#### Introduction from the Board

Thank you for your interest and commitment to your child's education, and your continuing partnership in teaching and learning. In order to best serve our community, we have created this condensed version of the full School Accountability Report Card (SARC) with the mission of presenting information about each of our schools in a clear, parent friendly format. If you are interested in viewing the full SARC report for your child's school, you will find it at the district website: <http://www.egusd.net/academics/assessments/school-accountability-report-cards/>

#### A Message From the Principal

At Prairie Elementary, our amazing staff is committed to providing the best possible education for each child. Our school's mission is: We will inspire and educate the Prairie Community to reach our full potential as productive citizens. Our school's motto is: "LEARNERS TODAY - LEADERS TOMORROW". Our school's vision is: In Every Classroom at Prairie You will See: Rigor and High Expectations; Collaboration; Student Engagement and Positive Classroom Management. There are numerous interventions in place to support all students. Some of those interventions include small group interventions during the day, off-track intersession classes, after school tutoring, social-emotional support, counseling and an after school enrichment program (ASES). We welcome parent participation. Parents are encouraged to become active members of our learning community. Our campus enrichment includes the computer lab, library, Scholastic Reading Counts reading incentive program, CREST, Elementary Honor Society, Minecraft Club, athletics, and a Student Leadership group.

Laura Anderson, Principal  
Prairie Elementary

#### Parental Involvement

We encourage all parents to become actively involved at Prairie. All parents are welcome to attend our English Learners Advisory Council and/or our School Site Council. Our parent involvement policy requires all parents attend parent conferences. Teachers are given time monthly to conduct conferences with parents. Parent workshops are offered throughout the year. For additional information, please contact our principal, Mrs. Anderson, at 916-422-1843.

Teacher Credentials and Misassignments

In the 2022-2023 school year, over 99 percent of the district's teachers held full teaching credentials. In addition to being fully credentialed, if a class is 20 percent or more English Learners (EL), the teacher should hold a supplementary authorization to instruct students in learning English or they are considered misassigned. In subjects with a shortage, a fully credentialed teacher is sometimes asked to teach outside of their subject matter competency area until an appropriately credentialed teacher can be hired. In these cases, teachers are counted as misassigned. Vacancies are defined as a position to which a permanent teacher has not been assigned by the beginning of the course. Most vacancies in our district are in subject areas where qualified teachers are in shortage.

Teacher Credentials (School Year 2022 - 2023)

Total Number of Teachers	40.70
Total Full Credentials	38.70

SOURCE: 2022 - 2023, California Dept. of Education

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

Class Assignments (School Year 2022 - 2023)

Indicator	Percent
Misassignments for English Learners (a percentage of all the classes with English learners taught by teachers that are misassigned)	0.00%
No credential, permit or authorization to teach (a percentage of all the classes taught by teachers with no record of an authorization to teach)	0.00%

School Facility Conditions and Planned Improvement

Prairie opened its doors in 1981. The school has 45 classrooms, a multipurpose room, a library, a computer lab, and an administration building. The campus also includes a County Office of Education Annex, Student Support Center Office, Pre-school and CDI portables. The modernization begun in 2005 consisted of new wings (G, H, I, K-3, new blacktop, new playfield and irrigation system) and was completed September 2006. In July of 2018, Prairie was updated with new flooring in the Multipurpose Room. A new shade structure was installed on our playground in 2020. All classrooms received updated Audio Visual technology for supporting daily instruction. In 2022, Prairie received a refresh which included new carpet, new painting and new lighting in all buildings on campus.

Prairie Elementary School has four full time custodians who ensure the cleanliness of the school campus daily from 6:00 am to 10:30 pm. Our restrooms are cleaned multiple times throughout the day with deep cleaning occurring every evening. Our multi-purpose room is cleaned after each meal and used by both school and outside groups. The school grounds are regularly maintained by the district's grounds team, which serves Prairie Elementary every other week. The lead custodian walks the campus every morning to look for any contraband or safety issues that might have arisen overnight to ensure student safety. Any repair concerns are reported to the district's maintenance and facilities team. The district's maintenance and facilities team regularly addresses Prairie's work orders.

A new roof was installed on the multi-purpose room and the library building in 2019. A new Marquee was installed in 2016. Our Multi-Purpose room had new flooring installed in 2019. A new shade structure was installed on the playground in 2020. All classrooms have been updated with new Audio Visual technology for instructional use. Prairie completed a refresh project in 2022 which included new carpet, new painting and new lighting in all buildings on campus.

Class Size

In Elk Grove schools, our research shows that small class sizes lead to higher student engagement and academic achievement. It has been a top priority in our district to reduce class sizes. For the 2023 - 2024 school year, class sizes are 24 to 1 in Transitional Kindergarten through 3rd grade, and 28 to 1 in 4th through 6th grades.

Grade Level	School Average
Kindergarten	25
Grade 1	26
Grade 2	23
Grade 3	25

Mathematics (grades 3-8 and 11)	15%	15%	40%	40%	33%	34%

Note: Where it was the most viable option, in 2020-21, LEAs were required to administer the statewide summative assessment in ELA and mathematics and where a statewide summative assessment was not the most viable option for the LEA, LEAs were permitted to report results from a different assessment that meets the criteria established by the California State Board of Education on March 16, 2021. The 2020-21 data cells for the school, district, state have N/A values because these data are not comparable to 2021-22 data.

## Professional Development

Our school and district offer a variety of professional learning opportunities for teachers, paraprofessionals, and non-instructional support staff. Our focus is on closing the achievement gap by formulating professional development opportunities based on proven research. Teachers meet weekly on Early Out Wednesdays as Professional Learning Communities.

Professional Development opportunities include: Diversity, Equity and Inclusion, Instructional Framework, reading fluency, strategies that meet the needs of English Language Learners, data analysis, cultural diversity, implementing the English Language Development Curriculum, Special Education, differentiated instruction, technology training, Positive Behavior Interventions and Supports, math and comprehension strategies.

New teachers who have been teaching fewer than two years are supported by the district's beginning teacher program. They meet weekly with an experienced mentor to discuss their successes and challenges and new ideas for their classrooms.

Finally, the district offers a variety of classes for support staff, Paraprofessionals, school secretaries, office clerks, and custodians related to their work such as learning new computer skills and learning to work more efficiently and in ergonomically correct ways.

## School Safety Plan

Our School Safety Plan was updated and reviewed with our staff in January of 2023. Our gates open at 7:30 a.m. for breakfast and are secured by 8:10 a.m. All visitors must enter our campus through the front office and receive a visitor's pass. Our gates open at 10:30 for our kindergarten parents and students to enter and are secured again at 10:40 a.m. Our after school program secures the campus at 2:45 p.m. to provide for the safety of the students remaining, and does not open the gates again until 5:30 p.m. All visitors after school also check in through the front office to proceed to the campus. Students are supervised by staff both before and after school. Safety drills are conducted monthly. Our Positive Behavior Intervention Support team meets monthly and reviews any necessary adjustments to the School Safety Plan.

## Specialized Programs

Our Learning Center services special education students who need additional support to meet IEP goals. Intervention teachers service small groups of students in every classroom four days a week. We provide one hour of "What I Need" time for English learners to receive additional instruction. English speakers receive additional help in areas of need. Gifted and Talented students participate in accelerated instruction within their classrooms and in afterschool classes including CREST. Students who participate in our afterschool program, Fast Track, benefit from homework support and enrichment opportunities. Enrichment classes include flag football, basketball, volleyball, soccer, track, dance, band and gardening. In addition, we offer off-track intersession taught by credentialed teachers.
