

2022 - 2023 School Accountability Report Card - Executive Summary

Las Flores High School

5900 Bamford Dr
Sacramento, CA 95823
916-422-5604

Board of Education

Beth Albiani
Nancy Chaires Espinoza
Carmine S. Forcina
Gina Jamerson
Anthony "Tony" Perez
Michael Vargas
Sean J. Yang

Hours of Operation

Our office is open from 8:00 a.m. to 3:30 p.m. Monday through Friday. Parents are always welcome to visit the office to address any questions or concerns they may have about the school or their student. The office staff is available to assist parents with student registration, answer questions or provide information about programs at the school. The Las Flores High School site is located at 6131 Orange Avenue and the K-8 Virtual Academy office is located at 5900 Bamford Drive both located in Sacramento.

School Highlights and Awards

Accredited by Western Association of Schools and Colleges
District Recognition "Top Energy Saving School"
Certified School for "Digital Citizenship"

Student Demographics

Demographic	School	District
Enrollment	1,285	62,203

Introduction from the Board

Thank you for your interest and commitment to your child's education, and your continuing partnership in teaching and learning. In order to best serve our community, we have created this condensed version of the full School Accountability Report Card (SARC) with the mission of presenting information about each of our schools in a clear, parent friendly format. If you are interested in viewing the full SARC report for your child's school, you will find it at the district website: <http://www.egusd.net/academics/assessments/school-accountability-report-cards/>

A Message From the Principal

Las Flores High School
A Community of Lifelong Learners!

Las Flores High School provides a unique educational experience for K-12th grade students that includes a safe campus, a supportive learning environment and rigorous and comprehensive curriculum aligned to the Common Core State Standards. Our K-8th grade students participate in an online virtual program while our High School students participate in an A-G independent study program utilizing online curriculum. Both schools offer in person supplemental opportunities on two separate campuses. Students are encouraged to participate in Career Technical Education (CTE) classes, both on site and off, to prepare for college and/or careers. All aspects of the school contribute to providing students with the skills necessary to be successful independent learners.

The EGUSD mission is to provide a learning community that challenges ALL students to realize their greatest potential.

Las Flores supports the district's mission through the Schoolwide Learner Outcomes.

- All students will take responsibility for learning
- All students will be able to think critically and problem solve
- All students will be able to communicate and collaborate effectively

Our success in implementing the district's mission can be evidenced through our strengths which include:

- An individualized learning plan developed for each student
- An independent study format that allows students to pursue assignments independently
- Chromebooks for work at home and a computer lab that allows students to work on assignments on campus
- Concurrent enrollment at local community colleges for qualifying students

Parental support and involvement continue to be important aspects of the success of Las Flores High School. Parents are encouraged to join our School Site Council which is instrumental in developing and monitoring our site Local Control Accountability Plan (LCAP) that describes the actions, services, and expenditures that support student growth. Parents are welcome to visit or call our school at any time (916) 422-5604.

Justine Fuller,
Principal
Las Flores High School

Parental Involvement

There are a number of ways to become involved with your child's education. Our school has an active School Site Council (SSC) that assists the principal with important governance decisions, including our site Local Control Accountability Plan (LCAP). Parents are always welcome and encouraged to become involved at our site by volunteering with student activities, attending school functions and joining the SSC. In addition, we host monthly Family Engagement Nights on a variety of themes to provide in person learning and socialization opportunities for our students and their families. For more information about parent involvement opportunities, contact Lee Johnson, school secretary, at (916) 422-5604 or via email at LeJohnso@egusd.net.

Teacher Credentials and Misassignments

In the 2021-2022 school year, over 99 percent of the district's teachers held full teaching credentials. In addition to being fully credentialed, if a class is 20 percent or more English Learners (EL), the teacher should hold a supplementary authorization to instruct students in learning English or they are considered misassigned. In subjects with a shortage, a fully credentialed teacher is sometimes asked to teach outside of their subject matter competency area until an appropriately credentialed teacher can be hired. In these cases, teachers are counted as misassigned. Vacancies are defined as a position to which a permanent teacher has not been assigned by the beginning of the course. Most vacancies in our district are in subject areas where qualified teachers are in shortage.

