Hours of Operation

Parents are always welcome to visit our office with any questions they may have about our school, programs and services, including registering and enrolling your child. Our office is open from 7:30 a.m. to 4:00 p.m., Monday through Friday. We are proud to serve the Sunrise Elementary School community and we invite new families to tour our school with an administrator or office staff by scheduling an appointment.

School Highlights and Awards

Sunrise continues to build upon our history of excellence. We earned statewide recognition- gold level- for excellent PBIS implementation. We have earned several SEVA (Sacramento Educational Video Awards) awards for our student written, edited, and produced Spartan TV productions. Additionally, our National Elementary Honors Society supports student achievement and service to our community.

Student Demographics

Demographic	School	District
Enrollment	847	62,203
English Learners	108	10,449
Languages Spoken	27	100
Students of Poverty	157	28,799
GATE	22	5,012

Introduction from the Board

Thank you for your interest and commitment to your child's education, and your continuing partnership in teaching and learning. In order to best serve our community, we have created this condensed version of the full School Accountability Report Card (SARC) with the mission of presenting information about each of our schools in a clear, parent friendly format. If you are interested in viewing the full SARC report for your child's school, you will find it at the district website: <http://www.egusd.net/academics/assessments/school-accountability-report-cards/>

A Message From the Principal

Welcome to Sunrise Elementary School!

Sunrise Elementary is a school committed to serving the needs of the whole child. With a curriculum that is focused on the California Common Core grade level standards, our students enjoy strong academic success. We have also sought out opportunities to develop our children's well-roundedness with instruction in technology, physical education, leadership, character development and the visual and performing arts- all while viewing these programs through a lens of equity.

In addition to our exemplary academic and social-emotional programs, newcomers are attracted to the strong sense of community present on campus and in our school-wide events. This sense of community has continued to flourish even as the school's population has changed over the years.

In addition to instruction in Language Arts and Mathematics, P.E., Science, Social Science, and technology instruction play a significant role in our curriculum. Every student has access to Chromebook tablets and all students receive weekly instruction from our computer resource teacher and P.E. teacher. Our library technician and collection of library books helps students to read and learn in a variety of genres on a range of topics from diverse authors. The Accelerated Reader Program encourages our 2nd-6th grade students to read often and widely.

Our parent community takes an active role in our school, taking elected positions on our PFO, ELAC and School Site Council, raising and donating funds and supplies, and providing input on our school programs and culture.

As a result of the commitment and professionalism of the school staff and the strong support of the community, Sunrise has prospered through budget changes, growth and downsizing, and the challenges related to the recent pandemic. The 2022-23 school year marks our ninth year on a four track year round schedule. It is through our joint commitment to the education of children that we continue to maintain the fabric of our school, the quality of our instructional programs, and our overall purpose to see every child become college, career and life ready graduates.

Martin Hock, Principal

Parental Involvement

Parent involvement is a key to student success. There are a number of ways to become involved with your child's education. Our school has a very active PFO (Parent Faculty Organization) that promotes family activities and raises funds in support of school programs and special events. Our School Site Council assists the principal with important governance decisions and our English Language Advisory helps guide our programs for English Learners. A parent also represents our community at the Superintendent's Parent Advisory meetings. For more information on parent involvement opportunities, you may contact Principal Hock at 916-985-4350.

Teacher Credentials and Misassignments

In the 2021-2022 school year, over 99 percent of the district's teachers held full teaching credentials. In addition to being fully credentialed, if a class is 20 percent or more English Learners (EL), the teacher should hold a supplementary authorization to instruct students in learning English or they are considered misassigned.

In subjects with a shortage, a fully credentialed teacher is sometimes asked to teach outside of their subject matter competency area until an appropriately credentialed teacher can be hired. In these cases, teachers are counted as misassigned.

Vacancies are defined as a position to which a permanent teacher has not been assigned by the beginning of the course. Most vacancies in our district are in subject areas where qualified teachers are in shortage.

