Introduction from the Board

Thank you for your interest and commitment to your child's education, and your continuing partnership in teaching and learning. In order to best serve our community, we have created this condensed version of the full School Accountability Report Card (SARC) with the mission of presenting information about each of our schools in a clear, parent friendly format. If you are interested in viewing the full SARC report for your child's school, you will find it at the district website: <http://www.egusd.net/academics/assessments/school-accountability-report-cards/>

A Message From the Principal

Sierra Enterprise Elementary
We Rise Up

Sierra Enterprise Elementary strives toward creating an environment that ensures each child the ability to meet their fullest potential. Our teachers support student instruction with engaging activities, small group and large group teaching, as well as the differentiation of instruction. We use data to drive instruction goals.

Our goal is to create students that are life-long learners, successful leaders, and citizens in our community. Our students have access to after school tutoring, ASES (after school program), school wide staff mentoring to assist them in being successful during the school day. All staff teach character development strategies, and a school wide discipline program provides our students the expectations and guidance needed to be successful at school.

Our school site has pre-K, Title I/Head start, Pre K-6 autism program and various other special education classes. We are working on creating a campus that supports all learners in an environment that is warm, welcoming, and accepting of everyone.

Parent involvement continues to be an important aspect of the success at Sierra Enterprise Elementary School. Parents support student success by sending a clear message that education and regular school attendance are important to the family. Our School Site Council, English Learner Advisory Committee, GATE/Accelerated Parent Advisory, and PBIS/safety committee provide opportunities for family and community members to ask questions and offer solutions.

The safety of our students is our school's first priority. Our school site council creates and implements a school safety plan each year. Our discipline policy is strictly enforced. We emphasize cooperation and responsible, respectful behavior. Sierra Enterprise is a safe, comfortable and caring place where both staff and students can meet their fullest potential. We welcome both parent and community support, and all that will provide our students and staff opportunities to grow and learn as we continue to soar to success.

Patricia Hecht, Principal
Sierra Enterprise Elementary

Parental Involvement

At Sierra Enterprise Elementary School, there are a number of ways to become involved with your child's education. You may volunteer in your child's classroom, attend parent conferences, family nights, Back to School Night, Open House, PBIS/safety and School Site Council. For more information on parent involvement opportunities, you may contact the principal, Patricia Hecht, at (916)381-2767.

Teacher Credentials and Misassignments

In the 2021-2022 school year, over 99 percent of the district's teachers held full teaching credentials. In addition to being fully credentialed, if a class is 20 percent or more English Learners (EL), the teacher should hold a supplementary authorization to instruct students in learning English or they are considered misassigned.

In subjects with a shortage, a fully credentialed teacher is sometimes asked to teach outside of their subject matter competency area until an appropriately credentialed teacher can be hired. In these cases, teachers are counted as misassigned.

Vacancies are defined as a position to which a permanent teacher has not been assigned by the beginning of the course. Most vacancies in our district are in subject areas where qualified teachers are in shortage.

School Facility Conditions and Planned Improvement

Sierra Enterprise has 34 classrooms, a multipurpose room, a library, and an administration building. Sierra Enterprise also has a computer lab. The main campus was built in 1954. The kindergarten building, administration building and new multipurpose room were constructed in 1995. Six portable classrooms were constructed in 1999 for Class Size Reduction.

Three outdoor playgrounds provide students play opportunities. The school also has a very large grass area that allows students ample opportunity to play at recess. The parking lot was expanded and includes a new parent pick-up and drop off zone.

The district's maintenance and grounds departments work in concert with the school site custodial team to ensure that school buildings, classrooms, and grounds are maintained at exceptional levels to provide a safe and functional environment for all students. The district utilizes the latest electronic work order system enabling site administration and custodians to communicate maintenance needs, urgent repairs, or necessary projects. Emergency repair needs are immediately resolved by either the school custodian or district maintenance staff. The school's custodians work as a team and with the principal to develop a daily cleaning process and schedule. Each morning the custodian inspects the school prior to students and staff entering school grounds. Restrooms are inspected throughout the day to ensure that they are adequately stocked, safe, and sanitary. The Board of Education has adopted cleaning standards for all schools in the district. A summary of these standards is available at the school office, or at the district office.

At this time, Sierra Enterprise received a new HVAC system and a new roof as part of a long-term modernization project. The parking lot was extended over the summer of 2020. Modernization of the school will continue over the next few years.

Class Size

In Elk Grove schools, our research shows that small class sizes lead to higher student engagement and academic achievement. It has been a top priority in our district to reduce class sizes. For the 2022 - 2023 school year, class sizes are 24 to 1 in Transitional Kindergarten through 3rd grade, and 28 to 1 in 4th through 6th grades.

Mathematics (grades 3-8 and 11)	24%	N/A	40%	N/A	33%	N/A

Note: Where it was the most viable option, in 2020-21, LEAs were required to administer the statewide summative assessment in ELA and mathematics and where a statewide summative assessment was not the most viable option for the LEA, LEAs were permitted to report results from a different assessment that meets the criteria established by the California State Board of Education on March 16, 2021. The 2020-21 data cells for the school, district, state have N/A values because these data are not comparable to 2021-22 data.

Professional Development

Our school and district offer a variety of professional learning opportunities for teachers, instructional aides, and non-instructional support staff.

Our teachers will be focusing on Culturally and Linguistically Responsive Teaching. All teachers will continue to have learning opportunities around the standards, curriculum and Explicit Direct Instruction. Staff will also be supported by coach led professional development around the topics of Assessment and Intervention. Our teachers are also working on data collection and the use of data to drive instruction. Primary grade teachers are participating in letters training and piloting the math adoption materials.

Finally, the district offers a variety of classes for support staff. Instructional aides, school secretaries, office clerks, and custodians may take classes that relate to their work such as learning new computer skills and learning to work more efficiently and in ergonomically correct ways.

School Safety Plan

Safety is our first priority at Sierra Enterprise Elementary School. Our School Safety Plan was reviewed by the School Site Council in February 2023, and presented during our staff meeting. All visitors must sign-in at the office and provide a photo identification. An "Emergency Handbook", outlining a plan of action for emergencies such as earthquakes, fires, floods, and chemical spills, is kept in the school office. Adult supervision is provided before and after school to support student supervision. Random, periodic school safety inspections are conducted by the County of Sacramento. The safety plan includes supervision plans for students arriving before and after school. The entire campus is a locked campus and visitors must check in at the office.

Specialized Programs

At our school we have highly qualified staff to assist students with special learning needs. All students are provided classrooms and programs that meet their goals and academic needs. Our Learning Center services not only special education students, but also general education students who need additional support to meet the standards. Our English Learners receive support from our Bilingual Teaching Associate and direct instruction of ELD Wonders by a trained teacher. Gifted and Talented students are provided skill specific activities and higher-level thinking opportunities during their daily instruction. Our second and third graders will be learning how to play the recorder thanks to a Teichert Grant and the Sacramento Philharmonic Carnegie Link In program.