Teacher Credentials (School Year 2021 - 2022)

Total Number of Teachers	N/A
Total Full Credentials	N/A

Note: Our district doesn't have access to the matched 2021-2022 CDE/CTC data to complete these tables, however, the CDE will populate these tables in the near future.

Class Assignments (School Year 2021 - 2022)

Indicator	Percent
Misassignments for English Learners (a percentage of all the classes with English learners taught by teachers that are misassigned)	N/A
No credential, permit or authorization to teach (a percentage of all the classes taught by teachers with no record of an authorization to teach)	N/A

Note: Our district doesn't have access to the matched 2021-2022 CDE/CTC data to complete these tables, however, the CDE will populate these tables in the near future.

Note: For more information refer to the Updated Teacher Equity Definitions web page at <https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp>.

School Facility Conditions and Planned Improvement

Las Flores High School recently relocated to the campus of a local alternative high school during the Fall of 2020 with the addition of new portable buildings and new furniture on that site. The Las Flores area of the campus has three dedicated classrooms and shares a multipurpose room, a counseling center, a quad with basketball courts, and an administration building. The K-8 campus was previously occupied by Adult Education and became the Las Flores site in 1988. Electrical and plumbing improvements have been made over the years, and new furniture and electrical upgrades were recently completed in the Fall of 2022. The custodians at each site provide daily upkeep to the site and the district Maintenance and Operations department provides ongoing maintenance and improvements to the facilities and buildings.

The LEA ensures that all schools are clean, safe, and functional. To assist in this effort, the LEA uses a facility survey instrument developed by the State of California Office of Public School Construction. The results of this survey are available at the district office. Included is information from the facility survey instrument on the condition of the school and the efforts made to ensure that students are provided with a clean, safe, and functional learning environment. Las Flores received an "Exemplary" status based on the State's definitions for each of the eight categories evaluated.

The district's Maintenance and Grounds departments work in concert with the administrator and school site custodians to ensure that school buildings, classrooms, and grounds are maintained at levels to provide a safe and functional environment for all students. The district utilizes the latest electronic work order system enabling site administration and custodians to communicate maintenance needs, urgent repairs, or necessary projects. Emergency repair needs are immediately resolved by either the school custodian or district maintenance staff. The schools' custodians work with the principal to develop a daily cleaning process and schedule. Restrooms are inspected throughout the day to ensure that they are adequately stocked, safe, and sanitary. The Board of Education has adopted cleaning standards for all schools in the district. Masks are provided in each of the front offices and classrooms and sanitation and child safe cleaning equipment and supplies are provided to each classroom.

In November of 2016, Measure M (a school facilities bond) was approved by California voters. The district has developed a Facility Master Plan to outline upgrades and modernization for school sites. Some of the projects planned for Las Flores include modernizing classroom features to current district standards, major building upgrades including heating/air conditioning, roofing and alarms, security measures including camera systems and fencing, and technology improvements. During the fall of 2022, the K-8 campus received an upgraded electrical remodel and new classroom furniture.

Teachers Without Credentials and Misassignments (considered "ineffective" under ESSA) (School Year 2021 - 2022)

Authorization/Assignment	Number
Permits and Waivers	N/A
Misassignments	N/A
Vacant Positions	N/A
Total Teachers Without Credentials and Misassignments	N/A

Note: Our district doesn't have access to the matched 2021-2022 CDE/CTC data to complete these tables, however, the CDE will populate these tables in the near future.

Credentialed Teachers Assigned Out-of-Field (considered "out-of-field" under ESSA) (School Year 2021 - 2022)

Indicator	Number
Credentialed Teachers Authorized on a Permit or Waiver	N/A
Local Assignment Options	N/A
Total Out-of-Field Teachers	N/A

Note: Our district doesn't have access to the matched 2021-2022 CDE/CTC data to complete these tables, however, the CDE will populate these tables in the near future.

