Introduction from the Board

Thank you for your interest and commitment to your child's education, and your continuing partnership in teaching and learning. In order to best serve our community, we have created this condensed version of the full School Accountability Report Card (SARC) with the mission of presenting information about each of our schools in a clear, parent friendly format. If you are interested in viewing the full SARC report for your child's school, you will find it at the district website: <http://www.egusd.net/academics/assessments/school-accountability-report-cards/>

A Message From the Principal

As a California Distinguished School, Pleasant Grove High School offers a unique and wonderful educational experience for students - including the relationships we build with students and families, the safety of our campus, the importance of a respectful learning environment, the rigor and breadth of the instructional programs, and the support provided to our diverse learners. Our goal is to ensure that all policies, practices and procedures are Implemented through a lens of educational equity. Furthermore, PGHS strives to achieve our vision: a learning community where all are safe, supported and encouraged to grow.

All aspects of PGHS support the EGUSD mission and contribute to providing students with the academic and life skills needed to be lifelong learners who are prepared to succeed in college, career, and life. Our success in implementing our district's mission is evident in our school's special strengths, including: Academic courses ranging from a full continuum of special education and intervention classes to Honors and Advanced Placement courses. Our goal is to educate and support all students based on the whole-child approach by addressing their academic and emotional needs.

Family and community engagement continue to be an important aspect of the success of Pleasant Grove High School. A monthly parent newsletter is distributed to keep our families connected to PGHS activities and events. Additionally, parent involvement is vital to the success of our athletic teams, booster clubs, school clubs, PTSO, ELAC (English Learner Advisory Committee) and committees including Eagle Alliance (PBIS), Safety and Security, Advocacy, Equity and many others. Families are invited to attend on-campus events including Coffee with the Principal, Open House, Parent Lunch Days, the Multicultural Assembly and Family Night, and Parent Workshop opportunities. Our community partnerships support our academies, athletic teams, band, theater, robotics and many other extra-curricular activities.

Because student safety is our top priority, PGHS behavior expectations are clearly communicated and strictly enforced-Be Safe, Be Respectful, Be Responsible, Be Your Best.

Taigan Keplinger, Principal

Parental Involvement

Our school has an active PTSO, athletic booster clubs, and various site committees encompassing parents, students, and staff members. Our School Site Council assists the principal with important governance decisions. Parents are welcome to volunteer at our site. PGHS hosts a regional Open House in the spring providing families with opportunities to learn about our specialized programs, academies, elective and AP courses as well as watch VAPA performances and learn about the wide array of courses offered. Parent Lunch days are offered monthly.

Teacher Credentials and Misassignments

In the 2024-2025 school year, over 99 percent of the district's teachers held full teaching credentials. In addition to being fully credentialed, if a class is 20 percent or more English Learners (EL), the teacher should hold a supplementary authorization to instruct students in learning English or they are considered misassigned. In subjects with a shortage, a fully credentialed teacher is sometimes asked to teach outside of their subject matter competency area until an appropriately credentialed teacher can be hired. In these cases, teachers are counted as misassigned. Vacancies are defined as a position to which a permanent teacher has not been assigned by the beginning of the course. Most vacancies in our district are in subject areas where qualified teachers are in shortage.

Teacher Credentials (School Year 2022-2023)

Total Number of Teachers	112.80
Total Full Credentials	107.50

SOURCE: 2022 - 2023, California Dept. of Education

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

Class Assignments (School Year 2022-2023)

Indicator	Percent
Misassignments for English Learners (a percentage of all the classes with English learners taught by teachers that are misassigned)	1.6%
No credential, permit or authorization to teach (a percentage of all the classes taught by teachers with no record of an authorization to teach)	1.1%

SOURCE: 2022 - 2023, California Dept. of Education

Note: For more information refer to the Updated Teacher Equity Definitions web page at <https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp>.

