Introduction from the Board

Thank you for your interest and commitment to your child's education, and your continuing partnership in teaching and learning. In order to best serve our community, we have created this condensed version of the full School Accountability Report Card (SARC) with the mission of presenting information about each of our schools in a clear, parent friendly format. If you are interested in viewing the full SARC report for your child's school, you will find it at the district website: <http://www.egusd.net/academics/assessments/school-accountability-report-cards/>

A Message From the Principal

Arlene Hein Elementary

Soaring Above and Beyond Expectations!

I would like to welcome you to Arlene Hein Elementary School - A National Blue Ribbon School. Arlene Hein Elementary provides our students with a rich, culturally diverse environment with a strong focus on academics. Our highly dedicated staff is committed to meeting the needs of every student. Arlene Hein Elementary School accomplishes this vision through:

- A rigorous, standards-based academic program
- Highly skilled instructional staff
- Culturally relevant learning experiences
- Collaborative learning throughout the instructional day
- Purposeful scheduling to maximize learning opportunities
- Extended day opportunities to provide additional learning before and after school
- Social/emotional learning
- An active partnership between home, school, and community

Arlene Hein's staff fosters a strong foundation in the areas of reading, writing, mathematics, science, social studies, and physical education through direct and differentiated instruction, engaging lessons, hands-on experiences, and the use of technology. We are a STEM and VAPA school that enriches our students' educational experiences to cultivate interests and prepare our students for future careers. Additionally, we provide our students with intervention and enrichment through our Hawk Academy that takes place before and after school and during off track time.

The safety of our students is our school's first priority, and the discipline policy is strictly enforced. We are proud to be a PBIS school as we emphasize being safe, responsible, and respectful.

We are here to support you and our students. Please do not hesitate to contact me at our school if I can be of any assistance.

Parental Involvement

There are numerous ways to become involved with your child's education at Arlene Hein Elementary School. Parents can be involved by volunteering in the classroom, chaperoning on field trips, attending our monthly PTO meetings, and by joining the PTO or School Site Council. We appreciate having parents help with PTO events such as our Jog-a-Thons, Book Fair, Multicultural Fair, Read-a-Thons, and Family Nights! For more information on parent involvement opportunities, you may contact our principal, Jennifer Ekelund, at 916-714-0654.

Teacher Credentials and Misassignments

In the 2019-2020 school year, over 99 percent of the district's teachers held full teaching credentials. In addition to being fully credentialed, if a class is 20 percent or more English Learners (EL), the teacher should hold a supplementary authorization to instruct students in learning English or they are considered misassigned.

In subjects with a shortage, a fully credentialed teacher is sometimes asked to teach outside of their subject matter competency area until an appropriately credentialed teacher can be hired. In these cases, teachers are counted as misassigned.

Vacancies are defined as a position to which a permanent teacher has not been assigned by the beginning of the course. Most vacancies in our district are in subject areas where qualified teachers are in shortage.

School Facility Conditions and Planned Improvement

Arlene Hein Elementary has 35 classrooms, a learning center, a computer lab, a multipurpose room, a library, and an administration building. The campus was built in 2003. Our school has two playground areas with multiple surfaces, a track, and two shade structures for students. Additionally, our school has a beautiful garden that is planted, maintained, and harvested by students.

The district's maintenance and grounds departments work together with the school site custodial team to ensure that school buildings, classrooms, and grounds are maintained at exceptional levels to provide a safe and functional environment for all students. The district utilizes the latest electronic work order system enabling site administration and custodians to communicate maintenance needs, urgent repairs, or necessary projects. Emergency repair needs are immediately resolved by either the school custodian or district maintenance staff. The school's custodians work as a team and with the principal to develop a daily cleaning process and schedule. Each morning the custodian inspects the school prior to students and staff entering school grounds. Restrooms are inspected throughout the day to ensure that they are adequately stocked, safe, and sanitary. The Board of Education has adopted cleaning standards for all schools in the district. A summary of these standards is available at the school office or at the district office.

A new shade structure was installed on the playground for the 2019-20 school year. There are no additionally planned facility projects for the 21-22 school year.

Class Size

In Elk Grove schools, our research shows that small class sizes lead to higher student engagement and academic achievement. It has been a top priority in our district to reduce class sizes. For the 2021 - 2022 school year, class sizes are 24 to 1 in Transitional Kindergarten through 3rd grade, and 28 to 1 in 4th through 6th grades.

California Assessment of Student Performance and Progress Results for All Students (School Year 2020 - 2021)

Subject	Percent of Students Meeting or Exceeding the State Standards

Mathematics (grades 3-8 and 11)	N/A	N/A	N/A	N/A	N/A	N/A

Note: The 2019-2020 data cells with N/A values indicate that the 2019-2020 data are not available due to the COVID-19 pandemic and resulting summative test suspension. The Executive Order N-30-20 was issued which waived the assessment, accountability, and reporting requirements for the 2019-2020 school year.

Note: The 2020-2021 data cells have N/A values because these data are not comparable to other year data due to the COVID-19 pandemic during the 2020-2021 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020-2021 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020-2021 school year to other school years.

Professional Development

For 2020-2021 school year, our school has a professional development emphasis on our Common Core State Standards, as well as in instructional strategies for closing the Achievement Gap. We are focused on implementing Explicit Direct Instruction as well as Visible Learning. Teachers meet weekly during Early Out Wednesdays to review student work, make determinations about students' strengths and needs, and to plan subsequent instruction. Teachers participate in additional professional training through site and district-offered trainings. This year teachers have participated in a variety of workshops focusing on technology, social/emotional learning and reading comprehension skills.

Finally, the district offers a variety of classes for support staff. Paraprofessionals, school secretaries, office assistants, and custodians may take classes that relate to their work such as learning new computer skills, learning new state and/or district policies, and learning to work more efficiently.

School Safety Plan

Your child's safety is important to us at Arlene Hein Elementary. Our students are supervised both before and after school and our campus is locked during the entire learning day. Visitors must sign in as they enter our office, and volunteers must be fingerprinted. Our district is committed to providing a safe, secure environment for learning. An "Emergency Handbook," outlining a plan of action for emergencies such as earthquakes, fires, floods, and chemical spills is kept in the school office and each classroom. Random periodic school safety inspections are conducted by Sacramento County Fire Department, and school wide safety drills are held monthly. The District's Police Services works closely with our school site to provide a safe, secure environment for all students. Our Comprehensive School Safety Plan was completed February 2022.

Specialized Programs

At Arlene Hein Elementary, we have highly qualified staff to assist students with special learning needs. Our Learning Center services special education students with individualized instruction. Gifted and Talented (GATE) students participate in accelerated instruction within their classrooms and during extended day as part of the Hawk Academy. We have a physical education and computer teacher that provide specialized instruction during the school day. Students are able to visit the library weekly. We have a drama teacher who provides instruction during the school day in visual and performing arts. We provide our English Learners with ELD instruction during a daily instructional period called WIN (What I Need). Students who need extra tutoring or homework help can participate in the Hawk Academy during extended day and/or intersession during off track time.
