Introduction from the Board

Thank you for your interest and commitment to your child's education, and your continuing partnership in teaching and learning. In order to best serve our community, we have created this condensed version of the full School Accountability Report Card (SARC) with the mission of presenting information about each of our schools in a clear, parent friendly format. If you are interested in viewing the full SARC report for your child's school, you will find it at the district website: <http://www.egusd.net/academics/assessments/school-accountability-report-cards/>

A Message From the Principal

Franklin High School, the sixth comprehensive high school in the Elk Grove Unified School District, prides itself on providing students an extensive variety of opportunities for success. Our unique schedule provides students a large number of AP and elective course options designed to motivate and challenge students in an array of subject areas. Franklin High School has a collaborative environment that includes strong communication and partnership with Toby Johnson Middle School. The schools share the 19,000 square foot Franklin Community Library, which is operated in partnership with the Sacramento County Library system.

The EGUSD mission is to provide a learning community that challenges ALL students to realize their greatest potential.

Franklin High School P.R.I.D.E. is demonstrated when students come to campus and exhibit their Preparation, Respect, Integrity, Determination and Empathy. We strive to offer challenging course work that will prepare students for BOTH college or career pathways. Student success is measured by our graduation rate, college going rate, and career preparation through our California Partnership Academy program completion and our newly added High Quality Pathways.

Students are encouraged to enroll in rigorous courses and are supported through multiple opportunities to connect with the school. With over 80 clubs, competitive athletic teams, and accomplished extra-curricular activities, students and their families are excited to be part of this comprehensive high school environment. Our academic guidance counseling and support programs assist ALL students in achieving their post-secondary college and career goals.

Adam Wood, Principal
Franklin High School

Parental Involvement

Achieving our school's vision is a partnership between school, home, and community. Parents are encouraged to be active in their child's education through regular communication with teachers and monitoring their child's academic progress through Synergy. Franklin High School has many parent organizations and opportunities for involvement, including School Site Council, Wildcat Booster Club, English Learner Advisory Committee and Sober Grad. If interested please contact the school secretary, Angie Nelson, at 916-714-8150.

Teacher Credentials and Misassignments

In the 2024-2025 school year, over 99 percent of the district's teachers held full teaching credentials. In addition to being fully credentialed, if a class is 20 percent or more English Learners (EL), the teacher should hold a supplementary authorization to instruct students in learning English or they are considered misassigned.

In subjects with a shortage, a fully credentialed teacher is sometimes asked to teach outside of their subject matter competency area until an appropriately credentialed teacher can be hired. In these cases, teachers are counted as misassigned.

Vacancies are defined as a position to which a permanent teacher has not been assigned by the beginning of the course. Most vacancies in our district are in subject areas where qualified teachers are in shortage.

Teacher Credentials (School Year 2022-2023)

Total Number of Teachers	116.30
Total Full Credentials	108.90

SOURCE: 2022 - 2023, California Dept. of Education

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

Class Assignments (School Year 2022-2023)

Indicator	Percent
Misassignments for English Learners (a percentage of all the classes with English learners taught by teachers that are misassigned)	1.9%
No credential, permit or authorization to teach (a percentage of all the classes taught by teachers with no record of an authorization to teach)	0.2%

SOURCE: 2022 - 2023, California Dept. of Education

Note: For more information refer to the Updated Teacher Equity Definitions web page at <https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp>.

School Facility Conditions and Planned Improvement

Our school opened August 2002. We have 90 classrooms, a multipurpose room, a shared library with TJMS and Sacramento Public Library, computer classrooms, student services and administration buildings. Our new all-weather track and field was completed last year. Football games will continue to be held in the shared stadium at COHS. Two Career Technical Education classrooms have been modernized and updated with new technology and equipment.

District maintenance staff ensures that necessary repairs to keep the school in working order are completed in a timely manner. Emergency repairs are given the highest priority. The district's governing board has adopted cleaning standards for all schools. Our administration works with the custodial staff to develop cleaning schedules.

The district takes pride in its schools to ensure that school buildings, classrooms, and grounds are maintained at exceptional levels to provide a safe and functional environment for all students. To assist in this goal, the district uses a facility survey instrument developed by the State of California. Our school received "exemplary" status based on the State's definition, the highest rating possible.

The school's custodians work as a team and with the principal to develop a daily cleaning process and schedule. Each morning the custodian inspects the school prior to students and staff entering school grounds. Restrooms are inspected throughout the day to ensure that they are adequately stocked, safe, and sanitary.

New lights were installed for the soccer field in the fall of 2023. New projectors were installed in each classroom in August 2023. The engineering classroom was remodeled in summer of 2024.

Teachers Without Credentials and Misassignments (considered "ineffective" under ESSA) (School Year 2022-2023)

Authorization/Assignment	Number
Permits and Waivers	0
Misassignments	1.2
Vacant Positions	0
Total Teachers Without Credentials and Misassignments	1.2

SOURCE: 2022 - 2023, California Dept. of Education

Credentialed Teachers Assigned Out-of-Field (considered "out-of-field" under ESSA) (School Year 2022-2023)

Indicator	Number
Credentialed Teachers Authorized on a Permit or Waiver	1.2
Local Assignment Options	1.1
Total Out-of-Field Teachers	2.3

California Assessment of Student Performance and Progress Results for All Students (School Year 2023 - 2024)

Subject	Percent of Students Meeting or Exceeding the State Standards					
	School		District		State	
	2022 - 2023	2023 - 2024	2022 - 2023	2023 - 2024	2022 - 2023	2023 - 2024
English Language Arts/Literacy (grades 3-8 and 11)	62%	53%	51%	51%	46%	47%
Mathematics (grades 3-8 and 11)	49%	41%	40%	41%	34%	35%

Note: Where it was the most viable option, in 2020-21, LEAs were required to administer the statewide summative assessment in ELA and mathematics and where a statewide summative assessment was not the most viable option for the LEA, LEAs were permitted to report results from a different assessment that meets the criteria established by the California State Board of Education on March 16, 2021. The 2020-21 data cells for the school, district, state have N/A values because these data are not comparable to 2021-22 data.