School Facility Conditions and Planned Improvement

PGHS was opened in the fall of 2005 with 13 pods containing 87 classrooms, 5 computer labs, administrative and student services offices, two gyms, and a multi-purpose room. In 2007, five portables were added to the southeast corner of campus to accommodate student growth. The Ag Center was completed in August 2011 and a greenhouse was added and completed in June 2014. In summer of 2017, three classrooms were transformed to meet the needs of the DMA and IDEA Academies.

In fall of 2017, a turf field and track were completed followed by a new BioMedical portable to accommodate the BioMedical CTE courses.

Security cameras were installed throughout the interior of the campus as well as in our parking lots last school year to assist with the safety and security on campus.

The district takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the district uses a facility survey instrument developed by the State of California Office of Public School Construction. Pleasant Grove High School conducts monthly inspections and submits a status report that is reviewed and signed by the school principal.

Site and district Maintenance staff work collaborately to ensure that all PGHS facilities are clean and well-maintained for our staff and students.

District maintenance staff promptly responds to school initiated work orders to ensure that the repairs necessary to keep the school in good repair and working order are completed in a timely and efficient manner.

During the fall of 2023, PGHS welcomed new field lights constructed around the perimeter of our soccer/football field as well as a permanent shade structure located at the top of our quad. Students enjoy the protection from the sun, rain and wind that the shade structure provides. The field lights were constructed in time for our winter men's and women's soccer season. Players, coaches and fan appreciate the games starting a little later in the afternoon as a result of the field lights.

Teachers Without Credentials and Misassignments
(considered "ineffective" under ESSA) (School Year 2022-2023)

Authorization/Assignment	Number
Permits and Waivers	0.2
Misassignments	0.8
Vacant Positions	0
Total Teachers Without Credentials and Misassignments	1

SOURCE: 2022 - 2023, California Dept. of Education

Credentialed Teachers Assigned Out-of-Field
(considered "out-of-field" under ESSA) (School Year 2022-2023)

Indicator	Number
Credentialed Teachers Authorized on a Permit or Waiver	1
Local Assignment Options	0
Total Out-of-Field Teachers	1

California Assessment of Student Performance and Progress Results for All Students
(School Year 2023 - 2024)

Subject	Percent of Students Meeting or Exceeding the State Standards					
	School		District		State	
	2022 - 2023	2023 - 2024	2022 - 2023	2023 - 2024	2022 - 2023	2023 - 2024
English Language Arts/Literacy (grades 3-8 and 11)	71%	65%	51%	51%	46%	47%
Mathematics (grades 3-8 and 11)	60%	56%	40%	41%	34%	35%

Note: Where it was the most viable option, in 2020-21, LEAs were required to administer the statewide summative assessment in ELA and mathematics and where a statewide summative assessment was not the most viable option for the LEA, LEAs were permitted to report results from a different assessment that meets the criteria established by the California State Board of Education on March 16, 2021. The 2020-21 data cells for the school, district, state have N/A values because these data are not comparable to 2021-22 data.

Career Technical Education Programs

Career Technical Education (CTE) provides opportunities for PGHS students to prepare for college, career and life. CTE offers a Linked Learning approach that integrates rigorous academics, technical skills, relevant real-world experiences, work-based learning opportunities, and wrap-around support to help students develop the 21st-century skills and habits of mind they will need to succeed after graduation. Guidance and career counselors offer support focused on achieving the outcomes described in the EGUSD Graduate Profile.