Teacher Credentials (School Year 2021 - 2022)

Total Number of Teachers	N/A
Total Full Credentials	N/A

Note: Our district doesn't have access to the matched 2021-2022 CDE/CTC data to complete these tables, however, the CDE will populate these tables in the near future.

Class Assignments (School Year 2021 - 2022)

Indicator	Percent
Misassignments for English Learners (a percentage of all the classes with English learners taught by teachers that are misassigned)	N/A
No credential, permit or authorization to teach (a percentage of all the classes taught by teachers with no record of an authorization to teach)	N/A

Note: Our district doesn't have access to the matched 2021-2022 CDE/CTC data to complete these tables, however, the CDE will populate these tables in the near future.

Note: For more information refer to the Updated Teacher Equity Definitions web page at <https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp>.

School Facility Conditions and Planned Improvement

Sunrise Elementary is nestled in the heart of the still growing Anatolia neighborhood in the city of Rancho Cordova. Our school campus has 40 classrooms including a Learning Center, multipurpose room, library, computer lab and our administration building. Each "pod" of classrooms has center area for teacher collaboration. The main campus was built in 2006-2007. There are two playground spaces, one for kindergarten, and a second for Grades 1-6 that includes basketball, tetherball, and foursquare courts. A running and walking track surrounds our expansive playfield and grassy area.

The EGUSD Maintenance and Grounds department work in concert with the school site custodial team and site administrators to ensure that school buildings, classrooms, and grounds are maintained at exceptional levels to provide a safe and functional environment for all students. The district utilizes the latest electronic work order system enabling site administration and custodians to communicate maintenance needs, urgent repairs, or necessary projects. Emergency repair needs are immediately resolved by either the school custodian or district maintenance staff. The school's custodians work as a team with the administrators to develop a daily cleaning process and schedule. Each morning the custodian inspects the school prior to students and staff entering school grounds. Restrooms are inspected throughout the day to ensure that they are adequately stocked, safe, and sanitary. The Board of Education has adopted cleaning standards for all schools in the district. A summary of these standards is available at the school office, or at the district office.

With our EGUSD bond measure, our school now has a covered shade structure for our playground. Our PFO has generously donated funds to help install a shade sail in our kindergarten play yard that will be installed in the spring of 2023. We have saved fundraising monies and additionally have been awarded a supplementary Rancho Cordova Measure H grant for the development of a school garden project to complement our science instruction. Our garden beds, gardening plumbing and storage shed have been built and installed with help from our PFO and parent and school community.

Teachers Without Credentials and Misassignments (considered "ineffective" under ESSA) (School Year 2021 - 2022)

Authorization/Assignment	Number
Permits and Waivers	N/A
Misassignments	N/A
Vacant Positions	N/A
Total Teachers Without Credentials and Misassignments	N/A

Note: Our district doesn't have access to the matched 2021-2022 CDE/CTC data to complete these tables, however, the CDE will populate these tables in the near future.

Credentialed Teachers Assigned Out-of-Field (considered "out-of-field" under ESSA) (School Year 2021 - 2022)

Indicator	Number
Credentialed Teachers Authorized on a Permit or Waiver	N/A
Local Assignment Options	N/A
Total Out-of-Field Teachers	N/A

Note: Our district doesn't have access to the matched 2021-2022 CDE/CTC data to complete these tables, however, the CDE will populate these tables in the near future.

School Facility Good Repair Status

Date of facilities inspection : 4/21/2021

Items Inspected	Repair Status			Repair Needed
	Good	Fair	Poor	
Systems: Gas Leaks, Mechanical/HVAC, Sewer	X			No
Interior: Interior Surfaces	X			No
Cleanliness: Overall Cleanliness, Pest/ Vermin Infestation	X			No
Electrical: Electrical	X			No

Class Size

In Elk Grove schools, our research shows that small class sizes lead to higher student engagement and academic achievement. It has been a top priority in our district to reduce class sizes. For the 2022 - 2023 school year, class sizes are 24 to 1 in Transitional Kindergarten through 3rd grade, and 28 to 1 in 4th through 6th grades.

