## Introduction from the Board

Thank you for your interest and commitment to your child's education, and your continuing partnership in teaching and learning. In order to best serve our community, we have created this condensed version of the full School Accountability Report Card (SARC) with the mission of presenting information about each of our schools in a clear, parent friendly format. If you are interested in viewing the full SARC report for your child's school, you will find it at the district website: <http://www.egusd.net/academics/assessments/school-accountability-report-cards/>

## A Message From the Principal

Marion Mix Elementary will Empower Our School Community to: Know Their Impact, Embrace Continuous Growth, and Prepare for the 21st Century.

The entire staff of Marion Mix Elementary is dedicated to accomplishing the school vision by:

- \*Helping students, families and staff develop a clear understanding of their individual and collective IMPACT by explicitly teaching and practicing high levels of reflective thinking and problem solving.
- \*Working collaboratively to identify challenges, develop solutions, and refine practices to better meet the needs of ALL students.
- \*Providing high-quality first instruction that incorporates ongoing assessment of student learning that is frequent, accurate, specific and timely to move students towards academic proficiency and beyond.
- \*Promoting 21st Century thinking, learning, collaboration, and problem solving by making all learning relevant and aligned to College, Career, and Citizenship readiness.

To meet the needs of all our students, we provide a range of activities that occur before, during, and after school and through daily instruction and WIN (What I Need) time. These include CREST, Robotics, VAPA, Choir, tutoring, sports, NEHS, student leadership, yearbook design and enrichment activities.

Marion Mix is committed to guaranteeing a safe and positive learning environment while challenging all students to realize their greatest potential. We are a PBIS school, and we expect and reward our students when they are Motivated, Accountable, Vigilant and Supportive.

In partnership with our Parent Teacher Organization, we offer numerous opportunities throughout the year for our families to connect with our school. These events include Back to School Night, Family Picnic Lunch Days, Family STEM Nights, Family Craft Nights, Family Movie Nights, Kids & Cocoa, Glow Dance and Open House.

The staff at Marion Mix is dedicated to providing a supportive and nurturing learning environment while ensuring students are able to achieve academic success at high levels.

John Lyman, Principal Marion Mix Elementary

## Parental Involvement

Parent involvement is an integral part to our success at Marion Mix. Parents and community members are encouraged to volunteer in classrooms, chaperone field trips, help in the front office and attend monthly meetings provided by the principal. Our committed PTO collaborates with our families to serve and support our community priorities. School Site Council, ELAC and advisory committees are other opportunities to become involved in the site's decision making. Please contact Mr. Lyman, Principal, at 916.509.8877 for more information.

Teacher Credentials and Misassignments

In the 2024-2025 school year, over 99 percent of the district's teachers held full teaching credentials. In addition to being fully credentialed, if a class is 20 percent or more English Learners (EL), the teacher should hold a supplementary authorization to instruct students in learning English or they are considered misassigned. In subjects with a shortage, a fully credentialed teacher is sometimes asked to teach outside of their subject matter competency area until an appropriately credentialed teacher can be hired. In these cases, teachers are counted as misassigned. Vacancies are defined as a position to which a permanent teacher has not been assigned by the beginning of the course. Most vacancies in our district are in subject areas where qualified teachers are in shortage.

Teacher Credentials (School Year 2022-2023)

Total Number of Teachers	35.80
Total Full Credentials	33.80

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

Class Assignments (School Year 2022-2023)

Indicator	Percent
Misassignments for English Learners (a percentage of all the classes with English learners taught by teachers that are misassigned)	0%
No credential, permit or authorization to teach (a percentage of all the classes taught by teachers with no record of an authorization to teach)	0%

School Facility Conditions and Planned Improvement

Marion Mix has a main building containing 27 classrooms, library, computer lab, and an administrative office. Additionally, a separate Kindergarten building contains a teacher workroom and three classrooms as well as a freestanding Multipurpose Room. Also located on our site, is a designated area for Champions that provides before and after school care for the convenience of our families.

The main campus was completed in the spring of 2015 and opened its doors to students on August 13, 2015. Mix is equipped with current technology, and energy efficiency as a priority. During the 2017-2018 school year, SMUD also provided shade trees for our field. Marion Mix has been recognized through SMUD for our sustainability.

The district ensures that all schools are clean, safe, and functional. A facility survey instrument developed by the State of California Office of Public School Construction is utilized. The lead custodian, along with a site administrator, conducts a thorough inspection of the school grounds utilizing this survey instrument. The custodial team provides supervision and maintenance from 6:30 am - 10:00 pm. The school facilities are thoroughly cleaned, the classrooms are inspected, the playground is maintained, and the restrooms are checked hourly. District maintenance staff ensure that repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service. Emergency repairs are given highest priority.

There are no corrective actions necessary at this time.

Class Size

In Elk Grove schools, our research shows that small class sizes lead to higher student engagement and academic achievement. It has been a top priority in our district to reduce class sizes. For the 2024 - 2025 school year, class sizes are 24 to 1 in Transitional Kindergarten through 3rd grade, and 28 to 1 in 4th through 6th grades.

Note: Where it was the most viable option, in 2020-21, LEAs were required to administer the statewide summative assessment in ELA and mathematics and where a statewide summative assessment was not the most viable option for the LEA, LEAs were permitted to report results from a different assessment that meets the criteria established by the California State Board of Education on March 16, 2021. The 2020-21 data cells for the school, district, state have N/A values because these data are not comparable to 2021-22 data.

Professional Development

Our school and District offer a variety of professional learning opportunities for all staff. Currently, our school is focusing on the implementation of research-based, high quality instructional practices through Visible Learning strategies. The staff has also been trained on Project Lead the Way which is a project-based science curriculum, which is being implemented to best support our emphasis on STEM instruction. We continue with our implementation of Professional Learning Communities, in which our teachers focus on collaboration and student learning. Our staff is also committed to learning strategies to support Social Emotional Learning as well as Culturally Responsive Teaching practices. Our 5th and 6th grade teachers are trained in AVID and are implementing AVID strategies in their classes. Teachers who have been teaching fewer than two years are supported by the district's Beginning Teacher Program. They meet weekly with an experienced mentor to work on specific strategies to meet the needs of all students in their classrooms.

School Safety Plan

At Mix, we believe that nothing should impede the academic achievement of our students, and our district is committed to providing a safe and secure environment for learning. Our safety handbook outlines procedures for emergencies such as earthquakes, fires, lock down situations and floods for prompt and effective response. School wide drills for these protocols are practiced regularly. The District's Police Services collaborates with our site in maintaining safety at our school and throughout our community. A review of our school safety plan is conducted yearly in October 2023 and approved by our School Site Council. We provide staff supervision before and after school, and all visitors are required to sign-in at the front office and wear badges while on campus. During school hours, all gates are kept locked to limit accessibility.

Specialized Programs

At Marion Mix, we have highly qualified staff to assist students with special learning needs. Our Learning Center provides services for special education students. We also have two ABSS Academic, Behavior, and Social Supports self-contained classes. All English Language Learners participate in direct English instruction through our designated ELD time. The needs of Gifted and Talented students are met within the classroom by providing enrichment experiences and/or after school in various ways. Our CREST (Capital Region Engineering Science Technology) and Robotics programs meet after school weekly to encourage students to learn more about engineering and robotics. In addition, we have expanded our VAPA opportunities with a performing choir, band, yearbook design and art club. We also provide various sports opportunities such as Basketball, Volleyball and Running for Rhett.