Career Technical Education Programs

Career Technical Education (CTE) provides opportunities for FRHS students to prepare for college, career and life. CTE offers a Linked Learning approach that integrates rigorous academics, technical skills, relevant real-world experiences, work-based learning opportunities, and wrap-around student support to help students develop the 21st-century skills and habits of mind they will need to succeed after graduation. Guidance and career counselors offer support focused on achieving the outcomes described in the EGUSD Graduate Profile by offering lessons on transcript review, college readiness, A-G completion, course selection, Academy applications, college admissions, postsecondary options, technology use and resources.

FRHS offers the following CTE programs that promote leadership, develop job-related skills, offer work-based learning opportunities, and increase interest in school: California Partnership Academies (CPA), High Quality Career Pathways (HQCP), and Explore CTE Programs. CPAs feature cohort scheduling in CTE and academic core classes, integrated projects, and work-based learning opportunities. HQCPs provide a two-to-three year sequence of CTE courses within a career pathway. Pathway programs offer work-based learning opportunities and industry-recognized certification when available. Explore CTE programs, open to students across the district, allow students to complete an intensive training course in one year or less, take courses leading to industry certification, or experience internships. All CTE programs have an advisory committee that includes industry representatives for guidance and input. CTE programs at FRHS also allow students to meet graduation requirements and complete A-G requirements through courses that incorporate state-adopted academic standards.

Individual student assessment of work readiness skills in CTE programs takes place through end-of-course exams, projects, portfolios and defense of learning, industry certifications, Apple internship opportunities, and other means. Our CTE programs are evaluated through multiple measures, including CTE pathway completion rates, graduation rates, A-G completion rates, GPA, and attendance. Our CTE teams complete a rigorous self-reflection process, followed by district certification. The district collects data regarding continued education and employment from students one year after graduation as part of the Carl D. Perkins reporting process.

Career Technical Education Participation (School Year 2023 - 2024)

Measure	CTE Program Participation
Number of pupils participating in CTE	1354
Percent of Pupils that Complete a CTE Program and Earn a High School Diploma	20.40%
Percent of CTE courses sequenced or articulated between the school and institutions of postsecondary education	72.00%

Professional Development

Our school offers a variety of professional learning opportunities for teachers, instructional aides, and non-instructional support staff. Teachers from different departments or programs provide professional development during monthly staff meetings. In addition, teachers meet regularly to collaborate in professional learning communities in order to ensure that all students acquire the knowledge and skills essential to achieving their full potential. For the 2024-25 school year grade level and subject matter teams have specific release days throughout the year to collaborate on common assessments, Integrated Math, Next Generation Science standards, AP/Honors vertical teaming, EL courses, as well as student placement in a variety of support/intervention programs. Staff are currently in the middle of the two-year DEI training offered for all EGUSD employees.

School Safety Plan

Franklin High School provides a safe and positive learning environment for all students. Staff members maintain high expectations for appropriate and respectful student behavior. The School Safety Plan was reviewed in October 2024. An "Emergency Handbook", outlining a plan of action for emergencies such as earthquakes, fires, floods, and chemical spills, is kept in the school office. Many of our students serve as Link Crew Leaders and conflict managers to promote safe choices and conflict resolution on campus. A schedule is made to ensure supervision before and after school that includes both campus supervisors and administration. The areas of the campus that are open for entrance are monitored so all outside visitors need to check in through the main office and follow the appropriate procedures.

Specialized Programs

Specialized programs are staffed with eight counselors, seven resource specialists, full-time school psychologist, health clerk, and full-time librarian. The site shares a speech therapist with its feeder middle school.

Franklin High School's support of special populations also includes a comprehensive Advancement Via Individual Determination (AVID) Program, Math, English Science Academy (MESA) Program, and two California Partnership Academies (STEAM & GREEN). Special needs students participate in classroom instruction that strengthens writing, reading, and comprehension skills. New English learners study the Edge curriculum in designated ELD courses 9-12. Other English learners study the Study Sync curriculum in Integrated English 9-12 courses.

Average Salaries

Data reported are the district's average salaries for teachers, principals, and superintendents, compared to the state average salaries for districts of the same type and size, as defined by Education Code Section 41409.

Teachers	EGUSD 50,000+ ADA*	State Average 20,000+ ADA*
Beginning	\$54,010	\$56,573
Midrange	\$77,387	\$87,186
Highest	\$112,313	\$119,665
Principals		
Elementary	\$142,835	\$148,486
Middle	\$140,870	\$154,835
High	\$157,333	\$170,008
District Superintendent		
	\$441,092	\$338,699
Share of budget used for:		
Teachers' Salaries	33.0%	31.4%
Administrative Salaries	4.0%	4.9%