School Facility Good Repair Status

Date of facilities inspection : 4/21/2021

Items Inspected	Repair Status			Repair Needed
	Good	Fair	Poor	
Systems: Gas Leaks, Mechanical/HVAC, Sewer	X			No
Interior: Interior Surfaces	X			No
Cleanliness: Overall Cleanliness, Pest/ Vermin Infestation	X			No
Electrical: Electrical	X			No

California Assessment of Student Performance and Progress Results for All Students (School Year 2021 - 2022)

Subject	Percent of Students Meeting or Exceeding the State Standards					
	School		District		State	
	2020 - 2021	2021 - 2022	2020 - 2021	2021 - 2022	2020 - 2021	2021 - 2022
English Language Arts/Literacy (grades 3-8 and 11)	43%	N/A	52%	N/A	47%	N/A
Mathematics (grades 3-8 and 11)	26%	N/A	40%	N/A	33%	N/A

Note: Where it was the most viable option, in 2020-21, LEAs were required to administer the statewide summative assessment in ELA and mathematics and where a statewide summative assessment was not the most viable option for the LEA, LEAs were permitted to report results from a different assessment that meets the criteria established by the California State Board of Education on March 16, 2021. The 2020-21 data cells for the school, district, state have N/A values because these data are not comparable to 2021-22 data.

Professional Development

Las Flores and the Elk Grove Unified School District offer a variety of professional learning opportunities for teachers and support staff. Las Flores has implemented a professional development emphasis on the principles of High Quality Instruction, which include formative & summative assessment, opportunities for student talk, active student participation, and learning targets & success criteria. These principles are designed to foster and improve student achievement. Las Flores teachers regularly attend training opportunities and workshops focusing on English Language Arts and Mathematics curricular materials and their alignment with the Common Core State Standards (CCSS). Monday afternoons at the High School and Wednesday afternoons at the K-8 site are dedicated to professional development and staff training. All staff members are supported in participating in activities and trainings outside of the school day that enhance their professional growth.

School Safety Plan

A safe, caring, and supportive learning environment is important to the academic success of all of our students. Our district is committed to providing a safe and secure environment for learning. The Las Flores School Safety Plan is reviewed and updated annually, and was last updated in September 2022. All campus visitors must register in our school office prior to coming on campus. Supervision is provided during school hours and at all after school events. An Emergency Handbook, outlining a plan of action for emergencies is kept in the school office and in all classrooms. Regular student safety drills (Fire; Duck, Cover, Hold; and Lock Down) are conducted quarterly. Random, periodic school safety inspections are conducted by the district and County of Sacramento. The district's Safety and Security Department works closely with our school site to provide a safe environment for all students.

Specialized Programs

Las Flores High School and the K-8 Virtual Academy both use an online independent study platform to deliver curriculum. We have highly qualified staff to assist students in meeting the state and district standards. Las Flores High School also utilizes a Multi-Tiered System of Support (MTSS) in concert with Positive Behavioral Interventions and Supports (PBIS) to assist students with academic, behavioral, or social emotional issues. EGUSD provides many opportunities for students to broaden their education by offering a wide variety of Career and Technical Education (CTE) courses and Las Flores students are encouraged to enroll in one or more that may interest them. Students wishing to further enhance or accelerate their education, and who meet the appropriate requirements, may concurrently attend community college through Advanced Education programs.

Average Salaries

Data reported are the district's average salaries for teachers, principals, and superintendents, compared to the state average salaries for districts of the same type and size, as defined by Education Code Section 41409.

Teachers	EGUSD 50,000+ ADA	State Average 20,000+ ADA
Beginning	\$47,193	\$51,081
Midrange	\$67,621	\$77,514
Highest	\$98,138	\$105,764
Principals		
Elementary	\$124,860	\$133,421
Middle	\$123,139	\$138,594
High	\$131,537	\$153,392
District Superintendent		
	\$363,331	\$298,377
Share of budget used for:		
Teachers' Salaries	34.6%	31.6%
Administrative Salaries	3.7%	5.0%
