#### Introduction from the Board

Thank you for your interest and commitment to your child's education, and your continuing partnership in teaching and learning. In order to best serve our community, we have created this condensed version of the full School Accountability Report Card (SARC) with the mission of presenting information about each of our schools in a clear, parent friendly format. If you are interested in viewing the full SARC report for your child's school, you will find it at the district website: <http://www.egusd.net/academics/assessments/school-accountability-report-cards/>

#### A Message From the Principal

Elizabeth Pinkerton Middle School is a nationally recognized "School to Watch" and is also a 2015 State of California Gold Ribbon School. The staff at EPMS is committed to providing academic excellence delivered in the context of smaller learning communities. Our middle school is divided into five interdisciplinary teams, each staffed with six teachers who serve approximately 220 students. Each team is comprised of two Humanities teachers, one Math teacher, one Physical Education teacher, one Bridge teacher, and one Science teacher who work as a team to meet the needs of their students. This is a tremendous benefit to our students and parents because it makes a larger school feel smaller and provides for a strong support system for students.

Our district's mission is to provide a learning community that challenges ALL students to realize their greatest potential. Our success in implementing our district's mission can be evidenced through the success of EPMS students. More students have access to honors courses than ever before and through the implementation of the Common Core, ALL students receive a rigorous curriculum.

Parent support and involvement is critical to the success of our students. The key to academic excellence is to have all stakeholders working together for the benefit of the student.

School safety is a priority and the discipline policy is strictly enforced. We expect EPMS students to Be Safe, Be Respectful, and Be Responsible while on campus. Students receive weekly Advocacy lessons to assist them in various aspects of being a successful student and person. We strive to create a positive and nurturing environment for our students.

During the 2021-2022 school year, our students came back onto campus full time after having almost a year at home due to COVID. Teachers have been working diligently to reacclimate students to the classroom setting and to provide for a strong academic program with social emotional supports for students.

Chandra Victor, Principal  
Elizabeth Pinkerton Middle School

#### Parental Involvement

We encourage families to be involved in their child's education. This year due to COVID-19, activities on campus have been limited to what we can provide during the school day such as Student of the Month lunches, clubs, and lunch time activities. For more information on becoming involved at our school, contact our principal, Chandra Victor, at 683-7670.

## Teacher Credentials and Misassignments

In the 2019-2020 school year, over 99 percent of the district's teachers held full teaching credentials. In addition to being fully credentialed, if a class is 20 percent or more English Learners (EL), the teacher should hold a supplementary authorization to instruct students in learning English or they are considered misassigned.

In subjects with a shortage, a fully credentialed teacher is sometimes asked to teach outside of their subject matter competency area until an appropriately credentialed teacher can be hired. In these cases, teachers are counted as misassigned.

Vacancies are defined as a position to which a permanent teacher has not been assigned by the beginning of the course. Most vacancies in our district are in subject areas where qualified teachers are in shortage.

## School Facility Conditions and Planned Improvement

Elizabeth Pinkerton Middle School was housed on the Cosumnes Oaks High School Campus starting in 2008. In March of 2010, Elizabeth Pinkerton students entered their new school. We house two computer labs, each with thirty-six computers. All of our forty-six classrooms and the gymnasium have Wi-Fi. EPMS shares a library with Cosumnes Oaks High School. The multi-purpose room also has a fully functional stage. In September 2021 we added a shade structure in our quad to provide for shade and shelter for our students.

The district's maintenance and grounds departments work together with the school site custodial team to ensure that school buildings, classrooms, and grounds are maintained at exceptional levels to provide a safe and functional environment for all students. The district utilizes the latest electronic work order system enabling site administration and custodians to communicate maintenance needs, urgent repairs, or necessary projects. Emergency repair needs are immediately resolved by either the school custodian or district maintenance staff. The school's custodians work as a team and with the principal develop a daily cleaning process and schedule. Each morning the custodian inspects the school prior to students and staff entering school grounds. Restrooms are inspected throughout the day to ensure that they are adequately stocked, safe, and sanitary. The Board of Education has adopted cleaning standards for all schools in the district. A summary of these standards is available at the school office, or at the district office.

At this time, we have no school facilities projects in the works.

## California Assessment of Student Performance and Progress Results for All Students (School Year 2020 - 2021)

Subject	Percent of Students Meeting or Exceeding the State Standards					
	School		District		State	
	2019 - 2020	2020 - 2021	2019 - 2020	2020 - 2021	2019 - 2020	2020 - 2021
English Language Arts/Literacy (grades 3-8 and 11)	N/A	N/A	N/A	N/A	N/A	N/A
Mathematics (grades 3-8 and 11)	N/A	N/A	N/A	N/A	N/A	N/A

Note: The 2019-2020 data cells with N/A values indicate that the 2019-2020 data are not available due to the COVID-19 pandemic and resulting summative test suspension. The Executive Order N-30-20 was issued which waived the assessment, accountability, and reporting requirements for the 2019-2020 school year.

Note: The 2020-2021 data cells have N/A values because these data are not comparable to other year data due to the COVID-19 pandemic during the 2020-2021 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020-2021 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020-2021 school year to other school years.

### Professional Development

Our teachers and staff are dedicated to improving their skills to better meet the needs of ALL students. During the 2021-2022 school year, we will focus on the following: continuing our professional learning communities, continuing our work on developing common formative assessments and analyzing the data to inform instruction, developing learning targets for all essential skills, providing interventions for students who do not meet the essential skills, and analyzing our culturally responsive culture.

### School Safety Plan

Student safety is important to us at Elizabeth Pinkerton Middle School. An "Emergency Preparedness Handbook and Procedures", outlining a plan of action for emergencies such as earthquakes, fires, floods, and chemical spills, is kept in the school office. All visitors must check-in in Student Services and provide identification before entering campus. Campus supervisors, administrators, and on-duty teachers monitor students before and after school. Our School Safety Plan was reviewed in November 2021, updated as needed, and shared with the staff and our School Site Council. Random, periodic school safety inspections are conducted by the County of Sacramento. The District's Safety and Security Department works closely with our school site to provide a safe, secure environment for all students.

### Specialized Programs

At Elizabeth Pinkerton Middle School, we have a highly qualified staff who assists students with their learning needs. Honors courses are offered in Humanities, Math, and Bridge. We continue to offer an Extended Day program for extra support from a teacher. Our teaming and looping model creates an environment of a school within a school and allows for a strong support network for our students and their families.

### Average Salaries

Data reported are the district's average salaries for teachers, principals, and superintendents, compared to the state average salaries for districts of the same type and size, as defined by Education Code Section 41409.