Grade Level	School Average
Kindergarten	21
Grade 1	23
Grade 2	20
Grade 3	26
Grade 4	28
Grade 5	30
Grade 6	26

SOURCE: 2021 - 2022, California Dept. of Education

California Assessment of Student Performance and Progress Results for All Students (School Year 2021 - 2022)

Subject	Percent of Students Meeting or Exceeding the State Standards					
	School		District		State	
	2020 - 2021	2021 - 2022	2020 - 2021	2021 - 2022	2020 - 2021	2021 - 2022
English Language Arts/Literacy (grades 3-8 and 11)	74%	N/A	52%	N/A	47%	N/A
Mathematics (grades 3-8 and 11)	67%	N/A	40%	N/A	33%	N/A

Note: Where it was the most viable option, in 2020-21, LEAs were required to administer the statewide summative assessment in ELA and mathematics and where a statewide summative assessment was not the most viable option for the LEA, LEAs were permitted to report results from a different assessment that meets the criteria established by the California State Board of Education on March 16, 2021. The 2020-21 data cells for the school, district, state have N/A values because these data are not comparable to 2021-22 data.

Professional Development

Professional development for the 2022-23 year has been centered on our instructional focus of writing across the curriculum as we sharpen our scope and sequence, calibrate our assessments, and improve the craft of writing for a variety of purposes. Our staff has participated in trainings relative to our Illuminate Assessment System as well as two days of pre-service focused on high quality instructional practices as well as meeting the social-emotional needs of children as we continue the work of educating children through the pandemic and political and social unrest. In addition, to better meet the unique needs of English Language learners and all students, several teachers are participating in Guided Language Acquisition and Design professional development. Our staff will also participate in on-going professional development centered on diversity, equity and inclusion- important topics as we serve students and families in our diverse, pluralistic community. Lastly, several intermediate teachers have participated in the AVID program professional development to complement our efforts to develop college, career and life ready graduates.

School Safety Plan

The Sunrise Elementary Safety Plan was reviewed and goals were updated in February of 2022. Safety drills that address a variety of possible situations are taught and practiced monthly. Our campus is also fenced and gated. During the school day, the community must enter through the school office and log in through our Raptor system. Staff members provide supervision before and after school during arrival and dismissal times to ensure that all children are safe. We continue to work with our students, community, and law enforcement around issues related to traffic safety and safe routes to school in the community. Additional goals focus on providing students with instruction on topics such as facility cleanliness, bullying, stranger danger, and internet and cyber safety.

Specialized Programs

At Sunrise Elementary we have highly qualified staff to assist students with special learning needs, including two Level 3 classes. Our special education teachers support the learning needs of students as well as additional students identified through our PBIS Multi-tiered System of Supports process.

Students who need support in learning to speak, read, and write English receive daily instruction during WIN time using specialized curriculum and strategies during daily workshop.

Students in grades TK-6 receive instruction in the application of technology with our computer teacher. Students learn keyboarding, word processing, spreadsheets, the use of graphics programs, PowerPoint presentation, training in the Google platform, as well as safe use of the internet. Students also participate in grade level specific district surveys to help increase student voice in our programs and school culture. In addition, select students participate in our Spartan TV program.

Our NEHS and GATE programs help build community and academic achievement through engaging extra-curricular opportunities, leadership and volunteerism. Our students have also formed an Eco Club to support our garden project and community-based organizations.

Lastly, in partnership with our on-site Champions program, we offer paid and free of charge extended learning programs and enrichment.

Average Salaries

Data reported are the district's average salaries for teachers, principals, and superintendents, compared to the state average salaries for districts of the same type and size, as defined by Education Code Section 41409.

Teachers	EGUSD 50,000+ ADA	State Average 20,000+ ADA
Beginning	\$47,193	\$51,081
Midrange	\$67,621	\$77,514
Highest	\$98,138	\$105,764
Principals		
Elementary	\$124,860	\$133,421
Middle	\$123,139	\$138,594
High	\$131,537	\$153,392
District Superintendent		
	\$363,331	\$298,377
Share of budget used for:		
Teachers' Salaries	34.6%	31.6%
Administrative Salaries	3.7%	5.0%
