Introduction from the Board

Thank you for your interest and commitment to your child's education, and your continuing partnership in teaching and learning. In order to best serve our community, we have created this condensed version of the full School Accountability Report Card (SARC) with the mission of presenting information about each of our schools in a clear, parent friendly format. If you are interested in viewing the full SARC report for your child's school, you will find it at the district website: <http://www.egusd.net/academics/assessments/school-accountability-report-cards/>

A Message From the Principal

Isabelle Jackson Elementary
A Community of Lifelong Learners!

Just as our students, Isabelle Jackson Elementary continues to develop and grow. The goal at Isabelle Jackson Elementary is to provide a wonderful educational experience for every child. We are providing students with the skills they need to be successful learners and leaders and to support them in their quest to be college and career ready.

Our mission is to provide our students with a safe, effective, and supportive environment where they can learn the essential academic and social skills to achieve in school and succeed in life.

Our school's special strengths evidence our success in implementing our mission:

- Extended day enrichment and remediation programs that include our Jag Institute (ASES), GATE, CREST program, band, sports, and reading support for our English Learners
- Student Leadership (Jags)
- A high degree of parent involvement

Guardian support and involvement continue to be important components of our success. Guardians support student success by providing space, time, and encouragement for daily homework and by conveying that education and regular school attendance are important to the family. Staff and students alike deeply appreciate the contributions of our community. Guardians volunteer in classrooms, assisting in planning activities and attending Parent Education workshops.

We look forward to welcoming our parents and guardians back on campus and into the classroom to volunteer and support our students and teachers.

The safety of our students is our priority. We promote problem-solving skills through our PBIS Program, and we instill leadership skills and civic responsibility through our character education program.

We welcome you as partners in pursuing your child's learning and success.

Scott Hadley, Principal
Isabelle Jackson Elementary

Parental Involvement

There are a number of ways to become involved with your child's education. You are always welcome and encouraged to volunteer in your child's classroom. You can also become involved by attending our parent conferences, Back to School Night, Open House, ELAC meetings, and by joining the SSC. For more information contact the school secretary at 916-689-2115.

Teacher Credentials and Misassignments

In the 2021-2022 school year, over 99 percent of the district's teachers held full teaching credentials. In addition to being fully credentialed, if a class is 20 percent or more English Learners (EL), the teacher should hold a supplementary authorization to instruct students in learning English or they are considered misassigned. In subjects with a shortage, a fully credentialed teacher is sometimes asked to teach outside of their subject matter competency area until an appropriately credentialed teacher can be hired. In these cases, teachers are counted as misassigned. Vacancies are defined as a position to which a permanent teacher has not been assigned by the beginning of the course. Most vacancies in our district are in subject areas where qualified teachers are in shortage.

School Facility Conditions and Planned Improvement

Our school has 33 classrooms, a multipurpose room, a library, computer classroom, and administration building. The main campus was built in 1987. Additions were constructed in 1989. We then added two additional portable classrooms in 2011 to allow for growth. Multiple gates and fences were constructed and/or retrofitted in 2012 to further increase the safety of our campus. In the 21-22 school year we completed our school-wide interior and exterior refurbishments. In the summer of 2023 Jackson will be getting all new blacktop for playgrounds and parking areas.

The district's maintenance and grounds departments work in concert with the school site custodial team to ensure that school buildings, classrooms, and grounds are maintained at exceptional levels to provide a safe and functional environment for all students. The district utilizes the latest electronic work order system enabling site administration and custodians to communicate maintenance needs, urgent repairs, or necessary projects. Emergency repair needs are immediately resolved by either the school custodian or district maintenance staff. The school's custodians work as a team and with the principal to develop a daily cleaning process and schedule. Each morning the custodian inspects the school prior to students and staff entering school grounds to ensure its cleanliness and safety. Restrooms are inspected throughout the day to ensure that they are adequately stocked, safe, and sanitary. The Board of Education has adopted cleaning standards for all schools in the district. A summary of these standards is available at the school office, or at the district office.

At the end of the 2022-23 school year, Isabelle Jackson will be getting a complete replacement of all blacktop surfaces and a concrete stage for the quad area. Recently, our classrooms received new carpet, tile, and paint, and the exterior was painted, and cosmetic repairs completed. We have recently had a variety of deferred maintenance projects completed, from plumbing and lighting upgrades, to drainage and painting. In addition, in the 2019-20 school year we received new roofing and HVAC systems on all buildings.

Class Size

In Elk Grove schools, our research shows that small class sizes lead to higher student engagement and academic achievement. It has been a top priority in our district to reduce class sizes. For the 2022 - 2023 school year, class sizes are 24 to 1 in Transitional Kindergarten through 3rd grade, and 28 to 1 in 4th through 6th grades.

Grade Level	School Average
Kindergarten	25
Grade 1	24
Grade 2	22
Grade 3	24

Mathematics (grades 3-8 and 11)	26%	N/A	40%	N/A	33%	N/A

Note: Where it was the most viable option, in 2020-21, LEAs were required to administer the statewide summative assessment in ELA and mathematics and where a statewide summative assessment was not the most viable option for the LEA, LEAs were permitted to report results from a different assessment that meets the criteria established by the California State Board of Education on March 16, 2021. The 2020-21 data cells for the school, district, state have N/A values because these data are not comparable to 2021-22 data.

Professional Development

Our school and district offer a variety of professional learning opportunities for teachers, instructional aides, and non-instructional support staff. Our site also utilizes an "Early Out Wednesday" model where teachers meet weekly to review student work, make determinations about students' strengths and weaknesses, and develop subsequent instruction to meet students' needs.

New teachers who have been teaching fewer than two years are supported by the district's Teacher Induction program. They meet weekly with an experienced mentor to discuss their successes and challenges and new ideas for their classrooms.

Finally, the district offers a variety of classes for support staff. Paras, secretaries, office assistants, and custodians may take classes and attend trainings that relate to their work such as learning new computer skills and learning to work more efficiently and in ergonomically correct ways.

School Safety Plan

We believe that nothing should get in the way of the academic achievement of our students. Our district is committed to providing a safe and secure environment for learning. Our staff reviewed and updated our School Safety Plan in July 2022. An "Emergency Handbook", outlining a plan of action for emergencies such as earthquakes, fires, floods, and chemical spills, is kept in the school office. In addition, every classroom has an Emergency Procedures folder for the teacher's use. Monthly emergency drills are conducted, and the County conducts periodic school safety inspections. Visitors are required to check in and enter the premises through the office, and adult supervision is provided before and after school. The district's Safety Department also works closely with our school site to provide a safe, secure environment for all students.

Specialized Programs

At Isabelle Jackson Elementary we have highly qualified staff to assist students with special learning needs. Our Intervention services not only support special education students, but also general education students who need additional assistance to meet the standards. Gifted and Talented students participate in an after school accelerated instruction program. Students who need extra tutoring, enrichment or homework help can also participate in our Jag Institute extended day program.
