#### Introduction from the Board

Thank you for your interest and commitment to your child's education, and your continuing partnership in teaching and learning. In order to best serve our community, we have created this condensed version of the full School Accountability Report Card (SARC) with the mission of presenting information about each of our schools in a clear, parent friendly format. If you are interested in viewing the full SARC report for your child's school, you will find it at the district website: <http://www.egusd.net/academics/assessments/school-accountability-report-cards/>

#### A Message From the Principal

PRINCIPAL'S MESSAGE  
Irene B. West Elementary  
A Community of Lifelong Learners!

Welcome to Irene B West - home of the Wildcats! The West families pride themselves on supporting the work of teachers and administrators at West by not only attending after school events and helping in the classroom, but they also take pride in the leadership role parents, grandparents, aunts, uncles, and older siblings play in making West the pride of the community. West teachers are well known for taking great pride in the work they do in the classroom with students and in the great effort they take to draw parents into the learning experience. A hallmark of their teaching practice is data-driven collaboration. Teachers at West take ownership for the learning of ALL students, not just the students in their own classroom. West boasts a well-trained office team that takes great pride in offering the very best in customer service to our parents. West has both a Principal and a Vice Principal who make campus security a priority and who also make great effort to ensure that West children have the very best teaching talent and the most compassionate teacher leaders in the classroom.

Brian MacNeill, Principal  
Irene B. West Elementary

#### Parental Involvement

Families are a valued part of the Irene B. West learning community. Our families may participate by volunteering in the classrooms as often as they would like to visit. Our families are also able to participate on our campus through the follow groups:

School Site Council  
PTO (Parent Teacher Organization)  
Trimester Coffee with the Principal  
ELAC (English language learner Advisory Council)  
Harvest Festival Committee

For information on becoming involved, please contact our School Site Council Chairperson, Mrs Fabienne Fowler at 916-683-4362.

## Teacher Credentials and Misassignments

In the 2019-2020 school year, over 99 percent of the district's teachers held full teaching credentials. In addition to being fully credentialed, if a class is 20 percent or more English Learners (EL), the teacher should hold a supplementary authorization to instruct students in learning English or they are considered misassigned.

In subjects with a shortage, a fully credentialed teacher is sometimes asked to teach outside of their subject matter competency area until an appropriately credentialed teacher can be hired. In these cases, teachers are counted as misassigned.

Vacancies are defined as a position to which a permanent teacher has not been assigned by the beginning of the course. Most vacancies in our district are in subject areas where qualified teachers are in shortage.

## School Facility Conditions and Planned Improvement

West has 32 classrooms, a multipurpose room, a library, and an administration building. The main campus was built in 2003. Remodeling and additions were made in 2009. Additional play ground equipment is scheduled to be installed in Spring 2021.

The district's maintenance and grounds departments work in concert with the school site custodial team to ensure that school buildings, classrooms, and grounds are maintained at exceptional levels to provide a safe and functional environment for all students. The district utilizes the latest electronic work order system enabling site administration and custodians to communicate maintenance needs, urgent repairs, or necessary projects. Emergency repair needs are immediately resolved by either the school custodian or district maintenance staff. The school's custodians work as a team and with the principal to develop a daily cleaning process and schedule. Each morning the custodian inspects the school prior to students and staff entering school grounds. Restrooms are inspected throughout the day to ensure that they are adequately stocked, safe, and sanitary. The Board of Education has adopted cleaning standards for all schools in the district. A summary of these standards is available at the school office, or at the district office.

### Class Size

In Elk Grove schools, our research shows that small class sizes lead to higher student engagement and academic achievement. It has been a top priority in our district to reduce class sizes. For the 2021 - 2022 school year, class sizes are 24 to 1 in Transitional Kindergarten through 3rd grade, and 28 to 1 in 4th through 6th grades.

### California Assessment of Student Performance and Progress Results for All Students (School Year 2020 - 2021)

Subject	Percent of Students Meeting or Exceeding the State Standards					
	School		District		State	
	2019 - 2020	2020 - 2021	2019 - 2020	2020 - 2021	2019 - 2020	2020 - 2021
English Language Arts/Literacy (grades 3-8 and 11)	N/A	N/A	N/A	N/A	N/A	N/A
Mathematics (grades 3-8 and 11)	N/A	N/A	N/A	N/A	N/A	N/A

Note: The 2019-2020 data cells with N/A values indicate that the 2019-2020 data are not available due to the COVID-19 pandemic and resulting summative test suspension. The Executive Order N-30-20 was issued which waived the assessment, accountability, and reporting requirements for the 2019-2020 school year.

Note: The 2020-2021 data cells have N/A values because these data are not comparable to other year data due to the COVID-19 pandemic during the 2020-2021 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020-2021 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020-2021 school year to other school years.

### Professional Development

West teachers have expertise in all subject areas, but especially in the core area of instructional delivery, common core math instruction, reading comprehension, reading fluency, writing, and English language development. West teachers have all received the following professional development to ensure that they possess the teaching talent necessary to support ALL students in becoming college and career ready:

All teachers have been trained in effective Social Emotional Learning strategies to help students feel safe and well-adjusted on returning to school for the 21-22 school year.

All teachers are receiving grade level embedded coaching in effective Professional Development Communities.

All teachers are being trained in the implementation of EGUSD's new online assessment site- Illuminate.

Be Safe, Be Respectful and Be Responsible - Social Emotional Learning Initiative.

### School Safety Plan

Your child's safety is important to us at Irene B. West Elementary. We believe that nothing should get in the way of the academic achievement of our students. Our district is committed to providing a safe, secure environment for learning. Staff reviews and updates our School Safety Plan annually- the last review was January 2022. An "Emergency Handbook", outlining a plan of action for emergencies such as earthquakes, fires, floods, and chemical spills, is kept in the office of our school. Random, periodic school safety inspections are conducted by the County of Sacramento. Visitors are asked to check in and enter the premises through the office, and adult supervision is provided before and after school. The district's Police Services Department works closely with our school site to provide a safe, secure environment for all students.

### Specialized Programs

At our school we have highly qualified staff to assist students with special learning needs. West is the home campus of the district's Deaf and Hard of Hearing program. Our Learning Center services special education students. Gifted and Talented students and high achievers participate in enrichment within the classroom and we also offer these students the opportunity to join our National Elementary Honor Society. Our Federal Title One status provides additional support and resources to serve our students who come from our low Socio-Economic Status subgroup.
