Introduction from the Board

Thank you for your interest and commitment to your child's education, and your continuing partnership in teaching and learning. In order to best serve our community, we have created this condensed version of the full School Accountability Report Card (SARC) with the mission of presenting information about each of our schools in a clear, parent friendly format. If you are interested in viewing the full SARC report for your child's school, you will find it at the district website: <http://www.egusd.net/academics/assessments/school-accountability-report-cards/>

A Message From the Principal

At Prairie Elementary, our amazing staff is committed to providing the best possible education for each child. Our school's mission is: We will inspire and educate the Prairie Community to reach our full potential as productive citizens. Our school's motto is: "LEARNERS TODAY - LEADERS TOMORROW". Our School's vision is: In Every Classroom at Prairie You will See: Rigor and High Expectations; Collaboration; Student Engagement and Positive Classroom Management. There are numerous interventions in place to support all students. Some of those interventions include small group interventions during the day, off-track intersession classes, after school tutoring, and an after school enrichment program (ASES). We welcome parent participation. Parents are encouraged to become active members of our learning community. Our campus enrichment includes the computer lab, library, Scholastic Reading Counts reading incentive program, CREST, Elementary Honor Society, PAW Print Theater, Songbirds Choir, and a Student Leadership group.

Laura Anderson, Principal
Prairie Elementary

Parental Involvement

We encourage all parents to become actively involved at Prairie. All parents are welcome to attend our English Learners Advisory Council and/or our School Site Council. Our parent involvement policy requires all parents attend parent conferences. Teachers are given time monthly to conduct conferences with parents. Parent workshops are offered throughout the year. For additional information, please contact our principal, Mrs. Anderson, at 916-422-1843.

Teacher Credentials and Misassignments

In the 2019-2020 school year, over 99 percent of the district's teachers held full teaching credentials. In addition to being fully credentialed, if a class is 20 percent or more English Learners (EL), the teacher should hold a supplementary authorization to instruct students in learning English or they are considered misassigned.

In subjects with a shortage, a fully credentialed teacher is sometimes asked to teach outside of their subject matter competency area until an appropriately credentialed teacher can be hired. In these cases, teachers are counted as misassigned.

Vacancies are defined as a position to which a permanent teacher has not been assigned by the beginning of the course. Most vacancies in our district are in subject areas where qualified teachers are in shortage.

School Facility Conditions and Planned Improvement

Prairie opened its doors in 1981. The school has 45 classrooms, a multipurpose room, a library, a computer lab, and an administration building. The campus also includes a County Office of Education Annex, Student Support Center Office, Pre-school and CDI portables. The modernization begun in 2005 consisted of new wings (G, H, I, K-3, new blacktop, new playfield and irrigation system) and was completed September 2006. In July of 2018, Prairie was updated with new flooring in the Multipurpose Room. A new shade structure was installed on our playground in 2020.

Prairie Elementary School has four full time custodians who ensure the cleanliness of the school campus daily from 6:00 am to 10:30 pm. Every classroom is thoroughly cleaned daily using the most up to date sterilizing products. Our restrooms are cleaned multiple times throughout the day with deep cleaning occurring every evening. Our multi-purpose room is cleaned after each meal and used by both school and outside groups.

The school grounds are regularly maintained by the district's grounds team, which serves Prairie Elementary every other week. The lead custodian walks the campus every morning to look for any contraband or safety issues that might have arisen overnight to ensure student safety. Any repair concerns are reported to the district's maintenance and facilities team. The district's maintenance and facilities team regularly addresses Prairie's work orders.

A new roof was installed on the Multi-Purpose room and the library building in 2019. A new Marquee was installed in 2016. Our Multi-Purpose room had new flooring installed in 2019. A new shade structure was installed on the playground in 2020. All classrooms have been updated with new Audio Visual technology for instructional use. We are currently planning for updates to our carpet and wall structures in 2021.

Class Size

In Elk Grove schools, our research shows that small class sizes lead to higher student engagement and academic achievement. It has been a top priority in our district to reduce class sizes. For the 2021 - 2022 school year, class sizes are 24 to 1 in Transitional Kindergarten through 3rd grade, and 28 to 1 in 4th through 6th grades.

California Assessment of Student Performance and Progress Results for All Students (School Year 2020 - 2021)

Mathematics (grades 3-8 and 11)	N/A	N/A	N/A	N/A	N/A	N/A

Note: The 2019-2020 data cells with N/A values indicate that the 2019-2020 data are not available due to the COVID-19 pandemic and resulting summative test suspension. The Executive Order N-30-20 was issued which waived the assessment, accountability, and reporting requirements for the 2019-2020 school year.

Note: The 2020-2021 data cells have N/A values because these data are not comparable to other year data due to the COVID-19 pandemic during the 2020-2021 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020-2021 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020-2021 school year to other school years.

Professional Development

Our school and district offer a variety of professional learning opportunities for teachers, paraprofessionals, and non-instructional support staff. Our focus is on closing the achievement gap by formulating professional development opportunities based on proven research. Teachers meet weekly on Early Out Wednesdays as Professional Learning Communities.

Professional Development opportunities include: Effective Direct Instruction, reading fluency, strategies that meet the needs of English Language Learners, data analysis, cultural diversity, implementing the English Language Development Curriculum, Special Education, differentiated instruction, technology training, Positive Behavior Interventions and Supports, and comprehension strategies.

New teachers who have been teaching fewer than two years are supported by the district's beginning teacher program. They meet weekly with an experienced mentor to discuss their successes and challenges and new ideas for their classrooms.

Finally, the district offers a variety of classes for support staff, Paraprofessionals, school secretaries, office clerks, and custodians related to their work such as learning new computer skills and learning to work more efficiently and in ergonomically correct ways.

School Safety Plan

Our School Safety Plan was updated and reviewed with our staff in January of 2022. Our gates open at 7:30 a.m. for breakfast and are secured by 8:10 a.m. All visitors must enter our campus through the front office and receive a visitor's pass. Our gates open at 10:30 for our kindergarten parents and students to enter and are secured again at 10:40 a.m. Our after school program secures the campus at 2:45 p.m. to provide for the safety of the students remaining, and does not open the gates again until 5:30 p.m. All visitors after school also check in through the front office to proceed to the campus.

Safety drills are conducted monthly. Debriefing occurs after each drill to further review safety concerns. Our Positive Behavior Intervention Support team meets monthly and reviews any necessary adjustments to the School Safety Plan.

Specialized Programs

Our Learning Center services special education students who need additional support to meet IEP goals. Intervention teachers service small groups of students in every classroom four days a week. We provide one hour of "What I Need" time for English learners to receive additional instruction. English speakers receive additional help in areas of need. Gifted and Talented students participate in accelerated instruction within their classrooms and in afterschool classes including CREST. Students who participate in our afterschool program, Fast Track, benefit from homework support and enrichment opportunities. Enrichment classes include basketball, volleyball, soccer, track, dance, musical theater band and gardening. In addition, we offer off-track intersession taught by credentialed teachers.
