Introduction from the Board

Thank you for your interest and commitment to your child's education, and your continuing partnership in teaching and learning. In order to best serve our community, we have created this condensed version of the full School Accountability Report Card (SARC) with the mission of presenting information about each of our schools in a clear, parent friendly format. If you are interested in viewing the full SARC report for your child's school, you will find it at the district website: <http://www.egusd.net/academics/assessments/school-accountability-report-cards/>

A Message From the Principal

Dear Families,
Franklin Elementary School has had the privilege of educating students in this community for over 150 years.

At Franklin Elementary School we strive to create a culture of academic excellence, effective instructional practices, trust, accountability, and community involvement. We provide a focused and highly academic educational experience designed to meet the individual learning needs of all students so they may attain grade level standards and beyond. Effective instructional practice includes strategies for student engagement, analyzing student data, and developing culturally responsive classrooms. The staff seeks to create and maintain an environment of warmth and support as they work with students and families.

The vision for Franklin Elementary is that we will work collaboratively and professionally to be an open and welcoming environment that motivates and nurtures all students to become lifelong learners and reach their full potential.

Franklin Elementary School is dedicated to developing respectful and responsible citizens who seek to make positive contributions to our diverse society. We resolve to accomplish this by:

- maintaining a safe and supportive learning environment for everyone,
- developing life-long, independent learners and thinkers, and
- sustaining a strong and lasting sense of community and character through communication and collaboration with families.

The health and safety of our staff and students is our top priority. We have established schoolwide expectations as part of Positive Behavioral Interventions and Supports (PBIS). Systems are in place which promote a positive school environment for all students. Students are encouraged to be safe, respectful, and responsible.

Franklin Elementary is surrounded by a very supportive community. Parent involvement supports the success of students at Franklin Elementary. Some parents help plan programs and policies, while others serve as classroom and library volunteers, or serve on the PTA. Parents also support students by providing space, time, and encouragement for daily homework and by sending a clear message that education and regular school attendance are important to the family.

Diane Davis
Principal
Franklin Elementary School

Parental Involvement

Franklin Elementary School values each family's involvement in their child's education. Family support is critical to student success. Parents can attend Back to School Night, Open House, and parent conferences. Volunteering in your child's classroom, joining the PTA, SSC, ELAC, serving and/or helping with one of our many school-wide activities supports the success of all of our students. For more information, please contact the front office at (916) 684-6518 or fesoffice@egusd.net.

Teacher Credentials and Misassignments

In the 2024-2025 school year, over 99 percent of the district's teachers held full teaching credentials. In addition to being fully credentialed, if a class is 20 percent or more English Learners (EL), the teacher should hold a supplementary authorization to instruct students in learning English or they are considered misassigned. In subjects with a shortage, a fully credentialed teacher is sometimes asked to teach outside of their subject matter competency area until an appropriately credentialed teacher can be hired. In these cases, teachers are counted as misassigned. Vacancies are defined as a position to which a permanent teacher has not been assigned by the beginning of the course. Most vacancies in our district are in subject areas where qualified teachers are in shortage.

Teacher Credentials (School Year 2022-2023)

Total Number of Teachers	40.00
Total Full Credentials	40.00

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

Class Assignments (School Year 2022-2023)

Indicator	Percent
Misassignments for English Learners (a percentage of all the classes with English learners taught by teachers that are misassigned)	0%
No credential, permit or authorization to teach (a percentage of all the classes taught by teachers with no record of an authorization to teach)	0%

School Facility Conditions and Planned Improvement

"Franklin School District" was established in 1859 and since that time has undergone relocation, renovations, and modernization. "Franklin Union School" was constructed in 1955. In 2020, Franklin Elementary school moved to its new site at 5401 Dorcey Dr. in Elk Grove. The new site is equipped with 37 classrooms, a library, computer classroom, multipurpose room, and several staff lounges. The school is designed to "CHPS Verified" standards for energy efficiency and resource conservation. There is a district-wide security camera system, monitored 24/7. An all-weather track surrounds the field. There is a blacktop area, basketball courts, a playground structure for students in grades one through six. There is a separate playground for preschool and kindergarten students.

The district's maintenance and grounds departments work together with the site custodial team to ensure that school buildings, classrooms, and grounds are maintained to provide a safe and functional environment for all students. Emergency repair needs are immediately resolved by either the school custodian or district maintenance staff. The school's custodians work as a team to develop a daily cleaning process and schedule. Each morning the custodian inspects the school prior to staff and student arrival. Restrooms are inspected throughout the day to ensure they are adequately stocked, safe, and sanitary. The Board of Education has adopted cleaning standards for all schools in the district. A summary of these standards is available at the school office, or at the district office.

Class Size

In Elk Grove schools, our research shows that small class sizes lead to higher student engagement and academic achievement. It has been a top priority in our district to reduce class sizes. For the 2024 - 2025 school year, class sizes are 24 to 1 in Transitional Kindergarten through 3rd grade, and 28 to 1 in 4th through 6th grades.

Mathematics (grades 3-8 and 11)	55%	60%	40%	41%	34%	35%

Note: Where it was the most viable option, in 2020-21, LEAs were required to administer the statewide summative assessment in ELA and mathematics and where a statewide summative assessment was not the most viable option for the LEA, LEAs were permitted to report results from a different assessment that meets the criteria established by the California State Board of Education on March 16, 2021. The 2020-21 data cells for the school, district, state have N/A values because these data are not comparable to 2021-22 data.

Professional Development

Our district and school offer professional learning for teachers, instructional aides, and non-instructional staff. Our school has weekly grade level and monthly staff meetings with a focus on student learning. Teachers use this time to review student work, make determinations about students' strengths and growth areas, and to plan instruction to meet the needs of all students. Support staff receives training in effective instructional practices, CPR, first aid, behavior, and safety. Site/district trainings in English Language Arts and Math support teaching Common Core State Standards. Franklin teachers have had training in effective instructional/engagement strategies for the whole class and small groups. In order to better meet the needs of our students, families, and staff, all staff members of Elk Grove Unified School District will participate in ongoing professional development around the topics of Diversity, Equity, and Inclusion. Instruction addresses the needs of all students including language learners and students with disabilities. Several teachers have attended AVID training and participate in ongoing discussions about how to best implement AVID strategies throughout their teaching day. New teachers are supported by the district's beginning teacher program.

School Safety Plan

Our staff and SSC review and update our Comprehensive Safe School Plan annually. It was last updated in September of 2024. Our students and staff participate in evacuation, earthquake, and lockdown drills. A flipchart to reference emergency protocols, as well as accountability forms, are easily accessible in every classroom. Gates are kept locked throughout the day and visitors are required to check-in through the school office and receive a visitor's badge before coming onto campus. All regular volunteers and chaperones must be fingerprinted and cleared through EGUSD. Our students are supervised both before and after school. Supervision begins at 8:05am by administration and other staff until school begins at 8:20am and again at 2:40pm dismissal (Wednesdays at 1:50pm) until 2:55pm (Wednesdays until 2:05pm).

Specialized Programs

We have highly qualified staff to assist students with special learning needs. The Learning Center provides "push-in" and "pull-out" services for students in special education. English Learners (EL) receive 30 minutes of English Language Development (ELD) instruction in their classrooms daily to support language acquisition skills. Franklin Elementary currently has three intervention teachers. Intervention staff meet with students in small groups to help close learning gaps. Students participating in intervention are chosen by classroom teachers based on data. Gifted and Talented students participate in differentiated instruction in their regular classrooms. Other opportunities will be offered as staffing allows. The ExL program provides after-school support to students. These students receive homework support as well as enrichment activities.
