### Introduction from the Board

Thank you for your interest and commitment to your child's education, and your continuing partnership in teaching and learning. In order to best serve our community, we have created this condensed version of the full School Accountability Report Card (SARC) with the mission of presenting information about each of our schools in a clear, parent friendly format. If you are interested in viewing the full SARC report for your child's school, you will find it at the district website: <http://www.egusd.net/academics/assessments/school-accountability-report-cards/>

### A Message From the Principal

In September 2004, Foulks Ranch Elementary School became a National Blue Ribbon School. This prestigious honor came from the U.S. Department of Education in recognition of the sustained success of our school. We still feel we meet all the criteria that brought us Blue Ribbon status in 2004. Our tradition of excellence is evident through all of our doors.

Our staff is committed to meeting the learning needs of every child. We are committed to our school mission. The Foulks Ranch Elementary community - consisting of students, staff, and families - has the shared responsibility to: infuse essential skills necessary for each student to experience academic and social success; provide a safe and nurturing environment that fosters responsible citizenship; and model and develop respect for diversity, while recognizing commonality.

We welcome parents as partners in their child's learning adventure. Parent involvement is an essential component of our school. This support is given, recognized, and appreciated. Some parents help plan the programs and policies, while others serve as classroom volunteers, plan family activities, or serve as art docents. Parents also support student success by providing space, time, and encouragement for daily homework and by sending a clear message that education and regular school attendance are important to the family.

Our district's mission is to provide a learning community that challenges all students to realize their greatest potential. We are committed to a region-wide effort that supports our district's mission, from our Pre-K classes through 12th grade. The administrators of the Laguna Creek Region recognize that it takes all of us to work together.

We enjoy a positive school environment, in and out of the classrooms, and appreciate the rich diversity at Foulks Ranch throughout our community.

Joe Donovan, Principal  
Foulks Ranch Elementary

### Parental Involvement

Parents are always welcome at school. We need, expect, and appreciate parent involvement. Our school has a very active PTO that supports us through a variety of opportunities. The PTO serves as a major sponsor for many school activities. Parents are always welcome to volunteer in their child's classroom to support the academic program and be partners in our educational endeavors. All our staff have "open doors" to discuss students' progress. To learn more about volunteering, please contact Mr. Donovan at [jdonoava@egusd.net](mailto:jdonoava@egusd.net).

### Teacher Credentials and Misassignments

In the 2021-2022 school year, over 99 percent of the district's teachers held full teaching credentials. In addition to being fully credentialed, if a class is 20 percent or more English Learners (EL), the teacher should hold a supplementary authorization to instruct students in learning English or they are considered misassigned. In subjects with a shortage, a fully credentialed teacher is sometimes asked to teach outside of their subject matter competency area until an appropriately credentialed teacher can be hired. In these cases, teachers are counted as misassigned. Vacancies are defined as a position to which a permanent teacher has not been assigned by the beginning of the course. Most vacancies in our district are in subject areas where qualified teachers are in shortage.

### School Facility Conditions and Planned Improvement

This school has 31 classrooms, a multipurpose room, a library, a computer lab and an administration building. The main campus was built in 1993. Classrooms consist of a mix of permanent construction, relocatable and portable classrooms. The school opened in 1989 with all portable buildings. Final construction was completed on the administrative wing, library, and multipurpose room in 1993. In order to accommodate our year-round schedule, most classes rotate in grade level wings throughout the school year. The Kindergarten wing houses three classrooms and their playground. Restroom facilities are built into each Kindergarten classroom.

We have a Kindergarten and main campus playground that were updated in 2002. In 2010, the field was revamped to include a running path for our students. Our 1st - 6th grade students all share the same playground space, but we have staggered recess times to allow enough play space for all children. Shade structure installed (Spring of 2022).

The district's maintenance and grounds departments work in concert with the school site custodial team to ensure that school buildings, classrooms, and grounds are maintained at exceptional levels to provide a safe and functional environment for all students. The district utilizes the latest electronic work order system enabling site administration and custodians to communicate maintenance needs, urgent repairs, or necessary projects. Emergency repair needs are immediately resolved by either the school custodian or district maintenance staff. The school's custodians work as a team and with the principal to develop a daily cleaning process and schedule. Each morning the custodian inspects the school prior to students and staff entering school grounds. Restrooms are inspected throughout the day to ensure that they are adequately stocked, safe, and sanitary.

Roofing projects, new speaker and fire alarm systems, HVAC replacements, and shade structure have occurred since spring of 2018. Work is continuing with painting of buildings and the anticipation of upcoming security camera installations.

**Class Size**

In Elk Grove schools, our research shows that small class sizes lead to higher student engagement and academic achievement. It has been a top priority in our district to reduce class sizes. For the 2022 - 2023 school year, class sizes are 24 to 1 in Transitional Kindergarten through 3rd grade, and 28 to 1 in 4th through 6th grades.

Note: Where it was the most viable option, in 2020-21, LEAs were required to administer the statewide summative assessment in ELA and mathematics and where a statewide summative assessment was not the most viable option for the LEA, LEAs were permitted to report results from a different assessment that meets the criteria established by the California State Board of Education on March 16, 2021. The 2020-21 data cells for the school, district, state have N/A values because these data are not comparable to 2021-22 data.

### Professional Development

Our school and district offer a variety of professional learning opportunities for teachers, paraeducators, and non-instructional support staff. Our school staff works as a Professional Learning Communities known (PLC). Each PLC meets one time per week while all members are on track. Teachers use this time to meet and review student work, make determinations about students' strengths and weaknesses, and plan subsequent instruction to meet students' needs. Our special education teachers have numerous opportunities to learn how to best meet the needs of students with learning disabilities.

Our District offers many staff development opportunities for teachers outside of our school. This allows our staff to pursue their area of interest. EGUSD also offers a variety of classes for support staff. Paraeducators, office staff, and custodians may take classes that relate to their work such as learning new computer skills and learning to work more efficiently and in ergonomically correct ways.

### School Safety Plan

Your child's safety is important to us. We are committed to providing a safe, secure environment for learning. Our staff reviewed and updated our Comprehensive Safe School Plan in September 2022. It addresses COVID 19 precautions, anti-bullying policy, character education and safety practices. A review occurs midyear with our School Site Council and School Culture Team. An "Emergency Packet" outlining a plan of action for emergencies is posted in all public areas and in each classroom. Periodic school safety inspections are conducted by the County of Sacramento. Access is controlled during the day and adult supervision is provided before and after school. EGUSD Police Services works closely with us to provide a safe and secure environment for our students.

### Specialized Programs

We have a highly qualified staff to assist students in many ways. Our Learning Center team works with teachers to support students who are on an Individualized Education Program (IEP) or are not meeting grade level standards. Strong collaboration between the general education staff and the Learning Center staff ensure that all students have an opportunity to be successful in school. We support an Inclusion program for students who qualify and have two Independent Living Skills (ILS) classrooms as well as Level 1, 2, and 3 Preschool PALSS classes, and a Head Start Preschool program. Our intervention team includes teachers that support English Learners in the classroom in small groups. Starting in 10/21, Foulks Ranch has partnered with CSD to house the ExL after school program for 1st - 6th grade students for after school care from dismissal until 5:30 pm.
