

Florin Elementary provides a unique and wonderful educational experience for children, from the physical and emotional safety of the campus, to the warmth of the learning environment, to the rigor and breadth of the instructional programs. The Florin Elementary School community is committed to excellence in education in an environment where all children can succeed.

Our district's mission is to provide a learning community that challenges ALL students to realize their greatest potential.

Our success in implementing the district's mission can be evidenced through our school's special strengths, which include:

Student commitment to learning
Involvement of our parent community
Promoting and maintaining a climate that celebrates diversity

Parent support and involvement continue to be important aspects of the success at Florin Elementary. This support is given, recognized, and appreciated in many different ways. Some parents help plan the programs and policies, while others serve as classroom and library volunteers, or plan family activities. Parents also support student success by providing space, time and encouragement for daily homework, and by sending a clear message that education and regular school attendance are important to the family.

The safety of our students is this school's first priority. Our Positive Behavioral Interventions and Supports (PBIS) plan dictates school-wide behavioral expectations, school-wide positive incentive programs, individual behavioral contracts when necessary, and one-on-one counseling for many students. Our three main rules--Be Safe, Be Respectful, Be Responsible--help to create an atmosphere where our students feel comfortable and secure.

Wilbert Villalta, Principal
Florin Elementary

Parental Involvement

There are a number of ways to become involved with your child's education. Our School Site Council assists the principal with important governance decisions. We host our annual Back to School Night, Open House, Harvest Festival, Parent University and regularly scheduled parent conferences during the year. Parents are always welcome to volunteer in their child's classroom. For more information on parent involvement opportunities, you may contact the School Secretary, Maria Del Toro Gonzalez, at 916-383-0530.

Teacher Credentials and Misassignments

In the 2019-2020 school year, over 99 percent of the district's teachers held full teaching credentials. In addition to being fully credentialed, if a class is 20 percent or more English Learners (EL), the teacher should hold a supplementary authorization to instruct students in learning English or they are considered misassigned.

In subjects with a shortage, a fully credentialed teacher is sometimes asked to teach outside of their subject matter competency area until an appropriately credentialed teacher can be hired. In these cases, teachers are counted as misassigned.

Vacancies are defined as a position to which a permanent teacher has not been assigned by the beginning of the course. Most vacancies in our district are in subject areas where qualified teachers are in shortage.

School Facility Conditions and Planned Improvement

Our school has 31 classrooms, a Learning Center, a computer lab, a multipurpose room, a library, and an administration building.

Our custodial team and grounds team take great pride in maintaining our facility in clean, safe, and functional condition. The FIT inspection indicates that all areas of the school are maintained appropriately.

The district governing board has adopted cleaning standards for all schools in the district. The principal works with the custodial staff to develop cleaning schedules to ensure a clean and safe school. The school is cleaned nightly and bathrooms are inspected every two hours throughout the school day.

There are no corrective actions necessary at this time.

District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority.

Installation of new shade structures in our main playground is scheduled to begin on December 2021. Florin Elementary is anticipating a major renovation including new carpeting, and for all the classrooms in the summer of 2022.

Class Size

In Elk Grove schools, our research shows that small class sizes lead to higher student engagement and academic achievement. It has been a top priority in our district to reduce class sizes. For the 2021 - 2022 school year, class sizes are 24 to 1 in Transitional Kindergarten through 3rd grade, and 28 to 1 in 4th through 6th grades.

California Assessment of Student Performance and Progress Results for All Students (School Year 2020 - 2021)

Subject	Percent of Students Meeting or Exceeding the State Standards					
	School		District		State	
	2019 - 2020	2020 - 2021	2019 - 2020	2020 - 2021	2019 - 2020	2020 - 2021
English Language Arts/Literacy (grades 3-8 and 11)	N/A	N/A	N/A	N/A	N/A	N/A
Mathematics (grades 3-8 and 11)	N/A	N/A	N/A	N/A	N/A	N/A

Note: The 2019-2020 data cells with N/A values indicate that the 2019-2020 data are not available due to the COVID-19 pandemic and resulting summative test suspension. The Executive Order N-30-20 was issued which waived the assessment, accountability, and reporting requirements for the 2019-2020 school year.

Note: The 2020-2021 data cells have N/A values because these data are not comparable to other year data due to the COVID-19 pandemic during the 2020-2021 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020-2021 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020-2021 school year to other school years.

Professional Development

Our school and district offer a variety of professional learning opportunities for teachers, instructional aides, and non-instructional support staff. Our district's Grade Level Reading Program keeps our TK-3 teachers up to date on the most current reading instruction strategies. Over 50% of our teachers are AVID trained. This professional development supports an engaging and rigorous learning environment with a focus on college and career readiness. In addition, our school has frequent grade level meetings in which teachers review data, determine students' strengths and weaknesses, and plan instruction to meet students' needs.

New teachers who have been teaching less than two years are supported by the district's beginning teacher program. They meet weekly with a mentor to discuss successes and challenges and implement new ideas.

The district offers a variety of classes for support staff. Instructional aides, school secretaries, office clerks, and custodians may take classes that relate to their work such as learning computer skills and learning more efficient practices.

School Safety Plan

At our site, we believe that safety is foundational to providing an optimal learning environment. Our district is committed to providing a safe, secure environment for learning. Our staff reviewed and updated our School Safety Plan in February 2021. The school is surrounded by fencing and visitors are asked to check in and enter the premises through the office. Adult supervision is provided before and after school. An "Emergency Handbook", outlining a plan of action for emergencies such as earthquakes, fires, floods, and chemical spills, is kept in the school office. Random, periodic school safety inspections are conducted by the County of Sacramento. The district's Police Services Department works closely with our school site to provide a safe, secure environment for all students.

Specialized Programs

At Florin Elementary, we have highly qualified staff to assist students with special learning needs. Our Learning Center services not only special education students, but also general education students who need additional support to meet our rigorous standards. English Language Development instruction helps our English Learners access the core curriculum. Students who need extra tutoring or homework help can participate in our daily after school program. Our Title I program offers interventions for students struggling in both English Language Arts and Math.