PGHS offers the following CTE programs that promote leadership, develop job-related skills, offer work-based learning opportunities, and increase interest in school: California Partnership Academies (CPA), High Quality Career Pathways (HQCP), and Explore CTE Programs. CPAs feature cohort scheduling in CTE and academic core classes, integrated projects, and work-based learning opportunities. HQCPs provide a two-to-three year sequence of CTE courses within a career pathway. Pathway programs offer work-based learning opportunities and industry-recognized certification when available. Explore CTE programs, open to students across the district, allow students to complete an intensive training course in one year or less, take courses leading to industry certification, or experience internships. All CTE programs have an advisory committee that includes industry representatives for guidance and input. CTE programs at PGHS also allow students to meet graduation requirements and complete A-G requirements through courses that incorporate state-adopted academic standards. PGHS currently offers 4 CTE programs: The Innovative Design and Engineering Academy offers hands-on instruction in architectural, mechanical and green engineering. Project Lead the Way Biotechnology offers instruction and career experiences in the medical health field. The Digital Media Academy offers students the opportunity to get hands-on experience in areas of broadcast journalism, multimedia and video production. Agriculture provides animal science and ag science strands and participation in Future Farmers of America. Individual student assessment of work readiness skills in CTE programs takes place through end-of-course exams, projects, portfolios and defense of learning, industry certifications, and other means.

Advanced Placement Courses
Offered

Subject	Courses
Computer Science	1
English	11
Fine and Performing Arts	3
Foreign Language	0
Mathematics	10
Science	13
Social Science	15
All courses	53

Professional Development

Ongoing professional learning is a priority for the PGHS faculty and staff as we focus on equitable educational outcomes for every student through ongoing and purposeful training in the following areas; Culturally and Linguistically Responsive Strategies, Restorative Practices, AVID, Interrupting Bias and Hate Speech, district-wide Diversity Equity and Inclusion courses, Illuminate Education, an online platform that allows for the creation of assessments and also helps educators make data-driven instructional decisions; unique needs of English Learners; and use of technology to analyze student achievement data and remain connected with families. Our professional development goals this year continue to focus on Equity and maintaining a welcoming environment for ALL students. In addition to the culturally and linguistically responsive practices, our staff is focused on supporting our students' wellness. Training includes QPR, Mental Health First Aid, and LGBTQ+ Cultural Humility. PGHS staff members continue to connect with their students and their families through Home visits and through proactive communication through Talking Points-an application that translates messages into the families primary language, emails and phone calls home.

School Safety Plan

Your child's safety is our number one priority at Pleasant Grove High School. Our School Safety Committee and staff review our School Safety Plan annually. It was last updated in September 2024, and it is posted on our website (pghs.net). The "Emergency Procedures", "Hazardous Materials", and "Comprehensive Safe School Plan" handbooks outline a plan of action for events such as earthquakes, fires, floods, and chemical spills. We hold multiple fire, lockdown, and earthquake drills every school year. The district's Police Services Department works closely with our school site to provide a safe, secure environment for all students.

Specialized Programs

PGHS offers the full continuum of academic courses from special education and intervention classes to Honors and AP courses. PGHS Special Education Department offers Levels 1, 2, and 4 classes, Pathways, and ABSS programs as well as RSP math, English, and MSAT course. Additionally, PGHS has thriving Theater, Music, and Dance programs where students are encouraged to participate in extra-curricular performances. PGHS is proud of our AVID program which encourages college and career readiness and success with multiple classes per grade level. PGHS has four thriving CTE Pathways: IDEA, DMA, Ag Science, and Bio Medical.

Beginning in ninth grade, counselors guide students through the process of exploring their career and college interests and skills through the California College Guidance Initiative as well as continually assist them with their four-year graduation plan.

Average Salaries

Data reported are the district's average salaries for teachers, principals, and superintendents, compared to the state average salaries for districts of the same type and size, as defined by Education Code Section 41409.

Teachers	EGUSD 50,000+ ADA*	State Average 20,000+ ADA*
Beginning	\$54,010	\$56,573
Midrange	\$77,387	\$87,186
Highest	\$112,313	\$119,665
Principals		
Elementary	\$142,835	\$148,486
Middle	\$140,870	\$154,835
High	\$157,333	\$170,008
District Superintendent		
	\$441,092	\$338,699
Share of budget used for:		
Teachers' Salaries	33.0%	31.4%
Administrative Salaries	4.0%	4.9%
