Introduction from the Board

Thank you for your interest and commitment to your child's education, and your continuing partnership in teaching and learning. In order to best serve our community, we have created this condensed version of the full School Accountability Report Card (SARC) with the mission of presenting information about each of our schools in a clear, parent friendly format. If you are interested in viewing the full SARC report for your child's school, you will find it at the district website: <http://www.egusd.net/academics/assessments/school-accountability-report-cards/>

A Message From the Principal

T. R. Smedberg Middle School serves 7th and 8th grade students in the Sheldon High School region of the Elk Grove Unified School District. We are the home of The Wolverines and our diverse student population receives a wide variety of learning experiences that will prepare them for success in high school and beyond. We recognize that not all students are in the same place with their academic skills. Students who demonstrate a need for additional support are enrolled in intervention classes and receive additional help in after-school programs; students who demonstrate skills "above the norm" have opportunities to continue to excel in honors classes, our GATE program and academic competition teams such as Science Olympiad and Mathletes. With Sheldon High school "next door," Smedberg students can participate in the high school orchestra or take a variety of World Language classes including Spanish and Japanese. Additionally, Smedberg provides a vibrant Vocational, Visual and Performing Arts (VVAPA) program in the classroom. Students learn vocational skills in our fully equipped Woodshop and Computer classes or explore the performing arts through our fully staffed dance, theater, or music programs. Our arts program includes beginning and intermediate learning opportunities. To further develop the whole student, Smedberg has incorporated time into the regular school schedule for clubs to meet on campus once a week. Students participate in a wide variety of clubs, including: Ukulele, The Asian Association, Golf, Dumbledore's Army, Black Student Union, Chess, or over 20 other clubs that are sponsored by Smedberg teachers.

We appreciate and celebrate the wealth of diversity our students bring to our school. At Smedberg, we rise to the challenge of providing all of our students with a quality education that will equip them to realize their greatest potential.

Parental Involvement

We encourage direct, family participation in a variety of ways including parent education nights and on-campus activities. Through Smedberg's School Site Council, parents play an important role in developing our site plan, including identifying educational programs and the determining spending of school funds. To be involved, parents/guardians can contact Kristan Manning, the School Secretary, at 916-681-7525 or by email at kmanning@egusd.net to learn more on how they can participate. Teacher Credentials and Misassignments

In the 2021-2022 school year, over 99 percent of the district's teachers held full teaching credentials. In addition to being fully credentialed, if a class is 20 percent or more English Learners (EL), the teacher should hold a supplementary authorization to instruct students in learning English or they are considered misassigned.

In subjects with a shortage, a fully credentialed teacher is sometimes asked to teach outside of their subject matter competency area until an appropriately credentialed teacher can be hired. In these cases, teachers are counted as misassigned.

Vacancies are defined as a position to which a permanent teacher has not been assigned by the beginning of the course. Most vacancies in our district are in subject areas where qualified teachers are in shortage.

School Facility Conditions and Planned Improvement

T. R. Smedberg opened in 1997. The facility includes 42 classrooms, a fully functional, state of the art woodshop, a dance studio, a band/choir room, a multipurpose room, a main and auxiliary gym, a library, and an administration building.

Smedberg's site custodial team works with the district's Maintenance and Grounds departments to ensure that our school site is maintained at suitable levels to provide a safe and functional environment for all students. The district utilizes the latest electronic work order system, enabling site administration and the lead custodian to communicate maintenance needs, urgent repairs, or necessary projects to the district team. Emergency repairs are immediately resolved by either the school staff or district maintenance staff. The school's custodians work as a team with site administration to develop a daily cleaning process and schedule. Each morning the custodian inspects the school prior to students and staff entering school grounds. Restrooms are inspected throughout the day to ensure they are adequately stocked, safe, and sanitary. The Board of Education has adopted cleaning standards for all schools in the district. A summary of these standards is available at the school office, or at the district office.

This Summer the district installed a large shade structure in the center of campus. This provides students an additional place, out of the sun and rain, to eat and mingle during lunch time. No facilities projects taking place at this time.

Note: Where it was the most viable option, in 2020-21, LEAs were required to administer the statewide summative assessment in ELA and mathematics and where a statewide summative assessment was not the most viable option for the LEA, LEAs were permitted to report results from a different assessment that meets the criteria established by the California State Board of Education on March 16, 2021. The 2020-21 data cells for the school, district, state have N/A values because these data are not comparable to 2021-22 data.

Professional Development

Smedberg teachers receive on-going training from the district in the critical elements of the Common Core curriculum and instruction. Teachers continue to be trained in strategies that engage students in the critical thinking and knowledge application skills required by the Common Core. In addition, the staff has received training in instructional strategies to meet the needs of English Language Learning students as well as supporting the social/emotional needs of all students. The district also offers a variety of professional growth opportunities for our support staff. Instructional aides, school secretaries, office clerks, and custodians may take classes and receive training in job skills and techniques that will make them more effective and efficient in their work.

School Safety Plan

The safety of our students is a top priority for us. We know that when students feel safe, they are free to focus on learning. Expectations for student behavior are clearly explained in the student handbook and reviewed regularly in Advocacy class. In line with state mandates, the school regularly conducts fire, earthquake, and intruder drills. With access limited to the front office, our staff ensures that all visitors sign-in, wear ID, and go straight to and from designated locations. The School Safety Plan is revised annually by staff and parents. Included in the plan are monitoring practices that not only address student safety during school hours, but before and after school as well. The final draft of the current School Safety Plan was adopted by Smedberg's School Site Council in January 2023.

Specialized Programs

At Smedberg Middle School, our Special Education teachers work collaboratively with our General Education teachers through consultation outside the classroom and working in tandem with them in the classroom. While in their own classroom, Special Education teachers specialize in working with small groups of students, utilizing strategies that address the specific learning needs of students. Additionally, English Language (EL) students are provided direct English Language Development instruction or specialized instruction in EL classes if they are new to our country. Additional support for EL students is provided through our after school EL Academic Support Program.
